Get One Year.

Today Charles F. Salter, indicted under the name of Charles Patterson, was called in the Third District Court for sentence. He had pleaded guilty to forging the name of M. M. Kalgan, to a check for \$80. His attorney presented several certificates of good character for the defendant, received from Hawtins, Wyoming, where Salter formerly resided, and stated that the defendant was drunk at the time of the commission of the offense. He had also been married but a short time, and had vainly endeavored to find work, and he and his young wife being destitute they were very much discouraged. The Court intimated the least penalty imposed by the law—one year in the penitentiary. When sentence was pronounced, Mrs. Salter, who was in the court room, wept bitterly. The defendant seemed to be very penitent, and an effort was probably made to have the Governor pardon him.

ALEX. BURT'S CASE.

The Jury Return a Verdict of Guilty.

The trial of Alexander Burt, of this city, on the charge of unlawful cohabitation, was commenced in the Third District Court yesterday afternoon.

The jury selected to determine the case were Albert Shaw, John Rydick, W. H. Caldwell, Ezra Thompson, Barney Riley, Wm. Crim, Benjamin Howells, S. E. Allen, A. S. Lindback, J. J. Fabian, Robert Gorlinski and F. D. Clift.

The first witness called was Mrs. Agnes Burt.

Mr. Rawlins objected to her being sworn; the statutes provided that the legal wife should not testify.

The court ordered that she be sworn, however, but further than saying she was the legal wife of the defendant, she declined to answer any questions.

She subsequently testified that she was married to the defendant about twenty-eight years ago. She deposed to say where she married him. The jury was excluded, and she then said she was married to defendant in Spanish Fork; she was about 17 and he 21; he had never been married before, that she knew of.

Q—Did he never tell you he had been married before?

A—I decline to answer; I am his legal wife, and that is enough.

Court—You may answer that question.

A—He had not been married before that I know of.

Q—Did he marry more than one woman at that time?

A—I decline to answer.

To Mr. Young she finally said that he did not marry any woman on the same day as she married him.

With this Mrs. Burt was excused, and Andrew D. Burt, a son of the defendant, was called and testified—Agnes Burt is my mother, the first wife of my father; I lived at home until I was married; after that I went on a mission to Europe for about three years; he went abroad about January, 1885; that is as near as I can remember; could not say whether it was in the early part of the year or the latter part of the year; I was married in June, 1886; he went away some months before that; I know Harriet Hilton; I do not know that she is any relation of my father's; do not know whether she was his plural wife or not; do not know much about her; Harriet Hilton and my mother never exchanged visits that I know of; I have been at her place within five years; I own a piece of property next door; she has three children; I do not know whether they are called Burt or not—it is rumored they are; it is rumored that they are relatives; I do not know whether they are or not; do not think any of the family look upon Harriet Hilton as my father's second wife; some think she is not; she is not reputed in my father's family; as far as I know, to be his second wife, was a night watchman when my father went away on a mission; before he went away he asked me to give her \$15 a month out of my wages; I did so, giving the money to my mother sometimes; sometimes he boy would call for it; these payments continued about two years; he has been home from his mission about a year.

The court then adjourned to 10 a.m. today.

Miss Agnes J. Burt was the first witness this morning, and testified—I am a daughter of the defendant and Agnes Burt; I guess she is his first wife; my father makes his home at mother's; during the past three years he has been away considerable of the time—has been to Europe; do not know how much; the three years he has been home; he was in Scotland about a year; I can't give the date of his return; it was about a year ago; I have four brothers and four sisters; have three half-brothers, Harriet Hilton's children; they are recognized as my father's children; I do not know whether Harriet Hilton went away; she never went by the name of Burt; I do not know what the report is regarding her; I have never seen her; do not remember having seen my father there; may have done so, but cannot say; I never saw Harriet at mother's house.

Miss Harriet E. Burt testified—I am the defendant's daughter; my mother's name is Agnes; there are three children in the family; have no half brothers that I know of; know Harriet Hilton; was at her house once, about five years ago; saw her there, and three little boys; I don't know whether they are my half-brothers or not; never heard them called Burt; their mother was always called Harriet Hilton; I don't know when she went away; have not seen her for about five years; never bothered myself about who her husband was; my father has been home from Scotland some time; I do not live home now.

Mrs. Annie Thomas testified—I live in the Fourteenth Ward; am acquainted with Alex. Burt; his wife Agnes; know some of the children; never saw Harriet Hilton; have heard that she was defendant's wife; have heard when I was a child that of another wife when I have been working with her in the laundry.

To Mr. Rawlins—I talked with one of Mr. Burt's daughters last Wednesday; it was said that he was arrested on the charge of having a second wife.

