QUERRILLA WAR IN PHILIPPINES.

Will Probably Take Several Years to Suppress It.

RETURN OF VOLUNTEERS.

Filipinos May Regard It as an Abandonment of the Islands-Results of Last Week's Scouting.

New York, Nov. 12,-A special to the Herald from Washington says:

The high officials of the war department believe the election in the United States will have a good effect in the Philippines and will lead the more sensible Filipinos to abandon the insurrec-

At the same time the officers look forward to a long period of guerrilla warfare. It is realized that the independent, irresponsible life of the milltary free-booter has many attractions the many of the Filipinos, who ald rather extort tribute at the muz-of their rifles than work for their even if the insurgents should prived of the leadership of Aguinadd and of many of the other more in-fluential among them, it will probably take several years and a considerable rce to eradicate all the wan-

Last week's scouting resulted in several minor engagements with what the official reports described as "small cosmolities," namely, four Americans killed and ten wounded.

CONCERNING WEST POINTERS. Gen. Corbin Wants Them Put on a

Level With Enlisted Men. New York, Nov. 12 .- Adjutant General Corbin, according to a Tribune special from Washington, has started a movement to induce Congress to re-move from the statute books a law that makes an miust discrimination agains West Pointers in the army. It is almost inexplicable, the adjutant says, that such egislation should ever have been enacted or have remained in force twelve years as that which favors the promotion of enlisted men to commissions above the young men specially educated a government expense to fill

In his current annual report General Corbin devotes considerable space to the act of lune 18, 1878, which provided for the proposion to the grade of commanding officer of meritous non-commissioned efficers who shall be found morally intellectually and physically qualified for promotion, and the act of uly 30, 182, which extends to all unmarried soldiers under thirty years and possessing the requisite qualifications the privilege of competing at prescribed

That the hw operated well in attracting to the ranks a superior class of inby the yearly increasing number who obtained admission into the command branch of the army. There were six in 1833, and sixty-eight in 1900. These were compelled to serve in the and calling attention to this fact, Gen-

eral Corbin says: "Experience has shown that two years is too brief a period in which en-listed men can fit themselves for the important duties of command officers. this tittle iss than a travesty to say that a man an qualify as an officer by serving as an enlisted man in one half the time recuired for a cadet to complete his coarse at West Point. It is recommended that the law be amended to read our years instead of two.

This will pit appointments from the ranks and military academy on the same footing."

More Officials Executed.

Pekin, Nov. 10,-A profound impressien was produced upon the natives at pao Ting Fi by the execution there of the three officials. Tien Tun provincial treasurer, teneral Wel Shung Kong and Colonel Klu, who were condemned among those responsible for the mas-

were beheaded and their heads were exposed on poles for a day before

It is probable, despite discrepancies, has been been considered that the foregoing officials are identical with those referred to in a dispatch to the Associated Press from Tien Tsin dated Nov. , which said: "Ting Yung, acting viecoy of Chi Li, the Tartar general Qwd Heng, and Colonel Wang Chau Me wee shot at Pao Ting Fu by order of the court martial."

CROWNINSHIELD'S REPORT. Says Present Personnel of Navy is

To ally Inadequate. Washington, Nov. 11.-The startling statement ismade in the report of Ad-miral Crownnshield, chief of the navigation bareau, that the present per-sonnel of the navy would form barely one-fourth of the total establishment becausely to fight a first-class Eurobean power. It barely sufficed for the Spanish warand no longer can be conthe eport says, as an effective about which a lager estab-

lishment could be formed in case of The admir.i regards this need of the of a few undisciplined men.

A LAW UNTO HIMSELF. Every Man Must be That, to Retain Ilis

etarians who appear healthy and vigor-ous and meat eaters equally so, and any

ous and meat eaters equally so, and any number of robust specimens who eat both meat and vegetables and anything else that comes their way all goes to show that the old saw is the true one, that every man must be a law to him-self as to what he shall eat and drink. To repair the waste of tissue in brain workers as well as to replace the muscle and alway of the laborer, can only be

Stuart's Dyspepsia Tablets is probably the safest, most popular and suc-cessful digestive on the market and sold by druggists everywhere in the United

Health and Digestion. There are thousands of people in this ANNEXATION. There are thousands of people in this world who eat no meat from one year's end to another, and certain savage tribes in Africa and Polynasia are almost exclusively meat caters; but while there are thousands of these, there are millions who live upon a mixed diet of meat, vegetables and grains and if numbers is a criterion it would seem that a mixed diet is the best for the human family.

The fact that you will find many vegetarians who appear healthy and vigor-

General Linevitch Did Not Inform Consuls.

STORY WITHOUT FOUNDATION

Czar Has No intention of Taking Territory-He is Not at War With Chinac

New York, Nov. 12.-The Yalta, Russia, correspondent of the Herald cables that he has been authorized to state that the story of General Linevitch having notified the consuls at Tien Tsin of the annexation of land opposite the British and German concessions is false. It is added that Russia is not at war with China, and that there can be no question of annexing territory, which is against all Russia's ideas.

