Urbana, Chio, Aug. 25, 1903. Last winter I had a severe attack of Rheumatism. It started in the right elbow, and from there to my wrists; the right wrist was the worse. It became swollen and extremely painful. My left knee joint was the next place to be at-tacked. It became swollen and of course painful. The next point to be affected was the hip and ankle, which gave mo much trouble. I was barely able to got about for some time. I was under treat-ment of a physician for awhile, but get-taking it for some time I was entirely relieved of the Rheumatism. All swolling and soreness disappeared. I consider S. S. an excellent remedy for Rheuma-tism and all troubles having their crigin in the blood. CRIFFITH KELLY. Urbana, Ohio, Aug. 25, 1903. lations, and the various internal se-cretions. It is true that such reten-

tion of properties in the radium fluid is only temporary, but the process of

ent administration; and the brag and pretense still employed to mislead them should be punctured once for all by the plain facts. It is false that entrusting the Democratic party with power is, or ever was, a menace to the prosperity of the country. It is false, too, that there is danger of hurtful disturbance in the porcess of reform in the tariff and other things to which the Democratic party

is pledged. "The time is at hand when the peo-ple require a change of administration. They are no longer to be prevented by false assertions and imaginable fears from committing it again to our party. There are enough existing evils and grounds of concern which are seen and felt by all fair-minded men.

"The expenses for the current year are outrunning the receipts and this is likely to go on, because the party leaders will not change the policy they are pursuing. Rascality has been dis-covered in the public service whose na-ture and extent would lead any pru-

covered two Rarus miners sitting with three sticks of dynamite attached to six inches of fuse, cut and ready to be thrown. Barry said the foreman of the miners refused to explain the peculiar situation in which he found the men. Albert Frank, Heinze's superintend-

Abert Frank, Heinze's superintend-ent, gave sensational testimony today, acknowledging having ordered the dy-namiting of the Rarus stopes for the sole purpose of keeping out the Amal-gamated men. Frank claimed he did not know that the United States court had issued an order permitting an in-spection to be made by the Amales spection to be made by the Amalga-mated. Superintendent Frank also ad-

mated. Superintendent Frank also ad-mitted that his men left unshot holes, but he did not know how many . The session today was decidedly heated, Attorney Evans for the Amal-gamated openly accusing County At-torney Breen with working in the in-terests of Heinze. The jury at about midnight brought in the following verdict: "That the said Samuel Olsen and Frederick Divel came to their death

Frederick Divel came to their death on the 600-foot level of the Pennsyl-

diplomatic functions.

The general current of the debate divided on party lines, though ques-tions propounded by Senators Spooner and Heyburn, both Republicans, showed they entertained some doubts is to the legality of Mr. Buchanan's acts at Panama until he is confirmed as minister by the senate. When the senate went into executive

session, the president lawfully could not send a minister to a foreign coun-

ry without the advice and consent of

Senators Cullom, Lodge and Fair-banks took the position that the pres-

ident had a perfect right to nominate a minister to Panama, notwithstanding the fact that no such office previously

Mr. Buchanan was not acting as a min-

ster, and that the president had not commissioned him as such. He was,

they say, merely a personal represent-ative of the president, dispatched to Panama on a diplomatic mission and

responsible alone to the president. A precedent for this action was cited in the case of Mr. Blount, who was sent

They claimed, however, that

the senate.

session word was passed about among the Republicans that when the arguments were practically exhausted a motion should be made to table Senator Morgan's resolution to reconsider the nomination. A motion of that characnomination. A motion of that entrac-ter is not debatable. Some of the ar-guments made by the Democrats, it is said, demanded thorough consideration, and the plans of the Republicans to conclude the debate were not carried into effect.

Gen. Reyes Still Waiting.

Washington, Jan. 8 .- Gen. Reyes is still awaiting the state department's reply to his request that the corre-spondence between him and the Wash-ington government regarding the Panama incident be sent to the United States senate. Gen. Reyes has advices from Colombia that the feeling there contin-ues to run high against the United States, and while preparations are being made for hostilities, Gen. Reyes has been able thus far to restrain his people from an outbreak.

quite possible that upon receipt of the state departemnt's reply to his last note, Gen. Reyes will leave this country immediately for Colombia. In that event Dr. Herran, the Colombian ge will lose the legation and re-home, thus marking the breaking harge of of diplomatic relations between this country and Colombia.
