

FRAGMENTS.

FRS and read Pembroke's special advt. DEPUTY GLEASON went to Coalville yesterday. CONFERENCE commences at Coalville to-morrow. COL STANTON and family went east this morning. THE Home Dramatic Club go to Coalville to-morrow. A PAIR of dental forceps have been lost. See advertisement. THE Tabernacle Choir excursion to Sanpete County occurs on the 11th inst. CONFERENCE tickets to Coalville can be purchased at the Utah Central general office, East Temple Street. THE Cosmopolitan, published by Schlicht & Field Co., Rochdale, N. Y., is a fine magazine. The October number, which is before us, is replete with excellent magazine literature. To our patrons and friends, notice is hereby given that heretofore on the first Thursday of each month we will close our business between the hours of 10 a. m. and 12:30 p. m. WOOLLEY, YOUNG AND HARDY Co. W. J. HOOPER was arraigned in the District Court this morning on the customary charge; he pleaded not guilty, took his copy of the indictment and walked out, having previously held a hurried and quiet interview with Mr. Dickson. THE reason why the countenance of Mr. George H. Danford beamed with the appearance of extraordinary satisfaction to day was simply because at an early hour this morning Mrs. D. presented him with a bouncing boy. Mother and child are doing well. We have a note signed "A Sufferer," but having so frequently given notice that we cannot receive anonymous communications, it is better to let Agala we say to correspondents - put any signature you please to your favor, and we must be advised of the real name or no attention will be given to contributions. WHILE the case of the People vs. O'Brien was in progress this morning, in the District Court, one of the witnesses created considerable merriment. He gave the name of a "Holy Terror," and afterwards created a snicker by saying that he regarded a "middle-aged bachelor as an eccentric person," upon which a broad and unrestrained general laugh in which Judge Zane joined, when asked by Mr. Sheeks "And he remains a bachelor still?" LOCAL NEWS. Erysipelas.—Brother George Hales, of Beaver, who was placed in the penitentiary a few days since for refusal to abandon his wives, is suffering from a severe attack of erysipelas. Every attention is being paid to him, and we hope soon to be able to record his recovery. To the Y. M. M. I. A.—The Salt Lake Stake Superintendent of the Y. M. M. I. A., desire that those associations who have not yet commenced meetings for the winter season, should do so as early a date as practicable. The names of the officers and time and place of meetings should be reported to State Secretary Chas. B. Felt, care this office, not later than October 20. Conference Theatricals.—The Home Dramatic Club, comprising Messrs. Wells, Spencer, Cummings, Young, White, and Mesdames Claridge, Cummings, Clawson, Whitney and Ruby Clawson leave to-morrow for Coalville. They play "The Green Lanes of England" Wednesday and Friday, and "Confusion" on Thursday at Cliff's Hall. The scenic and property man is already on the ground, and Mr. Whitney, the manager, went out this evening. Baseball.—Manager Dawson, of the now famous Nationals, has declined the overture of the Denver club for three games here, as the terms of the latter are out of the question, they wanting a guarantee of \$500, so a telegram just received states. On Saturday next there will be a due contest on Washington square. The picked nine comprising three each from Salt Lake, Ogden and Willard, being pitted against the Nationals. Police Court.—Henry Robinson, charged with being drunk, pleaded guilty and was fined \$5. Gustave Anderson, charged with stealing a ride on the D. & R. G. railway, pleaded guilty and was fined \$15. Daniel Knowles, same charge, same plea, same fine. Charles Johnson, for assault, pleaded not guilty. The prosecution's witnesses not being present, the case was continued till to-morrow at 2 p. m. Tom Jones, for petit larceny, entered a plea of not guilty. The witnesses for the prosecution not being present, defendant was discharged. Lithotomy.—Yesterday Dr. W. F. Anderson assisted by Dr. Hamilton, performed an operation for stone in the bladder upon a son of James M. Clark of Glendale, who brought the boy up to this city for his purpose. A stone, very regular in shape, about an inch and a half long and nearly round, and covered with sharp, burr-like protuberances, was removed from the bladder. The appearance of the stone proved the agony it must have caused. The patient is aged twelve years, and rested well last night, having his first night's sleep in three months. Practical Sympathy.—Under date of October 4th, Harry Hayes writes to H. Pembroke, Esq., one of the sufferers by the fire in this city, a note running as follows: Pen: I am sorry that you have lost by fire. Hope you have not lost your courage. I'll do all I can to help you. Wish my bill were larger and will try and make it so in future. Enclosed with the note was a check to balance the writer's account with the recipient. This is the right way to sympathize with a man who has been burned out. Fatal Fall from a Hand Car.—A few days ago—of the exact date we are not informed—Mrs. Jane Price Gray, of Smithfield, Cache County, formerly of the Seventeenth Ward, this city, was being conveyed on a hand car between Smithfield and Richmond, when she fell from it, sustaining injuries that resulted in death. Her case was widely known in this city and also in Cache Valley, having had an extensive practice in both places as a nurse and midwife. She was a most estimable woman, who will be greatly missed in the community where she resided.

