

THE BEAR HUNT STILL GOES ON.

The Bears Have Foreseen the Danger and, All but One, Have Hidden Themselves.

CAMP TO BE MOVED TOMORROW

Start for Home Will be Made May 15—Will be in Washington May Thirtieth.

Glenwood Springs, Colo., April 20.—That President Roosevelt is enjoying royal sport in his hunt for Rocky mountain grizzlies is attested by Secy. Loeb, who returned from the camp late today, after having spent the night with the party. While the only game pulled down thus far is the bear shot by the president and the bob cat shot by Alexander Lambert, there has been plenty of recreation. Every day the dogs have followed trails that looked promising, showing that there are more bears to be found in the vicinity now being hunted. Camp will not be moved until Saturday. Then the party will locate on the west divide creek within 20 miles of the present location and four miles nearer Newcastle.

The point toward which the party is working is Redstone, where camp will be broken on May 14. The private car Rocket will pick up the president there and he will spend the night at Glenwood Springs. The start home will be made on the 15th, with stops of one day each at Denver and Chicago. Secy Loeb left Glenwood Springs yesterday morning with Elmer Chapman, the courier who brought out the first word from the camp. They went to Newcastle, and procured mounts, rode the 23 miles to Charlie Penny ranch. It was raining when they started and the roads in addition to being naturally rough, were muddy in spots.

It was after 5 p. m. when they came within sight of the ranch. About three miles from camp they heard the baying of hounds hot on the trail of game. They waited and soon the entire hunting party rode up. It was time to quit for the day and Secy. Loeb and Chapman joined the president and his companions and rode in to camp with them. The hunting party had been in the saddle 10 hours without stopping for lunch, so dinner was served soon after their arrival at camp. Mr. Loeb says it was only necessary to see them out to know that the hunters were in the best of health and enjoying themselves.

During the dinner, and afterward the president and Mr. Loeb had a long visit. Naturally the secretary wanted to know all about the bear killed. It was an interesting story in which all members of the party shared in the telling. The dogs had several times caught up with the bear and had annoyed him until he was in a vicious mood. Finally when he was at bay two of the most members of the party, including the president, came up with the dogs. One dog had been killed and several others badly wounded and the grizzly was playing havoc with the others that were tantalizing him. To save the dogs the president had to shoot hurriedly.

Every sweep of the bear's paw bowled over a hound and rather than see any more of the pack killed, the president took a chance of shooting between the dogs at the bear. He fired once and hit the animal in the shoulder. Firing again, he hit the bear. He takes great pride in the first trophy of the hunt.

The most important business between the president and his secretary was in relation to the grizzly. The grizzly had been made. The president signed the appointment of George Watkinson of West Virginia, to be judge of the court of claims for the district of Columbia, as well as several pardon cases. When the camp is moved to the west divide creek, it will be located on the ranch of Wm. Griggs. It is believed game is more plentiful there. The snow is rapidly melting away and the dogs will be able to do better work. When the party is in its new camp Mr. Loeb will pay the president another visit. P. R. Stewart of Colorado Springs expects to leave the camp on Saturday, in which event Mr. Loeb will stay two or three days.

There was no hunting today. A heavy snow began to fall early and did not stop when Mr. Loeb left the camp. It was decided to put in the day resting. The snow was dry in the day resting. The snow was dry in the day resting. The snow was dry in the day resting.

Does your hair need nourishment? Is it thinning out, getting dry, harsh and brittle or splitting at the ends? The way to find out for yourself is to make an actual test that you can see and understand. Pull a hair from the top of your head, examine the root. If the bulb is plump and rosy it is all right, but if it is white and shrunken your hair is diseased and needs nourishment. Recall "01" Hair Tonic supplies this need. It is a germ destroying nutritive hair tonic. It first of all destroys the germs that are causing the trouble at the white and shrunken roots, then it tones up the hair follicles. A new growth of hair begins at once and the hair soon regains its youthful color and lustre. It makes an excellent dressing, delightfully perfumed and conveniently put up in a handy sprinker bottle. We sell a large bottle for fifty cents that we guarantee to give satisfaction or we return your money. You will find that Recall "01" Hair Tonic backs up all the claims we make for it.

