EVENING NEWS.

Tuesday, - - May 4, 1880.

Correspondence.

TILSON'S MILL,
Blande County, Virginia,
April 25th, 1880.

Editors Deseret News:

Our last communication to the NEWS was dated February 12th, and at the time of President Morgan's visit to this part of the south. At the close of our two days' meeting in Blande County, Sunday, February 15th, we administered the ordinances of baptism and confirmation to three more honest souls.

The next day I started with President Morgan on a visit to North Carolina. As far as Wytheville we were accompanied by Elders Hill, Ballantyne and Life, who had come from their respective fields of labor to attend the conference in Burk's Garden. At Wytheville we parted with the above named brethren, who returned to their fields of labor, feeling well in body and spirit. After a pleasant ride on horseback through the country and crossing the Blue Ridge Mountains, we arrived at Brother Wm. Shelton's, in Surry County, N. C., February 18th, and soon after rejoiced in meeting Elders Moyle, Spence and Taylor, then laboring in that conference. During our visit with the Saints in Surry County we held seven meetings, and a good spirit prevailed, and all interested seemed to rejoice in our meetings.

On our return to Virginia we held a meeting about three miles from Hillsville, in Carroll County, Virginia. This was the first held in that section by the Elders and a goodly number of people came out to hear what we had to say, and paid strict attention to President Morgan's discourse on the first principles of the gospel, after which I bore testimony to the truth.

After meeting we were invited home with Mr. Hart Alderman, the revenue officer of that district. We accepted and were kindly treated by himself and family. The next day we continued our journey arriving in Wytheville late in the afternoon. We stayed all night, and next morning Prest. Morgan took the east bound train, on his way to visit Elders Barnett and Langton and the Saints in Franklin County, Virginia. We enjoyed very much the visit of Prest. Morgan, to our field of labor, and feel blessed in receiving and putting into practice his kind instructions.

The following Sunday, Feb. 29th, I was joined by Elders Hill and Ballantyne, who had been called from Tennessee to labor in this Conference. We held two meetings the same day in the Tilson school house, both of which were well attended, and considerable interest was manifested in our instructions.

Monday, March 1st.—In Burk's Garden, we held the funeral services of Bro. Reese Heneger, jr., who died very suddenly the day previous. Quite a number were present at the meeting, and still many more at the grave. This young man had embraced the Gospel a few months prior to his death, and died firm in the faith. To all such, the blessing will apply spoken of by John the Revelator, "Blessed are the dead which die in the Lord from this time henceforth; yea, saith the spirit, that they may rest from their labors, and their works do follow them."

March 5th.—One more was added to the church by baptism.

Wednesday, 17.—Elder Henry G. Boyle arrived in Virginia direct from Utah. Those who have been on missions can understand best how we felt to meet one of our brethren directly from the home of the Saints.

Since Elder Boyle's arrival, we have held several meetings in different localities, and during the present month, 13 more have been added to the Church by baptism.

Friday, 16th of this month, one family left Tazewell County for Ogden City, Utah. Others are trying to sell their property in order to obtain the necessary means that they may gather with the Saints. Times are hard and money scarce. God has promised to gather his people, were it not so, prospects indeed look discouraging. Many of the Saints have no property to sell. I hope the poor among the Saints in Virginia will realize the benefits of this good year of jubilee as well as the Saints in all the earth. If those who have relatives and friends still scattered abroad would send them a paper, pamphlet or other Church publication and write a letter occasionally, it would prove to them a source of comfort and consolation.

After our baptism of six persons on what is called Clear Fork, in Tazewell County, the house of one of the Saints was rocked by a number of unprincipled persons, who perhaps thought the Elders were in the house at the time. We had stopped there during the day and attended to the baptism, but being anxious to get our mail matter, we came on to Burk's Garden. No damage was done, except that those who committed the act showed themselves to be more like demons than Christians.

