Our Country Contemporaries.

Ogden *Junction*, May 8—

On the occasion of the benefit tendered to Annie Wright, it has been determined upon to introduce the drama of "Kathleen Mavourneen," she appearing in the character of "Kathleen" and James A. Herne as "Terence O'Moore." The farce of "The Day after the Dark" will be presented in conclusion of the entertainment.

Frequent complaints have been made respecting the disorderly conduct of several boys and young men, who have been in the habit of congregating around places where meetings were being held, and by their disorderly conduct seriously annoying the assemblages inside. This is very disgraceful, and must be stopped. Such things cannot be permitted in a well ordered community like ours.

Provo *Times*, May 7—

We called into the warerooms of the above institution[Provo Woollen Factory] this morning and were shown a number of bolts of broadcloth, made from merino wool, of as fine a texture as we have ever seen. The wool was furnished and the cloth made to the order of President Brigham Young. The Factory is at present turning out a variety of light colored cloth for Summer wear, which for quality and price cannot be beaten anywhere.

We have received a number of calls from gentlemen living in Tintic, and all give glowing accounts of the mining prospects in that region. All the mines are turning out well, the mills are doing a rushing business and there is plenty of work for everybody. The traffic between Tintic and this city is steadily increasing, the bullion is rolling in lively and everything portends an increase of greenbacks soon.

Provo *Times*, May 9—

On Thursday last, the 7th inst., Dr. F. H. Simmons of Provo, assisted by H. McGonigle of Spanish Fork, performed a very critical surgical operation for hare lip, upon the infant daughter of Mr. and Mrs. Powell of Salem, and granddaughter of Mr. Samuel Cornaby of Spanish Fork. The operation was a very difficult one in consequence of the unusally distorted condition of the lip, and was performed in a very skillful manner in about three minutes. It was deemed advisable not to use anaesthetics, the babe being only six weeks old. The little sufferer bore it well and seemed quite bright and lively after it was over. Great credit is due Dr. Simmons for the very tender and delicate manner in which he performed the operation.

Beaver *Enterprise*, May 6—

A young man handed us the following this morning, with a request that we insert it in the *Enterprise*. We feel to pity any young man who cannot get a wife here, where there are so many nice young ladies, without having to advertise for one. Here it is:

WANTED:—A wife, by a bachelor, 31 years of age, medium height, fair complexion, brown hair and eyes; is well situated in life, has got a house and lot and a good paying occupation. Would like a rather good looking companion, between 18 and 24 years of age, with a kind, amiable disposition; would prefer one of dark hair and eyes. Photographs exchanged. Address John A. Brown, Beaver Post Office.

BEING very desirous to dispose of all his fine Jewelry, Watches, Clocks, Field and Opera Glasses, Spectacles, etc., etc., offers a rare chance to the public for investment.

The **JEWELRY** is selected with the utmost care, both for beauty and excellence. The **WATCHES** are unsurpassable both for strength and good going.

☞ All goods are warranted.

Appended are testimonials from most reliable gentlemen well known in the Territory:

"The Watch I bought of you in 1872 goes most excellently, never varies a minute; has never had any repairs to it since I got it, although it has been exposed to very hard usage.

A. C. BROWN,
Brakesman U. S. R. R."

"The Watch I bought of you last year has proved to be the best article I ever had, having lost it twice in the water, once at the depth of six feet, besides a great many other hardships, and stands all with perfect ease, being always right to time.

JOHN SANDS, Camp Douglas."

"The Watch I bought from you is all that can be desired. As a timekeeper it beats anything I ever had, and stands the jilting and rough usage without the least variation. DANIEL G. BRIAN,

A twelvemonth ago, when the undersigned announced their intention of issuing such a work, another Directory was presented to the public, and they immediately withdrew their advertisement. There being no proposition to publish a Directory from any other quarter at present, and the importance of Salt Lake with the growing industries of the Territory calling for one, they propose issuing, **on or before the 1st of April, a**