WHY THEY ARE HAPPY

TWO NOTABLE RECOVERIES FROM EXTREME DEBILITY.

Husband's Strength Had Been Waning for Three Years, Wife a Sufferer From Female Weakness.

"My strength had dwindled so that I couldn't apply myself to my business with any snap but was tired and listless all the time," said Mr. Goldstein. "I went to bed completely used up by my day's work, and when I got up in the morning I didn't feel rested a bit. I had awful headaches too, and my kidneys got out of order and caused me to have severe pains in the back. At one time I became so feeble that I could not stir from bed for three weeks."

Mr. Goldstein is a young man and had then but recently established a home of

his own. His anxieties were increased by the fact that his wife was far from being robust. Suffering from her own state of health during this trying period, Mrs. Goldstein says:

"For two years I had been ill most of the time. Sometimes I was confined to bed for weeks in succession. I had headaches, kidney trouble, pain about the heart and many more uncomfortable symptoms connected with that weakness to which my sex is peculiarly subject. Trouble had invaded this household and settled in it in just the years that ought to be the very happiest. Physicians could not tell them how to get rid of it."

"A trip was prescribed for my health," said Mr. Goldstein. "I promised well at first, but when I returned I found myself just as badly off as before, and I was utterly discouraged. Then an advertisement and the urgency of some friends led me to try a blood and nerve remedy which was said to be wonderfully successful. I could hardly believe it at first but within a month there were unmistakable signs of improvement which led me to continue the treatment until I became completely well. Through the use of Dr. Williams' Pink Pills I have now as good health as I ever had in my life."

This is not all, for Mrs. Goldstein adds: "The wonderful effect that Dr. Williams' Pink Pills had in the case of my husband led me to try them and they helped me even more quickly than they did him. One box made me decidedly better and a few more cured me."

Dr. Williams' Pink Pills make pure, rich blood and when there is general weakness and disorder that is what the system needs. The peculiar organism of women calls for a specially large supply of good blood, and obstinate cases of prostration and complicated troubles owe their existence to nothing but scanty or vitiated blood. In such cases it is always best to use Dr. Williams' Pink Pills. Mr. and Mrs. Goldstein live at 35 Grove street, East Boston, Mass. Dr. Williams' Pink Pills are sold by druggists everywhere.

WOODMEN REDUCE HEAD CONSUL'S SALARY

Los Angeles, Cal., April 20.—The Woodmen's convention transacted very little business today. The entire morning and afternoon sessions were taken up with hearing and discussing the reports. The election of officers went over until tomorrow.

Acting Head Consul Foley of Los Angeles has withdrawn from the race for head consul of the Pacific division of the order, leaving J. L. Book of Denver and A. B. Keith of Butte, Mont., the only contestants. It is conceded by many delegates tonight that Book will be chosen tomorrow.

One important action of the afternoon session was the reduction of the salary of the head consul from \$6,000 to \$4,000 per year.

The conference of the Women of Woodcraft this morning re-elected all officers of the organization with one exception. The following officers were re-elected without opposition: Mrs. C. C. Van Orsdell, Oregon, grand guardian; J. L. Wright, Colorado, grand clerk; Mary F. Hurley, Oregon, grand banker; Anna Hawkins, Oregon, and Lillian Pollock, Colorado, head members.

Hester Oliver of California was chosen grand adviser to succeed Victoria Berlek, whose name was withdrawn before the balloting.

INTERSTATE RAILROADS.

Proposition for a National Incorporation of Them.

Washington, April 20.—Including the general question of railroad rate legislation pending before the senate is a proposition for the framing of a national incorporation act for interstate railroads. The discussion of this subject will form a feature of the hearings now in progress before the interstate commerce committee of the senate with a desire of obtaining the opinions of the railroad men as to the applicability of the proposed systems to the railroads of the country. With a view that they may be prepared in advance with information on this subject, Senator Newlands of Nevada has sent to a number of prospective witnesses before the committee a circular letter calling attention to the matter.

IRRIGATION CONGRESS.

Next Session Will be Held in Portland in August.

Sacramento, Cal., April 20.—Gov. Pardee, as president of the National Irrigation congress, has issued an announcement that the next session of the congress will be held in Portland from Aug. 21 to 24. The session is to follow shortly after the Transmississippi congress, which takes place from Aug. 18 to 19.

