Some Interesting Correspondence With Kearns and His Manager Mr. Lippman - Facts in the Case.

The claim that Editor Willumsen of Murray had been arrested on account of refusing to sell his paper to the American party or to other interests of Senator Kearns was not the claim of the Deseret News. The contention may be correct but the "News" won't stand for it. Nor will it be placed in the position of even making an apparent defense of a paper that published as vile matter as the Engle is accused of having sent through the mails. The whole affair is both dirty and noisome. It is for Mr. Williamsen and the men he wanted to deal with, and those with whom he is now dealing, to settle between themselves. Spitework may have figured in his arrest, and it may not. Whether it did or not it would seem that Mr. Willumsen toyed with fire early in the game, and that he later got burnt. That is, that he tried to rell both "advartising space" and "editorial influence" to Kearns, the American party or whoever would buy. In this connection the following from this morning's Tribune will be of in-

The real facts, so far as the support of the paper for the American party is concerned, will be found in the follow-ing letters, which are self-explanatory and which cover the entire correspondence relating to the matter:

EXHIBIT A.

Murray City, Utah, July 29, 1904, Hon Thomas Kearns, Senator, Salt

Lake City, Utah, Dear Sir-I have a proposition I wish to make you in view of the coming campaign. The American Eagle has run for eight years and won a prestige for aggressive and able news-paper work unsurpassed in the state. It has a greater and better population behind it than any other weekly in the state today. You will find that the newspaper directories give us credit for an independent policy in the work so far, preferring to keep out of poll-tics. We have decided to take a decided stand now one way or the other as a matter of purely business. If you have any offers to make us for advertising space and editorial influence, we shall be glad to hear from you at once. We are in a position to do the party a great deal of good, especially in this county, and now, early in the great fight, offer our services on the most reasonable basis of business principle. We will either lease our paper or whole plant to you for the campaign, or will sell you a page of adverwo or three or more columns at advertising rates, or, better still, will change the policy of the paper and will give the party and candidates its entire and undivided and aggressive support editorially and otherwise until victory is won. This is business pure and simple, and confidential, and if you have any idea what you will be able to do for us we will tell you just what we can do for you and your cause. We must hear from you at once, for we have temptations from the other side. We make this proposition to you prefhoping you will treat it in the same

With best wishes for success we are, as ever, most truly,
AMERICAN EAGLE.

SENATOR KEARNS' REPLY. Salt Lake City, Utah, Aug. 2, 1904. Mr. M. A. Willumsen, care American Eagle Publishing Co., Murray,

I have referred the same to Mr. Joseph Lippman, and when you are in Salt Lake I wish you would call and take the matter up with him, as all those matters, while they will be treated as confidential, are more or less it his hands.

Hoping to meet you in the very near future, and with best wishes, I remain, very truly yours,
THOMAS KEARNS.

KEARNS TO LIPPMAN.

PERSONAL. Salt Lake City, Utah, Aug. 2, 1904.
Mr. Joseph Lippman, care The Tribune, City—Dear Joe: Enclosed please
find communication from Mr. M. A. Willumsen. I have acknowledged and told him I would refer it to you. Should call on you treat it as you see fit. Sincerely yours,

THOMAS KEARNS. AFTER A COMPENSATION.

Murray City, Utah, Sept. 24, 1904. Mr. Lippman, Manager Tribune, Salt Lake City, Utah-Dear Sir: I have hoped and have tried to meet you several times, but have failed to find you. Enclosed is a carbon copy of a letter sent to Senator Kearns and also his letter in reply, which I enclose so you will at ouce understand my object in writing you. If it is true that Senator Kearns has dropped out of the fight, then I presume the new party will need the support otherwise sought for the senator. In this respect the American Eagle is in the field for service for compensation reasonably commensu rate with the good we may do and the expense we will be put to in making and maintaing such a change of policy. We shall be glad to meet and talk this matter over with you if you will call us up and state when it is convenient for you to spare a moment. Very truly, AMERICAN EAGLE. (Signed), M. A. Willumsen, Manager. Very truly,