April 3d, Col. Peter Litz, of Burk's Garden, died; aged about 78 years. He was baptized by Prest. J. M. Grant, near 39 years ago. Though he had not gathered with the Saints he was firm in his testimony, and when asked (by a sectarian) if he was prepared to die, he replied that he felt that he was born a "Mormon" and would die one, being prepared. At his funeral, a great many people came together to pay their last respects to the remains of an old and well known citizen. Among them were preachers, doctors and magistrates, Catholic and Protestant. Many for the first time heard a Latter-day Saint Elder bear testimony to the restoration of the gospel, there being many present who do not usually attend the meetings of the Elders on account of the prejudice they hold against us.

The health of the Elders and Saints generally is good, and prospects fair for a good work being done.

I have been released to return home, which I expect to do next month. During the two years, and a little more, of my labors, I have enjoyed myself in doing what I could by the help of the Lord, for the spread of the truth. I labored with Elder Barnett about 15 months and the remainder of the time with Elder Benson and others, as changes would take place occasionally as wisdom would suggest. During the whole time we have had friends raised up to us, and have not lacked for the comforts of life. The Lord has greatly blessed my humble efforts in connection with those of my traveling companions, so that quite a number have been baptized and some of them gathered to Zion. For all of these blessings I feel truly grateful to our heavenly Father, and can bear testimony to the truth of this work. My prayer is that the blessings of God may rest upon the Saints and the honest in heart everywhere. With kind regards in which the brethren join,

I remain, your brother, in the gospel of Christ,

M. F. COWLEY.

MINERSVILLE, April 26, 1880.

Editors Deseret News:

Last Saturday night, our School Literary Class held a very interesting public meeting in the meeting-house. A synopsis of the exercises may not be without interest to some of your readers.

After the audience was called to order, prayer, roll call, which was answered by sentiment, and reading of previous minutes, Brother A. B. Thompson opened the programme with an instructive and spirited address on the "power and effect of education." Then followed essays, songs, recitations, concluding with "Our Student's Guide," a manuscript paper devoted to the interests of the school, local news, etc. It was read by the editors, Misses Mary E. Stoddard and Ida M. Rollins.

Our County School Superintendent and Brother Wm. Baker, both of the Stake Presidency of the Y. M. M. I. Associations, were present, and addressed the meeting a short time. The following is from the editorial in the "Guide."

"It seems that we are destined to have only three months' schooling a year. We think that people who have been deprived of educational advantages as this community has, when they have a good school teacher would try to keep him. Now we have a teacher who takes an interest in the education of the young, desires to do everything in his power for their welfare—more than any we have previously had. Our teacher leaves town next week. We (the pupils) are sorry to be deprived of his association, but join in bidding him farewell, wishing him prosperity, success, and may the blessing of God attend him, is our humble prayer."

Preparations are being made here for the celebration of May Day. The weather is now beginning to look as though we will soon have spring. Sister McKnight, our Bishop's wife, who has for six months past been confined to her bed with dropsy, is now slowly on the improve. Willie Goodman, who, it will be remembered, was shot on St. Patrick's Day, is progressing nicely. The Co-op. is moving into a new store.

Respectfully yours,

PUPIL.

Catarrhal

POISON

Wm. De Meyer's Treatise on Catarrh explains the following important facts:

1. **That Catarrhal Colds** become a **Poisonous Infection,** at first local, and finally **constitutional.**

2. **That,** being Constitutional, the infection is **beyond the reach of mere local remedies.**

3. **That impurities** in the nostrils, are necessarily **swallowed** into the **stomach** and **inhaled** into the **lungs,** thus **poisoning** the Digestive, Respiratory and Genito-urinary organs.

4. **That Catarrhal virus** follows the mucous membrane and causes **Deafness, Dyspepsia, Chronic Diarrhœa, Bronchitis, Leucorrhœa, and Consumption.**

5. **That Smokes, Douches, Inhalations,** and Insipinle Snuffs, **cannot possibly** remove infectious inflammation from the **organs named.**

6. **That all Antidote** for Catarrh must possess an **inoculative affinity for,** and the quality of being **absorbed by,** the purulent mucous **wherever located.**

Based upon these plain theories, Dr. Wm. De Meyer's Catarrh Cure has proved to be infallible. It not only **relieves, it cures** Catarrh **at any stage.** Home testimony.