Gov. Pardee states that he expects this meeting to be one of the most interesting as well as the most important. The United States reclamation service will be one of the subjects of discussion. There is some hope that President Roosevelt will attend the session for one day, and President Diaz of Mexico has also been invited. An effort will be made to have both dignitaries present on the same day.

MRS. McLEAN PRESIDENT OF DAUGHTERS OF REVOLUTION.

Washington, April 20.—Mrs. Donald McLean, regent of the New York chapter of the Daughters of the Revolution, was elected president general of the national society, D. A. R., receiving 382 votes to Mrs. Sternberg's 322.

On the first ballot Mrs. McLean received 342 votes of a total of 717 cast, leaving her just 12 votes short of an election. Mrs. George Sternberg, District of Columbia, received 291 votes and Mrs. Charles W. Lippitt of Rhode Island, 184 votes. Mrs. Lippitt withdrew from the contest and another ballot was ordered. Early in the second ballot it became evident that Mrs. McLean would receive at least a part of the vote cast on the first ballot for Mrs. Lippitt and her election therefore was practically assured. The ballot was not completed until 2:45 p. m. Then the congress took an hour's recess for luncheon and until 6 o'clock routine business was transacted, while the delegates were awaiting the reports of the tellers.

Reports of the work accomplished during the past year in the various states were made by the state regents. A recess was taken until 8:30 p. m.

Mrs. Mary Lockwood and Mrs. Julia Hogg were unanimously elected honorary vice presidents general. Mrs. Donald McLean, the newly elected president general, gave a largely attended reception tonight.

When the congress was called to order this morning the result of the ballot taken yesterday for president general was announced as follows: Mrs. Donald McLean, New York, 342; Mrs. George M. Sternberg, District of Columbia, 291; Mrs. Charles Warren Lippitt, Rhode Island, 184.

The announcement of the vote of Mrs. McLean, which was within 12 of an election, was received with a storm of applause.

Of the 16 candidates for vice president general, Mrs. Mary Lockwood was elected—received a majority of the votes cast. It was decided by the congress that the 19 receiving the highest number of votes should be declared elected. Among those elected vice presidents general were Mrs. Mary Woodworth, San Francisco, Cal., 515; and Mrs. Franklin E. Brooks, Colorado Springs, Colo., 417.

Other officers elected as follows: Recording secretary general, Miss Mary Desha, Washington, D. C.; corresponding secretary general, Miss Virginia Miller, Washington, D. C.; registrar general, Mrs. Stewart Jamison, Washington, D. C.

JOHN PAUL JONES.

Body Placed in American Church Of the Holy Trinity.

Paris, April 20.—The body of John Paul Jones was today borne from the school of medicine to the American Church of the Holy Trinity, on the Avenue d'Alma, and was deposited in the receiving vault to await the arrival of the naval squadron which is to carry the remains of the admiral to America.

The ceremony of the removal was attended by Ambassador Porter, Henry Vignaud, first secretary of the embassy; Col. Bailey Blanchard, second secretary, and John K. Cowdy, consul general at Paris. The coffin has been encased in a handsome oaken casket, around which a large American flag is draped.

HUNGARIAN ECONOMISTS.

Wants Treaty With United States Terminated.

Vienna, April 20.—The National Hungarian Economic society of Budapest recently adopted a resolution calling on the minister of commerce to request the Austro-Hungarian foreign minister to terminate the commercial treaty between the United States and Prussia of 1829. Under both these treaties the United States received the most favored treatment. This movement appears to furnish evidence that

Run on Trading Stamps Store.

New York, April 20.—The run which began yesterday on the trading stamp

store of Benckert & McFarlane was continued today by hundreds of excited women. While they were clamoring for the redemption of the books of blue stamps they held, creditors of the concern filed a petition in bankruptcy against it. Later in the day United States Judge Hoyt appointed a receiver. The company was incorporated in 1902 with a capital of \$1,000,000. It established branches in Chicago, Denver, St. Louis and other large cities. One of its big contracts with a store in New York terminated a few days ago and Lewis of this predicated the run.