On the subject of califonds, the Her-

ald's correspondent's authority says: Cathartic pills and laxative medicines have no affect whatever in digesting food and to call such remedies a cure for dyspepsia is far fetched and absurd. Stuart's Dyspepsia Tablets contain pepsin free from animal matter, diastase and other digestives, and not only digest all wholesome food but tend to increase the flow of gastric juices and by giving the weak stomach a much "It is true that certain roads had been damaged and that the Russians repaired and held them until a staterepaired and held them until a stateonent of expenses or repairing indibeen made up. That is quite fair, but
a big fuss is made by the English, who,
it is said, took so constitutions a part in
the louting and hiding a public sale
in the British embassy. All the reports received here point to the conduct of the fluxman treaty having been needed rest bring about a healthy con-dition of the digestive organs and a normal appetite.

Nervous, thin blooded, run-down peo-ple should bear in mind, that drugs and stimulants cannot furnish good blood, strong muscles and steady nerves; these come only from wholesome food, thoroughly digested; a fifty cent box of Stuart's Tablets taken after meals for a few weeks will do you more real good xemplary in every way.

THE POPE AND ELECTIONS. Prays God President May Avoid Dangers of Imperialism.

New York, Nev, 12 .- A dispatch to the The pope in receiving Bishop James Trobec, of St. Cloud, Minn., took occa-sion to express the most cordial senti-ments reposition. World from Rome says: nents regarding Archbishop Ireland in particular and Americans in gen-eral. Refering to the recent elec-tions in the United States the pontiff gald: "I pray God to so illuminate President McKinley's mind that he may avoid the dangers of imperialism."

INCREASE OF THE ARMY. Senator Proctor Thinks it Will be

Raised to 60,000 Regular. Washington, Nav. 11 .- Senator Procpartment is short of officers and the service, the report predicts, soon will fall behind in the struggle; first, for leadership, and then for quality, with the other services. The disability of the sea-going corps of officers has greatly increased since the Spanish war, and many of the best officers are being lost as a result of breaking down from overwork. tor of the Senate committee on mili-tary affairs and Adjutant General Cor-bin held an informal conference with the President yesterday relative to legwith the proposed increase of the regu-

'Under the existing law," said Senator P sctor, at the conclusion of the conference, "the present strength of the army, 65,000 regulars and 35,000 volunsession to meet immediate needs for of-fleers by authorizing the employment of retired officers, and he demands the im-mediate repeal of that act. He claims that the retired list, intended as the re-ward for faithful service, otherwise be-comes a hardship and a punishment. teers will be reduced on the first day of next July to 27,000 regulars. This is an absurdly small number and Congress will be asked by the President to reorganize the army upon a larger basis. It will be impossible to keep any troops in the Philippines unless the army is increased, to say nothing of the garrisone of the forts in this country.
"My judgment is that Congress w President to raise the total to 100,000 if neen years, has provided in the senate program for increasing the personnel by eighty-nine officers and 1,687 men e finds the larger number necessary. I have no doubt that this legislation

will be enacted at the coming session, Jennie Bosschieter's Murderer.

New York, Nov. 12.-Walter C. Mc-Alister, indicted at Paterson for the nurder of Jennic Bosschleter, has been isited by his father, James McAlister, visited by his father, James McAlister, in the jail, and as a result of a long conference, the father says he is prepared to spend his last dollar if necessary in defense of his son. It is likely that insanity will be the plea, as it is alleged that some years ago Walter suffered impairment of the reasoning faculties. He was treated by an expert in New York. An effort will be made to have this expert attend the The training system, as now practiced in the navy, is commended, and it is declared that by no other means could the navy secure the sallors necessary to man the fleet. Since the close of the Spanish war the department has found that the resources heretofore depended on to furnish seamen for the navy no longer adequate.

Only 237 seamen have enlisted for the first enlistment in the past year, so the nade to have this expert attend the

A reporter who gave the name of Thompson succeeded in having him-self sentenced to a term of ten days in Paterson jail, his object being to oin the prisoners and secure a "beat" or his paper. He did not learn until be got into a cell that prisoners under contence have no apportunity to minsentence have no opportunity to min-zle with those awaiting trial. After serving three days in jail, he managed to get released, and left for New York.

Says the Times in a special from

The talk about the immediate disrup.

The tank about the immediate disruption of the cabinet is without foundation. The cabinet will stand by the President until his next inauguration. Those members who are anxious to retire will have their chance then.

Nevertheless there will be changes on

March 4th, though the President would be satisfied if there were not. Many of the members of the present cabinet are anxious to return to private life.

The most conspicuous example is At-forney General Griggs, who makes a considerable sacrifice by remaining. Postmaster General Smith accepted his

lace solely because the President

great liking for the office, though he has studied its duries and discharged them conscientiously. Mr. Smith would

like to leave the postoffice department, but it is probable that he will be trans-

ferred to some other office so that Mr. McKinley may still have him in the

eabinet. Secretaries Gage and Long | will leave on Friday next.

