DESERET EVENING NEWS: SATURDAY, SEPTEMBER 5, 1903.

SALT LAKE WON GAME FROM BUTTE.

But it Was Due Principally to the Miners' Extremely Ragged Work.

JODEY KOSTAL DID PITCHING.

And Was Hit for Twelve Safe Ones by The Butte Batters-Lundbaum Pounded Hard.

What do you think? Salt Lake actually beat the champions at Butte yesterday by scorze of 12 to 6. Jodey Kostal, the midget twirler who came here from Denver three seasons ago and who played with the Lagoon team, did the pitching for Salt Lake and won his game. The little fellow made good with the fans, too. Lundbaum, the ex-Salt Laker, pitched for Butte and the team from this town knocked him out of the box. Runkle took his place in the third inning and was able to hold the visitors down some. The Butte aggregation appeared to be suffering with the "shakes" or something equally de-moralizing, and their fielding was very

bad. Four singlese in the first inning netted Salt Lake three runs. In the third, when Lundbaum was hit so hard and often, six runs were made and three more came in later. The summary follows:

Peabody's Life Threatened if He Dared Call Out the Troops-Threat Was Anonymous.

Denver, Sept. 5 .- The special train bearing the first contingent of the national guard ordered to Cripple Creek yesterday by Gov. Peabody in connection with the strike of the miners of that district, arrived at Gillette at 2 o'clock this morning. It was announced that the troops would not at tempt to enter the camp until daylight. Since the start from Denver Adjt.-Gen Sherman Bell has perfected plans for the mobilization of the entire state militia, numbering 1,600, should he wish to do so. An arsenal will be estab-lished and within 24 hours 600,000 rounds of ammunition will be collected in the gold camp. When asked wheth-er he anticipated any serious trouble, Gen. Bell said:

Gen. Bell said: "I do not know what we will meet with, but I shall be prepared for any-thing that may turn up." I Rumors that an attempt would be made to interfere with the progress of the troops toward Cripple Creek caused Gen. Bell to change the route of travel from the Short Line road to the Colo-rado Midland. So secret were the ar-rangements that but few even of his personal staff knew of the general's personal staff knew of the generals intentions until they were aboard the train leaving Colorado Springs. Prior to the departure of the main body of the troops from Colorado Springs, a special bearing armed militiamen was sent out. Detachments from this com-pany were dropped off at the bridges clong the route and left to guard them along the route and left to guard them until the several sections following were safey over. So far the journey of the troops has been without special incident

MT. PLEASANT BEAT EPHRAIM

Player Made Two Runs to Make One-Score Four to Three.

Thursday afternoon at Mt. Pleasant, the bocal ball team defeated the Ephraim nine in a close game of ball, the score being 4 to 3. A peculiar play was made in the eixth inning when a batter lost the ball in the grass. It was a home run but after the runner had reached home the first time, it dawned on him that he had urned second base the wrong way. Without stopping he continued to run

pionship of the United States. Travis has held the mational championship twice and Byers was the runner-up last year at the Glenview club near Chicago. Curi-ously enough, Travis and Byers met last year in the round preceding the semi-final, and Byers won by a single hole. A grand match is looked for tomorrow. Travis met the young Princeton golfer, F. O. Reinhart, today and won by the high score of five up and four to play, while Byers, who recently graduated from Yale, defeated the last surviving westerner. Bruce D. Smith, by the same figures. The first three holes in the Travis-Reinhart match brought out mag-nificent golf. They were halved and Reinhart won the fourth as Travis went into the bunker guarding the green. Tra-vis won the fifth and then took a winning streak, getting five of the next six holes. Reinhart plainly showed the strain of the tournament and his ragged play was a big disappointment. Travis was steady throughout and won on his accurate ap-proaching and putting. The game ended on the fourteenth green. The cards: Travis, in, 20-57; Reinhart, out. 41. Travis, in, 20-57; Reinhart, out. 41. Travis, the short seventh hole, is yards. In two making a 25-foot put. This and the tweifth hole were the only ones that Smith won. Byers led by four on the tweifth grass and the fourteenth hole was halved, closing the game. The cards: Byers, out. 32; Smith, out. 43. Byers, out. 32; Smith, out. 43.

