PRATE'S N diseases of the throat and lungs. Its long-continued series of wonderful cures in all climates has made it universally known as a safe and re-liable agent to employ. Against ordinary colds, which are the fore-runners of more serious disorders, it acts speedily and surely, always re-lieving 'suffering, and often saving life. The protection it affords, by its timely use in the throat and lung disorders of children, makes it an invaluabe remedy to be kept always on hand in every home. No person on hand in every home. No person can afford to be without it, and those who have once used it never will. From their knowledge of its compo-sition and effects, Physicians use the CHERRY PECTORAL extensively in their practice, and Clergymen recommend it. It is absolutely certain in its remedial effects, and will always cure where cures are possible.
