PIONEERS LAID TO REST.

Honored Veterans of Richfield Ancestral Summons—Commercial Club.

Special Correspondence.

Richfield, Sevier Co., April 11.—During the last few months Richfield has been called upon to part with an unusually large number of its good people, especially the aged. The funeral services over the remains of Niels Peter Nielsen, who passed away at his home last Sunday, were held yesterday from the family residence. The speakers were C. A. Hansen who spoke in the Danish language, N. C. Rasmussen of Salt Lake, Elder Hansen of Mantel and L. O. Hansen and Bishop Coons. All the speakers paid a tribute of love and respect to the departed. Deceased was a native of Denmark, having been born in Rørbager, Aug. 6, 1833. He embraced the Gospel in his native land and emigrated with his wife and family to Utah in 1853, locating at Richfield which has been his home ever since. Deceased was an honest, sober and industrious citizen.

As the relatives and friends returned from the cemetery to Mr. Nielsen's home they found his wife passing away. The good woman had waited constantly upon her husband during his last illness and the physical exertion and the worry incident to this labor proved too much for her constitution, she being past 73 years of age and not very strong physically.

Marianne Nielsen was born in Denmark, July 1, 1832. She was married at an early age and since that time her life and experience has been practically the same as that of her husband. She was a fond and devoted wife and lived to realize a wish that she expressed—that she might be permitted to survive her husband for the purpose of waiting on him during his last illness. The date for the funeral has not yet been fixed.

RETURNED MISSIONARY.

Elder Claud Wright returned home April 8 from the Southern States, where he has labored as a missionary in the state of Virginia for nearly 20 months, meeting with the best of success.

County sheriff with City Marshal Wright have been working quietly for some time to catch the thieves who broke into the Haymond Exchange store and Jos. Pitkin's confectionery last Sunday night, but so far have been unsuccessful. Moses Goodman, who is in a New York hospital sick, is reported improving. He is in New York studying medicine.

COMMERCIAL CLUB.

A meeting of the merchants and business men of Richfield was held at the opera house this evening. The meeting was called for the purpose of organizing a commercial club, similar to those in other towns throughout the state. The proposition met with great favor with all present. A committee was appointed to obtain copies of the by-laws and constitutions of other organizations and to arrange for a meeting to be held next Thursday evening at the opera house, for which a general invitation is extended to all the citizens of Richfield. At this meeting an outline will be laid and an organization will be effected. From all indications the movement will be enthusiastically supported by the citizens in general, and that Richfield will soon have a commercial club.

At the same meeting the merchants decided to have a regular time for closing their business houses. A motion was made that the hour for closing shall be 7 o'clock from April 1 to June 1, and 8 o'clock, except Saturdays and evenings before holidays, when the closing hour shall be 9 o'clock.