Jennies on the subject of a championship fight. Harry Forbes has been telling the crit-ies of the middle west that he intends to leave San Francisco off his map in the future. It is time San Francisco and Harry parted company, for they were never a winning combination. When he was to box Nell in this city some months ago rumors of crookedness hurt the at-tendance and when he was knocked out by Neil on the evening preceding the Jeffries-Corbett fight the promoters lost money. NEIL DEFEATS DE COURSEY. Bantamweight Champion Has Easy Time Winning From Billy. Los Angeles, Sept. 4.—Frankle Nell of San Francisco, champion bantamweight puglist of the world, tonight defeated Billy De Coursey of Los Angeles in 15 rounds. De Coursey was not knocked out but was so clearly defeated that, to avoid the possibility of an accident. Capitain Auble of the police instructed Referee Syten to stop the fight and declare Neil the winner. Nell was the aggressor at all tilmes, and while De Coursey made one of the gamest fights ever seen here, the little champion held him safe at all stages. There was a great deal of clinching and covering up at close range, but whenever the referee separated them Nell was upon his man immediately. He would shoulder into clinches and in the breakaway place his head upon De Coursey's chest and slam him of the body with both hands. After De Coursey had been severely pun-ished in the aody and knocked down sev-eral times he assumed a decided crouch, but in doing so he left himself unguarded to Nell's assault of short-arm blows.

Forhes cohert again the promoters lost money. Forbes and Neil will get together again, no doubt. If some section outside of San Francisco applies the sinews of war. The youngster Neil comes from a fighting family, and he will not overlook a chance to pull down the big end of a purse so long as there is assurance of a square deal.

Yachts Going Heme.

Weight Throwing. New York, Sept. 5.—John J. Flanagan of the Greater New York Athletic associa-tion has raised the world's record, held by himself, for throwing the 56-pound weight. The new mark is 36 feet 11 inches, 1½ inches over the old one. Cresceus Failed Again.

Monmouth, Ill., Sept. 4.—Cresceus was unable to lower his record today. Paced by two runners and a 40-horse-power au-tomobile, he trotted a mile in 2:0754, the fastest time ever made on this track. The track was in perfect condition, but the wind was high.

Portland Gets Indian. Portland, Ore. Sept. 4.—Sam Morris, the Nez Perces Indian who pitched two games some weeks ago, has been signed by the Portland team of the Pacific Coast league. Evr since the games in which Morris fir-ured as the star attracture the Portland team has been endeavoring to close a contract with him. As a las resort Sena-tors John H. Mitchell and C. W. Fulton were interested in the matter with the result that Morris has been given a fur-lough from he Chemawa Indian school at Salem. Or., where he is in attendance, until Dec. 1. He left for San Francisco to join the team tonight, and will be in the box Monday. Mew York, Sept. 4.—The Minute Man. a two-year-old owned by J. E. Madden, ran the game son of Juvenal-Semper Para-tus not only ran a remarkably fast mile, but also beat the great McChesney, the fidel of the west. Te went the disance in 1:38 4-5. Alhough the Smathers horse was defeated, he ran an excellent race con-sidering that this time was his first start in nearly two months. The race itself was a procession, The Minute Man fumpidering that this time was his first start in nearly two months. The race itself was a procession. The Minute Man jump-ing away in front, opening up a gap, keep-ing his advantage and winning by two lengths. McChesney closed very strong in the stretch, but was never able to catch the flying leader.

Sacramento, Cal., Sept. 5.-The an-nouncement by Gov. Sparks of Nevada that he will not extradite Miller and Woods, the escaped Folsom convicts captured recently at Reno, until the reward offered by the state of California is paid, has taken the executive depart-

Chicago, Sept. 5 .- A dispatch to the

Most of those in the sleeping cars climbed out of the wreckage through the windows. The engineer jumped and escaped with slight hurts.