SEMI-ANNUAL MEETING.

SPLENDID CONDITION OF LEON'S CO-OPERATIVE MERCANTILE INSTITUTION.

This afternoon a meeting of the stockholders of Z. C. M. I. was held in the Social Hall, at which the report of the President of the Institution was read, and election of officers had, and other business transacted. The following financial showing, for the fiscal half year ending July 31st, was submitted: RESOURCES. Merchandise on hand \$96,917.51 Notes Receivable... 251,232.38 Cash on hand... 25,629.19 Real Estate... 240,844.98 and Provs... 240,844.98 and Clothing Factories and Tannery... 35,460.00 Wagons, 10 sets... 1,000.00 Chop Feed and Hay... 2,511.00 291.40 \$1,744,410.79 LIABILITIES. Bills Payable... 446,716.52 Unpaid Dividends... 4,375.99 By Customers... 3,435.85 Outstanding orders... 1,042.57 956,571.93 Reserves... 184,015.30 Undivided Profits... 86,067.51 \$1,744,410.79 Total Cash Receipts for the half year were \$1,228,643.27. We pay a dividend of 5 per cent. semi-annually. SALT LAKE CITY, October 5th, 1886. A careful consideration of the above figures will show that this great mercantile concern is in a remarkably healthy, sound and prosperous condition. It has on hand cash and merchandise enough to pay all its liabilities more than twice over, leaving its bills and accounts receivable, real estate and a variety of other assets as an offset to its capital stock. The figure put upon its real estate, \$240,844.98, is exceedingly low. Its real property in Salt Lake is worth that amount, aside from its real estate in Ogden, Logan, Provo and Soda Springs. Its low estimate on its real estate indicates the conservative, safe and solid methods that characterize its management. At the meeting 5,093 shares of stock were represented, and the following ticket was elected by a unanimous vote, there being not a single scratch: President—John Taylor; Vice-President, H. S. Eldridge; Secretary and Treasurer, T. G. Webber. Directors—George Q. Cannon, H. J. Grant, Joseph F. Smith, John Sharp, Moses Thatcher, G. Romney, John R. Winder. A dividend of 5 per cent was declared for the half year, and the balance of the profits was carried to the reserve fund. COURT NOTES.—In the Third District Court yesterday afternoon, the case of the People vs. John Welch and Wm. Heilly, indicted on a charge of burglary, was dismissed and the defendants released from custody. Sven A. Ahlberg was admitted to citizenship. Mary Coughlin, a girl 10 or 11 years of age, was arraigned on a charge of petit larceny. She is accused of having stolen \$15 from a dress-maker at Park City. Judge E. T. Sprague was appointed to defend her. A plea of not guilty was entered and the defendant released on \$100 bail. To-day her bonds were exonerated and she was released on her own recognizance. In the case of the People vs. Brian O'Brien, indicted for assaulting Wm. Martin with a pistol, during a quarrel between the two men. The trial occupied a portion of the time yesterday and was continued to-day. This afternoon the jury after being out a couple of hours, came into court and said, "Your Honor, by unanimous request of the jury I will state that it is impossible for us to agree on a verdict. Two of the jurors are suffering from long disipation, and are unable to sit any longer." The Judge looked steadily at the jurors for a moment, and waving his hand, quietly remarked, "Well, you may return to the jury room." The cross-fires slowly fled out of court to reconsider their decision, and had not returned when we went to press. United States vs. Wm. J. Hooper, arraigned on one count for unlawful cohabitation; plea of not guilty. In the case of the United States vs. James I. Steele, of Lake View, Tooele County, the defendant was arraigned yesterday afternoon on a two-count indictment for unlawful cohabitation, and pleaded guilty. Sentence will be passed Oct. 14. The People vs. Charles F. Rose, indicted for grand larceny, was called for trial to-day. The defendant withdrew his plea of not guilty and pleaded guilty. He was sentenced to three years in the penitentiary. In the case of the People vs. F. A. Wayman, charged with embezzlement, the defendant pleaded guilty and was sentenced to one year in the penitentiary. The People vs. Walter Sims, assault; witnesses for prosecution absent, and an attachment was issued. In the case above named the defendant was discharged, for want of sufficient evidence on the part of the prosecution. Accurate Dispatches.—The following Salt Lake dispatch dated Oct. 1st, was received in the Sacramento Bee of the 2nd inst.: David Whitaker, a nine-year-old boy, was passing a horse in the street yesterday, when the animal left both hind feet and fell to the ground, and died soon after. The boy was kicked Sept. 10th instead of Sept. 30th; the casualty happened in a stable in Brighton instead of in the street, in this city, and the child lived a week after it, some days elapsing before it was ascertained that he had been seriously hurt by the kick. It is not known whether the horse kicked with one foot or two, as the boy was alone in the stable with the animal at the time. It is, however, reasonably certain that only one foot struck the boy. With these corrections, and an allowance for hasty preparation, a dispatch might be permitted to pass as regards accuracy. Here is another dispatch dated Salt Lake, September 30th, which appeared in the Sacramento Record-Union of October 1st: "Thomas J. Jones, an old man, was knocked off the Deaver and Big Grande Railway bridge near this city yesterday, on which he tried to cross for a short cut, just as the train came along. His head and back were crushed, and he died instantly." "The bridge is instead of 'near' this city, and, with the exception of a scarcely noticeable bruise on the head of the deceased, there were no marks or bruises whatever on any part of the remains. The statement that the 'head and back' of the deceased 'were crushed' is wholly untrue. His injuries were internal, and he lived some time after being conveyed home, instead of dying instantly. These telegrams are Associated Press dispatches; they have no significance whatever, politically or otherwise, save as news items, and the question arises, why are the facts purporting to be given by them, so abominably mis-stated?"

