CONTAGIOUS BLOOD POISON THE WORST DISEASE IN THE WORLD

Contagious Blood Poison is the worst disease in the world; not only those who contract it suffer, but the awful taint is often transmitted to inno-

those who contract it suffer, but the awful taint is often transmitted to inno-cent offspring whose lives are blighted and bodies diseased because the virus of Contagious Blood Poison has been allowed to remain in the family blood. The first sign of this disease is usually a little pimple or blister, then a red rash breaks out, the mouth and throat ulcerate, the hair comes out, copper colored spots appear on the limbs, back and breast; and as the disease more thoroughly pollutes the blood, sores and ulcers form and if sublood, sores and ulcers form and if

SWEET MARIE AT HEAD.

Nearly One Thousand Trotters and Pacers Put Under the Hammer.

Pacers Put Under the Hammer. New York, Oct. 23.-Nearly one thou-sand trotters and pacers already have been consigned to the Old Glory auction sale, which is held annually in Madison Square Garden during the two weeks which follow the horse show. At the head of the list of speedy horses which will be knocked down to the highest bidder next month is Sweet Marie, 2:02, the ten-year-old daughter of McKinney. Sweet Marie swept the free-for-all trots throughout the grand circuit last sum-mer.

On a Foul.

London, Oct. 33.-In a fight for the heavyweight championsh p of England between Jack Palmer of Newcastie, the present holder of the title, and "Gunner" Jim Moir, for a purse of \$1.50 and a side bet of \$2,000, tonight before the Nationa Sporting club, Moir beat Palmer on a foul. Moir forced the fighting from the first, and the struggle was pretty even until the final rounds. In the hinth Pal-mer hit Moir low several times, and was disqualified.
