

NEAR CHAMPION BEAT HIS OLD PAL

Al Kaufman Handed a Dream
Tablet to Sam
Berger.

FIGHT LASTED TEN ROUNDS.

"Red Sam" Was Reeling Around the
Ring When His Seconds Threw
Up the Sponge.

San Francisco, Oct. 31.—Al Kaufman gave Sam Berger an awful beating to-night and Berger was practically out in six seconds threw up the sponge in the tenth round. Only once did Berger seem to have a chance. This was in the third round. At the opening of the round he dropped Kaufman with a right to the jaw. Kaufman stayed down nine seconds, but Berger floored him again with a left to the same place. Again Kaufman took the count for nine seconds and then got up again. In a clinch Berger threw him to the floor again, but Kaufman came up strong and fought back hard.

In the second round Kaufman landed with his right on Berger's jaw and with his left on Berger's nose, but Berger came up strong and fought back hard. In the third round Kaufman fought with his right on Berger's jaw and with his left on Berger's nose, but Berger came up strong and fought back hard.

FOUGHT IN CLOSE.

After the third round Kaufman fought in close and did some work with his right and left uppercuts that Berger could not evade. In the last round Kaufman was steadily weaker. He was pushed back and his blows lacked steam. Kaufman was boxing and uppercutting in the clinches. In the fifth round Berger was the aggressor. He got up to the ring and fought back hard. Kaufman slugged him all through the rest of the round.

THE FATAL TENTH.

When the tenth round opened Kaufman went at his man and very soon Berger was in a state of helplessness. He could not hold up his hands or head and was from the first about to be knocked out. When his seconds threw up the sponge.

FAST FOR HEAVIES.

For a heavyweight fight it was a very fast affair. Both men weighed in late this afternoon and Berger weighed the beam at about 170 pounds. Kaufman weighed about 160 pounds. Tonight the betting varied from odds to 10 to 1 to 10 to 1 in favor of Berger. The fight was a fast one. Berger had for seconds Jimmy Britt, Jack Gleason, Martin Murphy and Louis Williams. Kaufman was looked after by Sam Delaney, his manager and trainer, by Thomas, Harry Foley and Jack Sullivan.

SUTTON BEATS SCHAEFFER.

Baltimore, Oct. 31.—George Sutton tonight defeated Jake Schaeffer at billiards, 35 to 30 points, running out in his thirty-third inning. Schaeffer's score was 429. The latter's 2 in his seventh inning was the high run of the evening. In his thirty-second Sutton ran ten and missed the shot that would have made his score 500. Schaeffer, whose score was 425, was unable to score more than 11 toward closing the gap, however.

PACIFIC COAST LEAGUE.

Los Angeles, Oct. 31.—Through failure to hit Vickers consecutively and because of fast fielding, the locals were defeated by Seattle today.

THE GREAT DIFFERENCE IN LIFE INSURANCE COMPANIES

is not revealed by their names nor their claims. The day before the San Francisco disaster, all Fire Insurance Companies seemed alike to the thoughtless; there was a great difference nevertheless, and when the test came, some quibbled, some defaulted, while others drew on the reserve funds which they had ready for such a contingency, paid the large amounts due, and went right on.

The Mutual Life Insurance Company

is the strongest and staunchest Life Insurance Company in the world. Read these figures as to the Mutual reserve.

At the close of 1905, the Mortgage Loans amounted to \$109,771,163.16, on which more than four and one-half millions have been received in interest during the year, and less than fifteen thousand dollars of interest was overdue at its close. Most of this trifling amount was paid in within a few days. The sum of \$23,195,278.44 was loaned on the Company's policies, and \$18,195,000.00 was loaned on other collateral, no interest whatever being overdue on either item. Bonds and Stocks costing \$239,956,702.05 and having a market value on December 31, 1905, of \$265,301,567.38 were held by the Company, and on this enormous amount not one dollar of interest was overdue and unpaid, and but one stock failed to pay a good dividend in 1905, this stock being that of a new company, subsequently sold at a profit over cost. When it is borne in mind that no such aggregation of purely investment securities has ever been brought together elsewhere, the absolutely clean and indeed perfect quality of these immense investments excites praise and wonder, felt and expressed most strongly by those who know most as financiers of the dangers and pitfalls attending the care of large investments. This remarkable showing also appeals to the plain people whose money comes slowly, who value safety and who understand that security like the above makes "insurance" insurance indeed.

STRAIN TOO GREAT. "BAD EYE" COON IN TOILS AGAIN

Hundreds of Salt Lake City People
Find Daily Toil a Burden.

The hustle and worry of business men. The hard work and stooping of workmen. The woman's household cares. Are too great a strain on the kidneys. Backache, headache, dizziness, kidney troubles, urinary troubles follow.

A Salt Lake City citizen tells you how to cure them all. Mrs. Phillip Booth, of 375 West First South St., Salt Lake City, Utah, says: "Kidney trouble bothered me severely for a long time. There was acute lameness and soreness in the back and over the kidneys. I had little rest day or night. I could not lie in bed without constantly changing positions and then I got little rest for sharp twinges caught me whenever I tried to move. Doan's Kidney Pills, procured at the P. J. Hill Drug Co.'s store, went right to the cause of the trouble from the start and in a short time I was able to rest at night with comfort. Continuing the treatment I found relief from every symptom of kidney trouble and all pains and aches entirely disappeared. I believe Doan's Kidney Pills the greatest kidney remedy in the world."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

every hunter with a card at any of the clubs is figuring on an outing for the week's end.

