CLOTHES WASHERS' UNION

Laundrymen Will Discuss Organizing At a Meeting Tonight.

The employes of the Taylor Stean Laundry on Commercial avenue, will decide at a meeting to be held this evening, whether to organize a union. They have been urged to do this by the organizers of the Utah Federation of Labor, and it is expected that if a laundry union is formed, there will presently follow a demand for an in Grease of wages. The management o the Taylor laundry does not object in infonism, but states that there unfonism, but states that there is no trouble whatever with the help. In the matter of wages, these run from to \$12 and \$15 per week, and there is no dissutisfaction. It is claimed by some laundry workers that the scale of wages here is lower than what ob-tains in the east. CATTLEMEN AND SHEEPMEN. Bitter Feeling Exists Between

Them in Lake County, Oregon.

Portland, Or., June 13.—The Oregon-ian prints today an account of the bit-ter feeling existing between the cattle-men and sheepmen of Lake county, Or., which, during the past spring, has rewhich, during the past spring, has re-sulted in the slaughter of 3,000 sheep and perhaps the killing of one man. Ac-cording to the Oregonian's informant, the trouble has been caused by roving sheep drovers persisting in appropriat-ing every unfenced piece of land in the district. This says the paper is district. This, says the paper, is re-sented by the cattlemen, who claim that district sented by the calthemen, who claim that the sheep ruin the grazing lands, and who say they do not propose to be run out of house and home by the sheep-men. The article states that recently the sale of rifles, revolvers and am-munition has been so extensive that at the present time every control and the present time every cowboy and sheepman in the county is armed to the teeth

GEN. BELL TALKS.

Explains and Defends His Action In Deporting Miners.

Cripple Creek, Colo., June 13.-Gen, Bells has given out a statement con-crising his action in deporting strikers and the causes leading up to the same. He attributes the recent troubles grow-ng out of the miners' strike and the strike itself, to the Socialist element n the Western Federation of Miners n the Western Federation of Minera who, he says, captured the organization who years ago. He declares that the federation has made unionism a sec-ondary consideration, and that the or-gunization, root and branch, is being unde a vehicle for the promotion of Socialism. The leaders, he asserts, being the designed to cause "week and ve not hesitated to cause "weak and ling members to commit any crime sirike terror to property owners workingmen who refuse to abide ir dictates."

The murder of non-union men by howing up the Independence station, he charges was "perpetrated with the aid and advice of federation leaders and by men in their employ." The only hope for peace and security

of life and property was "to extermin-ate the federation from the camp." As the head of the state militia "re-