Mrs. Catherine M. Anderson testified—I live in the 6th ward, next door to the defendant; know some of the neighbors; I have seen Harriet Hilton, but not for several years; do not know the report as to her relations to Mr. Burt; I might have heard that such was the case; do not know whether Harriet Hilton had any children, but I think so; do not know where she is now, nor when she left; I saw her about two years ago; do not know that she lived there up to that time; my father told me that he had heard that Harriet was in bed; I heard she was dangerously ill; she had given birth to a child; I saw her a few days; I don't know how many children she has—three or four; she has borne the name of Burt and is reputed to be the defendant's plural wife; her family look upon her as such.

This closed the evidence and the case was submitted without argument.

The court charged the jury that if they believed the defendant associated with two wives between Feb. 5, 1885, and Dec. 4, 1887, they should find him guilty; the fact that Harriet Hilton gave birth to a child was not sufficient to convict the defendant; to be the result of the cohabitation; the fact that she was reputed to be the defendant's plural wife and that she lived with him was not sufficient to convict, unless it was shown that the defendant actually lived and cohabited with the second wife; it was necessary to prove that he associated with the plural wife a portion of the time named in the indictment, in order to find a verdict of guilty; if this was not shown, the verdict should be not guilty.

The jury retired at 11:45, and the court waited half an hour for a verdict. As no agreement had been reached then, recess was taken to 2:30 p.m., when the jury returned a verdict of guilty. Sentence was set for Monday, March 26th.

11th WARD MEETING HOUSE.

E. D. Hoge and Others Suing for the Premises.

Suit has been commenced in the Third District Court for the ground upon which is situated the new Eleventh Ward meeting house, built by the members of the Church in that ward. The plaintiffs are E. D. Hoge, James Lowe, Henry Perkins, George D. Deul and Ann E. Doull, who allege they are acting "on behalf and for the benefit of themselves and all the inhabitants of the Eleventh School District of Salt Lake City, Utah Territory."

The defendant, as set forth in the complaint, are Ebenezer N. Child, Charles H. Crow, Henry Coulam, Robert Morris, Alexander McRae and the members of the Church of Jesus Christ of Latter-day Saints residing in the Eleventh Ward of the Salt Lake State of Zion.

The complaint goes on to recite that a piece of ground in the Eleventh Ward, 10x10 rods, had been deeded to the trustees of the Eleventh School District on April 19, 1878. On the 25th of April, 1882, Wm. B. Child, Robert Morris and Henry Coulam, then the trustees for said district, deeded to the Corporation of the Church of Jesus Christ of Latter-day Saints in the Eleventh Ward, a portion of the ground, 5x10 rods.

The plaintiffs claim that the trustees held the property in trust for the residents of the school district, and had no power to dispose of it, or any portion thereof, and that the deed given to the ward is void. They allege that the ground is worth \$25,000, and ask that it be restored to the school district. On the 14th of February last, the plaintiffs made a demand on the present trustees that they commence the suit now instituted, but they declined to do so.

The attorneys for the plaintiffs are Wm. H. Dickson, Theo. Burnmaster and C. S. Varian, and they ask \$2500 for counsel fees, "and such other and further relief as to justice and equity belong, together with their costs of suit."

Amusements.

A large audience greeted the initial performance of Baird's Minstrels at the Theatre last evening, and the applause which was bestowed upon the performers, gave evidence that the company ranks among first-class minstrel shows. The singing throughout was good, that of Mr. Ellisworth Cook being especially worthy of mention.

The majority of the jokes were original. In the specialty line the well-known banjoists and dancers, the Leck Brothers, did some excellent work. The base ball scene created considerable amusement and the hand-bell ringers were well worth witnessing; as were also the clog dancers. Major Gorman handled his gun in the drill in a clever manner. Messrs. Benedict and Goodyear were very prominent features of the entertainment, and contributed much to the merriment of the audience by their humorous speeches. The closing sketch, "Sommabambule Reveries," took in a better style than the usual closing burlesques given by minstrel shows.

The last time tonight in an entire change of programme.

Miss Annie Pixley appears in the "Deacon's Daughter" on Monday and Tuesday evenings, at the Theatre.

Booth and Barrett appear at the Theatre on the evening of March 20th. The prices have been raised, and will range from \$3 to \$5 cents.

Mrs. Bredemeyer Divorced.

The divorce suit of Penelope Bredemeyer vs. Dr. Wm. G. Bredemeyer came up in the Third District Court this afternoon, Mr. Dickson appearing for the plaintiff.

Dr. Bredemeyer was brought up from the county jail, and made an incoherent speech in the court room before the case commenced. He wanted the custody of the child to be given him.

The complaint of Mrs. Bredemeyer sets forth specific acts of cruelty on the part of her husband, wherein he struck her several blows with his clenched fist, and alleged that he had on occasions threatened to kill her and the child, in one instance flourishing a razor, in another a poker, and in others a pistol. She says that during the past two years she lived in daily fear of her life, which has been rendered unbearable by her husband.

