"THE THATCHER CASE."

AN activit appears to the 1-gan Justical of Turesday, August 15, upon 7-fra Theriter Clees, which is a minimal of the property of the profile of the property of the public right upon the first which the public right upon the first the public right upon the first the public right upon the first the public right upon the right upon the public right upon the right upon the right upon the public right upon the right upo

and there must be no musica about it. Some members of the Choron, gather-log filed views from streements aleged to have been made by flother Tasteber himself and other statements made by his so-called friends, have been bell to believe that he might not have been sloughtler wrong in the allitude which he had soomed. To correct this misonderstanding and beprevent the turner species of m filed. correct this misonderstanding and to-prevent the triplest reproduced or in fin-pression whally wrong, it is of the slighest importance to every member of the Church limit the truth abunda be known concerning the re-sult in the case. Repealing, there-logs, the question, Is it from that in one sense "the trial resulted in the vindication of Moses Tankcher?", we turn to the proceedings of the Him.

In our same "the trial resulted in the viniteation of Mass Tandaha?" we turn to the proceedings of the High Council, and for an asswer just the agentia, warrier of the High Event of the process of the High Council, and for an asswer just the agentia, warried the decay', desirion, "We interfere decigir that the charges significant High the Mass and only algorithm and promognate by the state of the Hale Presidency, but if was unadimently metalized my if we unadiment weather the state of the Hale Presidency, but if was unadimently metalized in endocate by the satir titleh Council. Furthermore lives by Bouther Timester himself sminned and secupted in his without qualification or unusual reservation. And, speaking in his own inhalt before the case was closed, he expressed the feeling that so minimal to warm the same of the case of the council he was willing to have the scient of his wrong doing in the Cauncil's hand; he had been seen that there was no conflict in the polition taken by the present conflict hand in the fame position, admitting that he had been chonored and in the data; has be will be not you have the sub-free the had been chonored and in the data; had been chonored and in the satir was present the man were constitution of any he had and here the control in the constitution of any her had and the control in high the control in the control in the country is any resultation. his leffowship and was willing to more say residution the Council might name for any intentional or uninten-dunal reflections again the Charch su-