THE Cosmopolitan.—"One Way to Write a Novel" by Julian Hawthorne, and the October Cosmopolitan contains the experience of that well known writer in a fascinating department of literary art "A Russian Fury" by W. H. Allen, is a vivid portrayal of the fierce, cruel and whimsical mother of Ivan Turgeneff. In the powerful story of "The Witch of Harz" by Arlo Bates gives a brilliant picture of New England superstition. "How Ants Live," by Ernest Voges, is a beautiful illustrated and wonderfully interesting article on the most remarkable insect in the world. "A Visit to the Cavalry Camps in Southern Arizona" by C. H. Ward, is a vivid and dramatic description of one phase of frontier life. "Josiah's Relict," a fine story with humorous touches by Kate Putnam Osgood, "My Friend the Beggar" by Gene H. Udenwood, "The Rule of Two Cardinals," several excellent poems and beautiful full page illustrations, complete the list of attractions in the body of the magazine. "Sulky Ketchum's Bonnet Strings" by Sophie Sweet, and "How I Went Fishing on Lake Umbagog" by Wm. Chandler, in the "Young Folks," and "Dress and Ventilation for Children" by Mrs. Louise M. Hildreth, "The Marriage Refusal," by A. Bachelor, in the Household will attract attention.

Have just received a car load of the Morrison Seed and Salfy Plows, also Wier Steel, Hand and Sulky Plows, also South Bend Chilled Plows, Harrows, etc. We have also secured the agency for the celebrated Vaseline Standard Wagon and Carriage Grease. This grease you can get in genuine Norway Lubricating Jelly possesses all the Lubricating, Softening, Preservative and healing properties of the other well known and familiar grades, differing from them only in melting point as it is many degrees higher.

For Carriage and Light Wagon Axles.

For Carriage and Light Wagon Axles, the high melting point guarantees clean hubs in any climate and prevents wear from dripping by the action of heat, and will not travel like Castor or other liquid oils, thus preventing injury to the axle by the action of the axle nut from dust or grit.

For all kinds of Agricultural Implements.

For all kinds of Agricultural Implements it is the most practical and satisfactory lubricant known. For Leather and Enameled goods, it is softening and preservative, removing the effects of rain, cold, or animal salts, with applied upon a clean and dry surface.

For Sores, Burns, Scalds and Chapped Hands.

For Sores, Burns, Scalds and Chapped Hands it is cooling and curative. As a Hoof Ointment it has a widely established reputation. For tick in sheep it is a perfect remedy destroying the grub without injuring the fleece.