Mrs. Bredemeyer was sworn and testified that she was married to the defendant in this city, Jan. 13, 1885; their son was born March 3, 1886. The acts of cruelty began about eight months after marriage. She detailed at length the circumstances of the case with the various domestic broils which followed up to January 14, 1888. The evidence raised a strong presumption of the doctor's insanity. Replying to Dr. Bredemeyer's questions, Mrs. Bredemeyer said she would do all she could to free him from her husband; she also said that she had not promised to re-marry him, if a divorce was granted, if he would eat his food in the county jail.

Mrs. Annie Hansen, who was employed in the Bredemeyer household, corroborated the testimony given by the plaintiff.

THE D. A. & M. SOCIETY.

The New Building Soon to be Erected.

Just as we were going to press we learned that the Board of Directors of the D. A. & M. Society, met at the City Hall this afternoon and organized. President John R. Winder presided. Francis Armstrong was elected Vice President, Heber M. Wells Secretary, and Elias A. Smith Treasurer.

After transacting some other business, the Board and Officers visited the Tenth Ward Square in a body. After a brief inspection of the grounds they decidedly unanimously to begin work improving them forthwith, with a view of commencing the erection of the contemplated building at the earliest practicable date.

CHAMBER OF COMMERCE.

Plans for the Erection of a Mammoth Building.

At a meeting of the Chamber of Commerce last evening the following report of the committee on Chamber of Commerce building was read:

To the President and Board of Directors of the Chamber of Commerce:

GENTLEMEN—Your committee appointed January 12th, 1888, to prepare a plan of or erect a building for the Chamber of Commerce building, beg leave to report as follows:

Your committee respectfully recommend the formation of an incorporation for the purchase of an entire block of land centrally located, and to place the same as per diagram herewith, joining the Chamber of Commerce building on the plot of ground 160 feet square in the center of the block.

The building will be erected on a street or court 107½ feet wide, which is connected by a narrow street, 10 feet wide, running in right angles to the present street and intersecting same at the center of the block on each of the four sides. The lot proposed is 160 feet square, and is situated on the corner of the block on the present street, and also on the Chamber of Commerce Square.

All of the buildings fronting on the exterior of the block have access to the Chamber of Commerce Square, which is a more valuable location than that of the present Chamber of Commerce building.

The frontage of our present city blocks, making no account of the streets, is 260 feet to reach the interior of same is (600x5) 260 feet.

The frontage of the block as per diagram herewith is 408 feet, making an increased frontage of 168 feet.

The diagram shows a plan of all streets, front and rear, including the Chamber of Commerce, has twenty-four well lighted business corners. Twenty corners more than at present, and all of the new corners are preferable to the present corners of the block.

Your committee are unanimously of the opinion that the cost of the block of land, for the reason that it is increased value, if located within two blocks of Main Street, with the Chamber of Commerce located in the center, and having exterior frontage of 408 feet on each of the four sides, will approximate half a million of dollars. That on which ever block this building is erected and these plans executed, there will be the center of the city. The building, located on the exterior of the block can be erected more economically than on any other plan, and in the center, having exterior frontage of 408 feet on each of the four sides, will approximate half a million of dollars.

It will be observed that the four avenues leading to the Chamber of Commerce Square from our present street system, are each 64 feet wide, which is a great width that that of the business streets of San Francisco.

They would also recommend that the buildings on the exterior of the block, surrounding the Chamber of Commerce, be built in four sections as per diagram herewith, a two-story building, a Federal Court House with necessary vaults for the security of county records, a fire proof building for a post office, commodious quarters for an assay office which must be shortly established together with the other Federal offices situated in this city, the most of which would be secured by furnishing ample accommodations at a fair rental, would more than suffice to make one of the finest blocks of the city.

The second section could be used for hotel purposes and the third and fourth for mercantile purposes throughout. The advantage and lighting such a system of buildings, are too manifest to require explanation.

Respectfully,
G. F. CRIMM, Chairman,
E. D. DICKSON,
J. E. HALL,
H. J. GRANT,
HARVEY D. WOODWARD.

The committee asked for and were granted (1) Monday evening to complete their labors.

In regard to the proposed government buildings in this city, Gov. West and R. N. Baskin were selected to cooperate with Hon. John T. Caine in presenting the matter to Congress.

The next meeting of the chamber will be held on Monday evening.

Burglar Sentenced.

The trial of Joseph Watson, for burglarizing a saloon in Park City, resulted in a conviction last evening. This morning Watson was called for sentence, and the judge ordered that he be imprisoned in the penitentiary for one year.

No Reporter.

No stenographic reports are taken now of United States cases tried in the Third District Court. The cause of this is that the United States Attorney will not pay for the work done for the United States, and as the reporter will not labor for nothing, the work remains undone. There is now no official court reporter except in Territorial cases.

Conference Theatricals.

The Home Dramatic Club, whose performances have pleased so many, both in town and country alike, have again spoken in the court room before the case commenced. He wanted the custody of the child to be given him.

Various Types of Gossamer.

The most dangerous type of gossamer is the woman who has won a reputation in her profession. Her notoriety is the result of her love and respect for her husband. We speak cautiously and listen indifferently, and in only able to injure where she is not known.
