**SCIENTIFIC AND SAFE TREAT-
MENT.**—When applied with Dr.
Pierce's Nasal Douche and accom-
panied with Dr. Pierce's Golden
Medical Discovery as constitutional
treatment, Dr. Sage's Catarrh Rem-
edy produces perfect cures of the
worst cases of Catarrh and Ozena
of many years' standing. This
thorough course of medication con-
stitutes the only scientific, rational,
safe and successful manner of treat-
ing this odious disease, that has
ever been offered to the afflicted. So
successful has it proven that the
proprietor has long offered a stand-
ing reward of \$500 for a cure of
Catarrh which he can not cure.

Indisputable Evidence.
Thos. J. Bishop, of South Brook-
lyn, N. Y., writes that his wife had
suffered since a child with Catarrh
until it had resulted in what emi-
nent physicians pronounced Con-
sumption; that she has used Dr.
Sage's Catarrh Remedy with Dr.
Pierce's Golden Medical Discovery,
and they have worked wonders
with her case.

Stealing Our Thunder.
People should beware of those
impostors who not only try to
imitate Dr. Pierce's Family Medi-
cines but also copy his original
style of advertising by offering
various sized rewards for cures of
Catarrh and other diseases which
they can not cure. Those who do
not possess sufficient intelligence
to enable them to write original
advertisements of their own, but
have to steal those of others, are
not likely to have made great
and valuable discoveries in Medicine.
Look out for them.

LOCAL AND OTHER MATTERS.

two and six p. m., at all the Ward
meeting houses.

Elder Orson Hyde will preach in
the 13th Ward Assembly Rooms to-
morrow afternoon, and at the 14th
Ward in the evening; 14th Ward
evening services commence at 7
past 6 o'clock.

Bishop A. Hatch will preach in
the 14th Ward in the afternoon;
services commence at 2 o'clock.

Fined.—Yesterday three keepers
of gambling houses were fined \$100
each.

Not Captured.—Floyd, the color-
ed convict, who escaped a few days
since, has not yet been captured.

Will Preach.—Elder Lorenzo
Snow will preach in the 10th Ward
meeting house, to-morrow night;
services commence at 6 o'clock.

Going to St. George.—Mr. Joseph
Schofield, carpenter, of this city,
leaves on Tuesday morning next,
for St. George, to work on the
Temple there.

Information Wanted.—Samuel
H. Newby, 33 Broadway, New
York, wishes to ascertain the where-
abouts of his uncle, Alfred Newby,
formerly of Staffordshire, England.

Petty Stealing.—Yesterday a man
giving the name of James Monroe
took quite a notion to a horse-
blanket belonging to Walker Bros.,
and appropriated it, for which he
was arrested and placed in jail.

Righteous Indignation.—Yester-
day Patey Marley was fined \$5
for venting his indignation at what
he considered an insult, in his name
being placed on a ticket stuck on a
bulletin board. He split the
board with a rock, which was con-
sidered a breach of the peace.

Erratum.—The name of the in-
ventor of the ore-cleaning machine,
of which Mr. William Paul is con-
structing a model, mentioned by
us yesterday, is Pentecost J. Mit-
chell, and not Pentecost and Mit-
chell, as previously stated.

Does not Like It.—The N. Y. In-
dependent deprecates the Congres-
sional Judiciary Committee's bill
disfranchising the women of Utah,
and thinks the act is not only un-
American but thoroughly French.
Congress has the same right to dis-
franchise one class of citizens as
another.

Valuable Dog Shot.—Last night,
or this morning, a dog, said to be
worth \$200, belonging to Mr. John
Pape, saloon keeper, was shot and
killed by some party. The prop-
rietor of the animal states that he
was offered the above-named
amount for it only a few days ago
and refused to sell it, as it was con-
sidered to be the best trained dog
in the Territory.

A Crisis.—The following is the
conclusion of a sensational dispatch
from this city, Feb. 4th, to the San
Francisco Chronicle:

"It is generally believed that a
crisis is approaching and that the
general government must act soon,
or there will be serious trouble."

That is one of the identical things
which the "ring" of crusaders are
trying to bring about. It is one of
the secret causes of whatever ex-
citement there may be. But it is
an old dodge.

Theatre.—There was a splendid
house and magnificent acting in
"Virginia" at the Theatre last
night.

This evening, the last appearance
of Mr. J. McCullough, he will as-
sume the arduous role of "Macbeth"
in Shakespeare's great tragedy of
that name, which will be produced
with all Locke's original music, in
which the Tabernacle choir and
other talented vocalists will assist.
Miss A. Graham will appear as
"Lady Macbeth," Mr. Sawtelle as
"Macduff," Mrs. Rea and Messrs.
Crosbie and Vinson as the witches.
Miss Cogswell as "Malcolm," Mr.
Thorne as "Duncan," Mr. Lindsay
as "Banquo." A grand performance
may be anticipated.

On Monday, the old local favor-
ite, Mr. Phil Margatte, makes his
first appearance this season.