Washington:

as Col. Hay will be at London.

past fiscal year. The enlistments number \$,123 from a total number of applicants of 40,854. Over 68 per cent of the men in the navy are native born, 19 per cent are naturalized and 3 per cent have declared intentions. Ninety-two per cent of the landsmen now under training are native born.

It is also strongly urged that the two years' supplemental course at sea shall CABINET CHANGES LIKELY. President Intends that Secretary Hay Shall Return to the Court of St. James.

years' supplemental course at sea shall be abandoned. Finally strong commendation is given to the superintendent's recommendation that age limit for cadets upon admission shall be between the ages of 15 and 18, and that the course at the academy shall be four years.

The admiral makes a strong point in his report of the necessity of navai ent receiving ships which he says are nothing more nor less than poorly con-structed, ill-ventilated, badly. lighted unsanitary eating houses. Congress is urged to authorize an expenditure of \$500,000 for seamen's quarters at New York and at League Island, \$100,000 to be made immediately available.

Government of Manchuria.

London. Nov. 12.-Dr. Morrison, wiring to the Times from Pekin Saturday,

"Li Hung Chang has not yet replied to Admiral Alexieff's invitation to re-sume the government of Manchuria under Russian protection. Russia will require the names of all officials to be submitted to her for approval. Her proposals are tantamount to military occupation, and every Chinaman realizes that Manchuria is lost to China.

izes that Manchuria is lost to China.

"Increasing alarm is felt here at the spread of the insurrection in the southern provinces. No surprise will be caused if Japan intervenes. The trade and financial outlook is very gloomy."

"All the Russian troops here," says a dispatch to the Times from Tien Tsin, dated Nov. 9, "are being withdrawn."

DON CARLOS TALKS.

He Declares that He Will Never Abandon His Rights.

Madrid, Nov. 11,-The Madrid papers publish a letter from Don Carlos, ad-fressed to the Carlist general Moore, in which the pretender protests against the present movement as "contrary to instructions," and characterizes the nuthors of the rising as "men without

"I shall never abanden my rights," says Den Carlos, "But at the same time I do not wish to ruin Spain. I cannot forget the danger to the integrity of her territory from prolonged insurrection, because it would excite the ambitions of powers which are attentively following events in Spain. The Catalonia move-ment is veritable treason on the part

have often been spoken of as anxious to retire. This leads to confident state-ments that they will not be in the next cabinet. There is no certainty of that, however. The President has already in-duced Mr. Long to remain in the cabi-net against his wish, and may do so

again.

At one time it was reported that Secretary Hay would not stay in the cabinet through another administration. Lately, however, and especially since the country learned to appreciate Mr. Hay's work in the department there has been no indication that he would retire.

Secretary Root will almost certainly

Secretary Reot will almost certainly be in the next cabinet. There is no man upon whom the President more thoroughly relies. He will continue to he secretary of war unless Mr. Hay retires, in which case Mr. Root probably will take the state department.

Secretary Wilson will also remain in the cabinet, unless all signs fail. Nothing is known about the intention of Secretary Hitchcock.

To Try Negro Soldiers.

POWERFUL NAVAL GUNS. They Can Penetrate 20.4 Inches of Krupp Steel.

New York, Nov. 12.-Two naval guns, calibers in the world, will be tested this week at the Indian Head proving grounds, says a Washington dispatch o the Herald. One of these weapons is twelve inches and the other six inches in caliber. They are intended for the monitors of the Arkansas class, and the tested cruisers under construction and

Both guns were built in the naval gun factory in the Washington navy yard, under plans passed on by Rear Admiral O'Neil, chief of the bureau of ordnance. The approximate amount of smoke-less powder required for each charge of the 12-inch gun is 400 pounds. The pro-jectile weighs 850 pounds. Rear Ad-miral O'Nell estimates that the muzzle velocity will reach, if it does not ex-ceed, 2,800 feet a second, and the ener-gy is estimated at 46,442 foot tons. A ell fired by this gun will perforat 23.5 inches of harveyized steel, and 20.4 inches of Krupp steel. By using capped

ojectiles a still greater thickness of Krupp armor can be perforated.

The latest 12-inch gun built abroad has only produced a maximum velocity of 2,600 feet a second at its muzzle. The 13-inch gun now on board the Oregon and other battleships of her class has a maximum velocity of 2,300 feet a second

with smokeless powder. Rear Admiral Bradford, chief of the oureau of equipment, will estimate I als forthcoming annual report for \$800. 00 for the construction of new c stations. He has awarded a New York firm a contract for construction of a coaling station at Frenchmen's Bay Matrie. This station will accommodate 12,000 tens of coal. He has concluded negotiations for the purchase of a site for a coaling station on Narraganset Bay, obtaining a tract of 148 acres, pos-sessing a water front of three-quarter Choate May Become Secretary of State of a mile.