Another item besides duck shooting is now filling up the time in the club-houses, both at the mouth of the Jordan and out on the Bear river. It is getting better. The big honkers have lately begun to drift down from the north, and the gunners are planning to get the limit before the flight is over. Cal Challen returned yesterday from Bear river bringing a report of a kill in game amounting to the limit each day for three consecutive days.

BERNSTEIN MATCHED.

As a preliminary to the Hyland-Thompson match, Kid Bernstein has been matched with Kid Saunders, colored. Bernstein is from Chicago, and at Lagoon on Lagoon day this year, he fought four rounds with Jack Christy, being all but out at the end of them.

WANTS BRITT.

In case Hyland wins from Thompson at Ogden on Nov. 15, he will try to take on Jimmy Britt at San Francisco for December. Thompson is due here this evening from Los Angeles.

PRACTISE GAME.

Varsity Eleven Lines up With Soldiers at Cummings Field.

A practice football game was played yesterday afternoon at Cummings field, and the soldiers were found to be fairly strong on offense, as well as defense. The varsity was punctured freely in the line and twice long runs were made. McKenna and Russell held down the Utah back position, and played a fairly fast game, although Russell did not get into the plays as fully as he should have. The lineup of the teams follows:

ALWAYS WAS SICK.

When a man says he always was sick-troubled with a cough that lasted all winter—what would you think if he should say—the new cure for both the cough and the cold is now on hand. Such a man exists. Mr. J. C. Clark, Denver, Colorado, writes: "For years I was troubled with a severe cough that would last all winter. This cough left me in a miserable condition. I tried Ballard's Horehound Syrup and have not had a sick day since. That's what it did for me." Sold by Z. C. M. I. Drug Dept., 112 and 114 South Main Street.

Rank in England.

They had been talking about the Marquis Townshend. "I didn't know marquis ranked so high," said a girl in white. "Dear me," said an Englishman, "didn't you? Why, a marquis ranks next to a duke." He passed to sip his tea and take a fole grass sandwich. "Marqueses not marquis," he went on, "is the more accurate use of the word. It is so spelt and pronounced in Burke. Shall I tell you the degrees of the English aristocracy? The knowledge may be useful to you when you come to contract an international alliance, eh?" "After royalty comes dukes. The premier duke is Norfolk, the fifteenth of his line. After dukes come marquises. After marquises come earls. After earls comes viscounts. After viscounts comes barons. After barons comes baronets. After baronets come knights. "This, then, is the order: Duke, marquis, earl, viscount, baron, baronet, knight. don't mention lords. A lord is an earl—the Earl of Craven, for instance, is as often called Lord Craven—or else the title is only the courtesy title accorded to the younger sons of dukes—as Lord Randolph Churchill, second son of the Duke of Marlborough."

Couldn't Keep Out of Trouble
Even When He Was Acting
As a Trusty.

MISHAP TO A BRAKEMAN.

It Came in the Form of an Apple
Thrown by a Passenger Who Was
Riding on a Spurious Ticket.

John Jackson, commonly known as "Bad Eye," was before Judge C. B. Diehl, in the criminal division of the city court, this morning, was convicted of petty larceny and was sentenced to serve 20 days in the city jail. Johnson was recently sentenced to 75 days for larceny, and had yet 28 days to serve, when he got into trouble again yesterday. While acting as trusty, he left the prison premises and went to the room of another colored man, named Walter Smith, and carried away a pair of pants, in the pockets of which was \$9. He will commence the 28 days term when the first sentence has expired.

George Walker hit an O. S. L. brakeman with an apple, and for the offense he was today fined \$10. Walker claimed to have an employment agency's ticket to a point in Idaho, but when he boarded the train the ticket was declared to be of no value, and upon his refusal to get off the train, he was put off. It was then that he threw the apple, which hit the brakeman in the face and the arrest and conviction followed.

Toy Smith, a colored man who has been in the police court about as often as has "Bad Eye," faced the court today on a charge of having robbed a Japanese of \$20, after having struck the man from the orient. An interpreter had to be employed by the court and the hearing was a very tedious one.

Immense Size of Mexican Ranches.

Ranches in Mexico are on no mean size. Ex-Gov. Terrazas of Chihuahua, has 17,000,000 acres. The Zuloaga family is said to hold 5,000,000. Properties of 1,000,000 and 2,000,000 acres are not uncommon. Among the Americans who have large ranches may be mentioned Fleming & Ross, the Riverside Cattle company, with headquarters in California, who has a magnificent place west of Minaca; the Millers and the three Mormon colonies, Gordon, Ironsides & Ferriss, a Canadian company, have 1,000,000 acres; Lord Beresford, a relative of the admiral, has a large ranch where he raises fine horses; another Englishman, named Irstead, owns a large property. Smaller places of from 50,000 acres upward are numerous. The price of land now runs from 50 to 75 cents gold per acre, with a strong tendency to rise—Modern Mexico.
