Ogden, Utah, Sept. 2.—A meeting of the board of education was held last evening.

A telegram was read from Miss Elizabeth Orth, primary supervisor of the city public schools, asking for an increase in salary. The request was denied, and the board decided to discontinue her services. The clerk was instructed to notify her of the action of the board, which will be forwarded to her at Portland, where she has been employed at the Utah building since the opening of the fair. The action of the board will no doubt come as a great surprise to Miss Orth, who has been a very capable supervisor.

Miss Jessie Seaman and Miss Kyle were employed as teachers. Mr. Freeman and Mrs. Schenck were asked to resign from their contracts. The board did not act on their request. The final payment of \$700 was ordered drawn in favor of the contractors, with the addition to the Five Points school.

EXCURSION TO MIDLAKE.

All Preparations Complete for Weber Club's Gala Day.

All arrangements for the Weber club's excursion to Midlake over the Ogden-Luettich cut-off next Monday, Sept. 5, have been completed. The affair promises to be one of the greatest successes of the season. Great interest has been taken by the citizens of Ogden and vicinity in the trip, and every indication is that at least 2,000 people will join in the day's festivities. In the western part of the county around West Weber and Plain City there are about 200 acres of land. The club members have worked hard in advertising the excursion, that the people of Ogden may have an opportunity to see the great stretch of trees over the lake, one of the greatest pieces of railroad engineering ever done in the United States. The further purpose of the excursion is that the club may raise a little money with which to advertise Ogden. The railroad fare for the round trip will be \$1. Trains will leave Ogden at 9 a. m. and 11:35 a. m. and 4:30 p. m., and returning will arrive in Ogden at 11:50 a. m., 3:50 p. m., 6 p. m. and 8:10 p. m.

On Monday an interesting and exciting feature of the day will be the courseing event between D. A. Smyth's greyhounds and three wild coyotes, also a prize fight between two prize fighters. A wager of \$10 that his hounds will capture all of the coyotes and rabbits. This will take place soon after the arrival of the 6 o'clock train.

The committee in charge have arranged for bathing in the lake, large tents have been pitched which will be used by bathers as dressing rooms. A large number of chairs have been secured. Kennedy's restaurant will have charge of the lunch room and will charge Ogden prices. There will also be plenty of soft drinks and refreshments. A gasoline launch will make trips every 30 minutes. There will be plenty of other amusements, so that all who go are assured of a most enjoyable day.