That Lecture.—Last night the
20th Ward school house was filled
to overflowing with people who
wanted to hear what Mr. C. W.
Stapner had to say on the subject
of "Bills, Beas and Bannings."
The lecture occupied sixty-five
minutes in delivery, and was lis-
tened to with the strictest atten-
tion. Besides a large proportion of
the ludicrous, humorous and wit-
ty, it contained some sound, pro-
fession, common sense principles.
The audience seemed much pleas-
ed with the lecture, which was in-
dicated by frequent laughter and
general signs of approval, and a vote
of thanks to the lecturer, at the close,
was responded to with a combined
and most emphatic "aye," from all
present.

From Bear Lake Valley.—We
had a call from Bishop William
Budge, of Bear Lake Valley, this
morning. He reached town last
night. We learn from him that
the present winter, thus far,
has been the mildest since the set-
tlement of the Bear Lake country.
Probably about the same amount
of snow has fallen in that part as
in this locality, and there have
been no annoying winds this
season, which in previous years have
been disagreeable in drifting the
snow against the buildings, and
in most places in the valley stock
has been out and doing well on the
range, although there is but little
necessity for this, as feed is very
plentiful in all of the settlements.

ed convict, who escaped a few days
since, has not yet been captured.

Snow will preach in the 10th Ward

Going to St. George.—Mr. Joseph
Schofield, carpenter, of this city,
leaves on Tuesday morning next,
for St. George, to work on the
Temple there.

Information Wanted.—Samuel
H. Newby, 33 Broadway, New
York, wishes to ascertain the where-
abouts of his uncle, Alfred Newby,
formerly of Staffordshire, England.

Petty Stealing.—Yesterday a man
giving the name of James Monroe
took quite a notion to a horse-
blanket belonging to Walker Bros.,
and appropriated it, for which he
was arrested and placed in jail.

Righteous Indignation.—Yester-
day Patey Marley was fined \$5
for venting his indignation at what
he considered an insult, in his name
being placed on a ticket stuck on a
bulletin board. He split the
board with a rock, which was con-
sidered a breach of the peace.

Erratum.—The name of the in-
ventor of the ore-cleaning machine,
of which Mr. William Paul is con-
structing a model, mentioned by
us yesterday, is Pentecost J. Mit-
chell, and not Pentecost and Mit-
chell, as previously stated.

Does not Like It.—The N. Y. In-
dependent deprecates the Congres-
sional Judiciary Committee's bill
disfranchising the women of Utah,
and thinks the act is not only un-
American but thoroughly French.
Congress has the same right to dis-
franchise one class of citizens as
another.

Valuable Dog Shot.—Last night,
or this morning, a dog, said to be
worth \$200, belonging to Mr. John
Pape, saloon keeper, was shot and
killed by some party. The prop-
rietor of the animal states that he
was offered the above-named
amount for it only a few days ago
and refused to sell it, as it was con-
sidered to be the best trained dog
in the Territory.

A Crisis.—The following is the
conclusion of a sensational dispatch
from this city, Feb. 4th, to the San
Francisco Chronicle:

"It is generally believed that a
crisis is approaching and that the
general government must act soon,
or there will be serious trouble."

That is one of the identical things
which the "ring" of crusaders are
trying to bring about. It is one of
the secret causes of whatever ex-
citement there may be. But it is
an old dodge.

Theatre.—There was a splendid
house and magnificent acting in
"Virginia" at the Theatre last
night.

This evening, the last appearance
of Mr. J. McCullough, he will as-
sume the arduous role of "Macbeth"
in Shakespeare's great tragedy of
that name, which will be produced
with all Locke's original music, in
which the Tabernacle choir and
other talented vocalists will assist.
Miss A. Graham will appear as
"Lady Macbeth," Mr. Sawtelle as
"Macduff," Mrs. Rea and Messrs.
Crosbie and Vinson as the witches.
Miss Cogswell as "Malcolm," Mr.
Thorne as "Duncan," Mr. Lindsay
as "Banquo." A grand performance
may be anticipated.

On Monday, the old local favor-
ite, Mr. Phil Margatte, makes his
first appearance this season.

That Lecture.—Last night the
20th Ward school house was filled
to overflowing with people who
wanted to hear what Mr. C. W.
Stapner had to say on the subject
of "Bills, Beas and Bannings."
The lecture occupied sixty-five
minutes in delivery, and was lis-
tened to with the strictest atten-
tion. Besides a large proportion of
the ludicrous, humorous and wit-
ty, it contained some sound, pro-
fession, common sense principles.
The audience seemed much pleas-
ed with the lecture, which was in-
dicated by frequent laughter and
general signs of approval, and a vote
of thanks to the lecturer, at the close,
was responded to with a combined
and most emphatic "aye," from all
present.

From Bear Lake Valley.—We
had a call from Bishop William
Budge, of Bear Lake Valley, this
morning. He reached town last
night. We learn from him that
the present winter, thus far,
has been the mildest since the set-
tlement of the Bear Lake country.
Probably about the same amount
of snow has fallen in that part as
in this locality, and there have
been no annoying winds this
season, which in previous years have
been disagreeable in drifting the
snow against the buildings, and
in most places in the valley stock
has been out and doing well on the
range, although there is but little
necessity for this, as feed is very
plentiful in all of the settlements.
