THIRD ANNUAL CATALOGUE of officers and students in the University of Deseret for the Academical Year 1870-1. The printed list of students and scholars numbers 580, of which 286 are males and 294 females.

RETURNED. — Elder Joseph Busby of this city called on us to-day. He returned from his mission to the East on Sunday (March 17), having traveled in the States of Ohio, New York and Pennsylvania while on his mission.

FARMINGTON, Davis County,
March 19, 1872.

Editor Deseret News:

The following is the result of the State election in this County yesterday:

Constitution "Yes," 1421.

Representative in Congress, Frank Fuller, 1421.

Senator from Davis and Morgan Counties, Arthur Stayner, 1413; Job Wellings, 2; Tom Harris, 1.

Representatives from Davis and Morgan, William R. Smith, 1395; Lyman W. Porter, 1393; Lot Smith, 29; Joseph Porter, 28.

Respectfully, C. W. STAYNER,
County Clerk.

ELECTION RETURNS from the country by Deseret Telegraph:

Ogden, 19.—The following is an abstract of the returns for Weber County, of the State election held on the 18th instant; Constitution yes, 1880 votes; constitution no, 2 votes; For Frank Fuller, representative in Congress, 1882; For Lorenzo Snow, senator to the State legislature, 1885; for Franklin D. Richards, representative to the State legislature, 1885; for Lorin Farr, representative to the legislature, 1881.

F. S. RICHARDS,
County clerk.

THE ANNUAL REPORT of the Territorial Superintendent of Common Schools for 1872, to the Legislative Assembly, is before us in neat pamphlet form. The statistical table shows 223 school districts in the Territory (25 of which failed to report), 268 schools, 358 teachers; 23,737 school population, of which 51.1 per cent are enrolled, actual attendance 44.6 per cent. The schools generally are sustained by tuition fees, which range from two and a half to eight dollars per quarter. In accordance with the existing school code, several districts have endeavored to establish free schools by the aid of a tax of one per cent.

ANOTHER SCRAPE. — Parson Newman has got the administration into another scrape. He went a year or so ago to Utah to beat the Mormons in argument, but failing in this he came back with a worse opinion of them than ever, and there is scarcely a doubt that he induced the President to order the late Attorney General to have suits begun against the Mormons in Utah. How they have terminated is well known. The Administration is in a position where it can not stand still, and where either advance or retreat would be dangerous. A month or so ago the Administration sustained the District Attorney—Bates—and now since McKean, the United States Judge, has arrived himself, Conkling and Newman have compelled Grant to disregard law where politics is involved. Judge McKean is a prominent politician of New York, of the Conkling type.—*Indianapolis Journal.*

PREPARATORY.—The following was received among our eastern dispatches this afternoon: "Parties from Utah are preparing a case to submit to a committee of both houses. They argue that the admission of Utah as a state is the only way to solve the "Mormon" difficulty and at the same time prevent further trouble to the Government."

RETURNED.—Elder B. B. Bitner, of Big Cottonwood, called to-day. He returned from a mission to the East last Saturday. He visited the States of New York, New Jersey, Pennsylvania, Iowa, Ohio and Illinois. In each of the four last named he had the pleasure of meeting with a number of his relatives.

BEFORE THE COMMITTEE.—Washington, March 13.—Attorney Bates and Judge McKean appeared before the House Judiciary Committee to-day, each one arguing his side of the questions that have arisen in Utah relative to the trial of the Mormon prisoners. No action was reached.—*Philadelphia Press.*

KANAB.—Brother James L. Bunting, writing from Kanab under date of Feb. 28, says:

"The 'working bees' of this place are busily engaged in sowing spring wheat. Several acres are already in. What little fall wheat was planted is looking well. The green grass is showing itself on the benches and our stock is in good condition.

A co-operative field of 120 acres, to be used exclusively for raising corn, cane, &c., this season, has been surveyed below the city plot, and fencing material is being prepared for it. Bro. Pugh is appointed overseer for the same.

The gold fever is pretty high in this locality. Rich discoveries are said to have been made on the Colorado, about 80 miles south of us. Some have already left for the diggings and others are going.

"We have a very good day-school, under the direction of Bro. Wm. Johnson, Jr., about 100 scholars in attendance. It is run on the free school principle, and gives general satisfaction. Our Sunday school, under the supervision of J. L. Bunting, is also well attended."

THAT PARTY.—The complimentary party by the Fourteenth Ward choir to their leader, Prof. C. F. Thomas, comes off to-morrow night, in the Fourteenth Ward Assembly rooms. There will be singing during the evening by efficient vocalists, the dancing music will be of the best description, the general management of the affair is in excellent hands and a good time may be anticipated.

PROF. PRATT'S LECTURES. — Professor Pratt will deliver the first of a series of six lectures at the Old Tabernacle to-night. The clear and logical style in which the Professor handles every subject he treats upon will doubtless attract large audiences to those lectures. Admission 25 cents to each lecture or one dollar for the six.

A MORMON ELDER.—We had the pleasure of meeting, on Wednesday, with Elder Jonathan Browning, of Ogden City, Utah. He is a native of this county, having been born in Trout's district. He emigrated to Illinois many years ago and became a follower of the Prophet Joseph Smith. He has been nineteen years in Utah and is, we believe, a sincere believer in his faith. He has only three wives, as we understood. He addressed quite a large concourse of our people last night in the Court House and was listened to with attention and respect. So far as we heard him, he preached the doctrine of 'faith, repentance and baptism.'

Elder Browning is respectably connected in Sumner county. He is a cousin of Dr. Browning, formerly a physician in this place. He left on the Thursday morning train for his home in Utah, and we are very sure that he can tell the Saints that, as widely as we differ with them, we were a very tolerant people and gave him a fair, patient hearing.—*Gallatin, Tenn., Examiner.*

ARTESIAN WELLS, RAILROADS, JURIES AND THINGS.—Among the Washington correspondence (March 15) of the Chicago Times, is the following—

ARTIFICIAL IRRIGATION.

The Delegate from Wyoming Territory to-day made an argument before the military committee in favor of an appropriation of $10,000 for the purpose of sinking an artesian well in the reservation of Fort Russell, in that Territory, as a scarcity of water exists in that section. It is proposed by this means to test the feasibility of artificial production, with the view of making it beneficial to the surrounding country.

SALT LAKE AND COLORADO RAILROAD.

The Senate Committe on public lands have agreed to a bill incorporating the Salt Lake and Colorado Railroad company, and giving it the right of way through the public lands. The road commences at Salt Lake City and runs to Callville, the head of navigation of the Colorado river. The intention in building the road is to give an outlet to the valuable mines located in that section of the country, and it is understood that English capitalists will furnish the means for its completion.

RATES.

The resignation of Dist. Atty. Bates, of Utah, will not be pressed at present, in view of the expected opinion of the United States Supreme Court on the legal status of juries drawn by the United States Marshal at Salt Lake.

A GREAT MEDICAL DISCOVERY!
MILLIONS BEAR TESTIMONY TO THE WONDERFUL CURATIVE EFFECTS OF
J. WALKER'S VINEGAR BITTERS

Which are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE-GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

J. WALKER, Proprietor.
