SOLONS AFTER R. G. W. SHOPS.

Council Adopts Resolution to Unite With Weber Club to Secure Them.

COURT DECIDES DEMURRERS.

Weber County Affairs—New Superintendent of Infirmary—Attempt to Burn C. A. Bybee Home.

Ogden, Dec. 27.—At its meeting last night the city council adopted a resolution pledging that body to do all in its power to secure the new shops for Ogden, and that it will combine its efforts with those of the Weber club looking toward this end.

Mayor Glasman vetoed that part of the salary ordinance granting an increase to the janitor of the city hall in the sum of \$20 per month. Immediately after the mayor's veto had been read a committee was appointed to confer with the mayor in an effort to adjust the matter. The committee waited on the mayor during the session and reported that he had refused to reconsider his action. An amendment was then adopted increasing the salary \$10 instead of \$20. A second amendment to make the increase the same as was vetoed by the mayor was voted down. Then a resolution was adopted providing that each councilman would receive \$31.18 per day salary at the rate of \$3 per day for work on the board of equalization during 1936.

Final estimates for curbing and gutting during 1935 due to John P. O'Neill were allowed, as were also the final estimates for the building of sidewalks during the year in favor of Wheelwright Bros. The council adjourned to meet again Thursday evening, when the retiring council will wind up the work for the year.

JUDGE HOWELL'S DECISIONS.

On Demurrers in Libel Damage Suits Against Wm. Glasman.

Ogden, Dec. 27.—Judge Howell rendered a number of decisions of cases which he had taken under advisement.

In the case of Joseph Smith against C. S. Wood, William Glasman, and the Standard Publishing company, suit brought to recover damages alleged to be due for the publication of certain articles in the Ogden Standard defaming plaintiff's character. The defendants demurred to the complaint, and it was on this demurrer that the court rendered his decision, which was in part as follows:

There is nothing in the alleged publication which in any manner justifies the innuendo that the plaintiff feloniously, meaning thereby with intent to steal, took any cream from the creamery without authority, or that he aided or encouraged anyone to do so. Whatever else the publication may charge, it is well settled that if words are not actionable per se and that an innuendo is necessary to bring out the libelous meaning of such words, the plaintiff is bound by the meaning alleged in the innuendo and he cannot rely upon a different construction thereof than is set forth in the complaint. It follows, therefore, that in this case, where the words are not in themselves actionable but can only be made so by reason of the innuendo, that when, as here, the innuendo is not justified by the publication, it is immaterial that there might be another meaning given to the words in the innuendo which would make them actionable. It seems to the court, therefore, that the demurrer should be sustained.

The demurrer of William Glasman and the Standard Publishing company to the complaint of Viola Lewis, suit brought to recover damages alleged to be due for the publication of certain libelous articles concerning Miss Lewis, was overruled.

In the case of Alice Lewis Richards against Wm. Glasman et al, the defendants' demurrer to plaintiff's complaint was sustained.

plaint was overruled, and Mr. Glasman will have to file an answer to the complaint. This is another action brought for libel to recover damages for the publication of certain articles in the Standard and Examiner, defaming Mrs. Richards' good name and character, but in the action brought by T. G. Richards against the same defendants the demurrer was sustained.

INFIRMARY SUPERINTENDENT.

H. C. Hanson Succeeds Joseph A. Taylor, Resigned.

Ogden, Dec. 27.—At the meeting of the board of county commissioners held yesterday afternoon, the resignation of Joseph A. Taylor as superintendent of the infirmary was accepted and H. C. Hanson, of Plain City, was appointed superintendent and Mrs. Hanson as matron. The new appointees will assume the management of the county infirmary about January 1. Mr. and Mrs. Taylor resigned their positions over a year ago to take effect as soon as their successors could be selected, but a majority of the inmates of the institution signed a petition asking them to remain, and the commissioners persuaded them to stay a year longer, in their positions Mr. and Mrs. Taylor have performed excellent service and retired with the wishes of the inmates and county officials.

Chairman Stanford submitted a report to the board showing at the present time 22 inmates at the infirmary, 14 males and 8 females. During the past year 12 have been admitted, 3 have died and 5 have left the place of their own accord. He also reported that those at the farm were served with a bounteous Christmas dinner.

SUPPOSED WORK OF FIREBUG.

Mattress Discovered on Fire at Home of C. A. Bybee.

Ogden, Dec. 27.—What is believed to have been a deliberate attempt to burn the home of C. A. Bybee, 361 Thirtieth street, was discovered about 4:30 o'clock yesterday afternoon, when a mattress in one of the bed rooms was found to be on fire. The flames were extinguished before much damage was done. The family had been away during the day and a short time after they returned home they detected an odor of smoke. An investigation proved that it emanated from a bed room, which they had not yet entered. As there was no fire in the house during the day, it is believed that an attempt was made at incendiarism.

Veteran Pioneer of 70 Goes to a Well Earned Rest.

Special Correspondence.

Mr. Pleasant, Sanpete Co., Dec. 26.—Hans Y. Simpson died at his home on Saturday night last, after having been sick for a couple of weeks, suffering from kidney troubles. He had passed the three score and ten year milestone in life and had recently celebrated his golden wedding. He leaves a wife and seven children to mourn his departure. Elder Simpson was one of the old stand bys of the community, coming here for the cow's sake from his native country, Denmark, with his wife at an early day. He has been identified with the growth of the town since its founding. He was a true, staunch, and faithful member of the church and leaves behind him the record of a noble life, though his lot has been one of toil and hardship. The funeral was held this afternoon at the L. D. S. meetinghouse.

EVANSTON, WYO.

EPHRAIM M MINN INSADE.

Committed to Asylum—Sudden Visitation Cannot be Accounted For.

Special Correspondence.

Evanston, Wyo., Dec. 25.—Ephraim McMin, the well-to-do farmer of Randolph, Utah, who shot and seriously injured Bert Eastman, sheriff of the county in which McMin resided, and a life-long friend of McMin, has been adjudged insane and committed to the state insane asylum. McMin arose in the morning a sane man, but about 10 o'clock he went back to his home and proceeded to shoot and kill his family not to leave under pain of death. He then forced two hired men to saddle a horse for him quickly, and warning them not to pursue, started down the road, saying he would never be taken alive, evidently laboring under the delusion that someone was endeavoring to capture him. Bert Eastman, the sheriff, was called by phone, and he inquired of McMin, who told him in a pleasant manner, McMin at once ordered Eastman with his rifle and forced him and a companion to travel with him to Evanston. About four miles from Evanston Eastman jumped and ran for the protection of a wagon, but McMin was too quick for him and shot him in the shoulder. McMin then made a dash for liberty, but was afterwards captured by Sheriff James of this county.

No cause can be assigned by the physicians for McMin's strange behavior. He has for the past 15 years been one of the wealthiest and most thrifty farmers of Rich county, Utah, and as he was always very conscientious and careful to fulfill his obligations, it is hard to believe that he would have such an effect on his mind.
