## "KEEP MONEY AT HOME"

BY INSURING IN THE

# HOME

IS YOUR HOME INSURED? If not, why not? The Home Fire is a successful Utah institution and will give you safe protection to the amount of \$1,000, for about ONE CENT A DAY. Now is the danger time. "Insure today; tomorrow may be too late."

# FIRE

# OF UTAH

FIRE INSURANCE IS A GOOD INVESTMENT. The fact that all business men insure, and that all investment companies require insurance on property taken as security for loans, suggests that every prudent man should be protected against fire. If it is a good protection for a business man it is good for the owner of a home.
