

GREAT RACING ON THE SAUCER

Samuelson is Gradually Crowding
All the Fast Riders.

CARRIES OFF TWO PRIZES.

Australian Pursuit Race Pleased the
crowd—Eddie Smith Takes Five
Mile Lap Contest.

The crowd at the Salt Palace bicycle races last evening was treated to a fine program of racing and music, and the spectators from the expressions heard after each event, they all felt they had received their money's worth. It was an evening of pursuit racing, the kind that compels the riders to step on the pedals for all they are worth to win anything. It is a test of endurance and speed without handicap, pacing or team work. Every man has to depend on his own ability. The people like such races, and the meet was a success in every particular.

W. E. Samuelson was again the star of the evening and carried off the two principal events by his superior riding. In the Australian pursuit race, Vaughan, Julius, Charles Turville, John and Gus Lawson all had to give way to young Samuelson. He plucked along with the tenacity of a bull pup cutting his teeth on a rubber boot. It was the same in the tandem pursuit match with King against John Lawson and Oscar Julius. From the crack of the gun they rode steadily and gained on their rivals until their front wheel shot ahead of the others, and the race was won. The one mile professional was another warm number and was hotly contested. Vaughan won out after a hard fight with Johnnie Chapman, who had the pole. Vaughan cut down on the Atlanta boy on the home stretch, but as he was already around him, the rider did not interfere. The five mile amateur lap race was also very interesting, and strange to say, ten riders competed in the event and not a spill occurred, although Mr. Sharp had a narrow escape of the boys about wild riding. Eddie Smith played a smooth game by taking out Hume and holding the race throughout the five miles. He saved his famous little sprint until the last lap, when he shot ahead and won by a wheel's length. Heagen got second, Hume third and Mossberg fourth.

During an intermission, Messrs. Held and Leslie rendered a charming concert which was greeted by prolonged applause.

THE YACHT COLUMBIA, WHICH MAY AGAIN DEFEND THE CUP.

In the series of races between the Columbia and the Constitution the showing made by the latter has been such a disappointment that she has been sent back to the Herreshoffs' yard for the purpose of having her rig altered. The change may result in increased speed, but it may have the contrary effect. It is, however, now generally conceded that unless something can be done to improve the Constitution before the time set for the trial races the old defender, Columbia, will be selected to try conclusions with Sir Thomas Lipton's Shamrock II in the America's cup races.

he rushed, the runner two lengths behind and this time it was a go. Gameily facing the breeze the champion started on his journey, moving with apparent ease and at his greatest speed. The runner caught him at the quarter and a sigh went up from the breathless throng as the time went up—a quarter of a second less than thirty. Now the wind was at his back, and realizing the advantage Ketcham kept him at a great clip.

The half mile pole was reached in 59.4 seconds, a record never before attained, and here the second runner caught him up.

Into the full turn and around it, the great stallion thundered, his mighty muscles and machine-like frame carrying him as if on wings. The three-quarter pole was reached and passed in the wonderful time of 1:30.4.

Then came the trial, for as Cresceus struggled, it is believed this time would have been a second faster. It was the most wonderful mile ever trotted on any track.

Enthusiasm broke loose as soon as the horse had passed the wire. The crowd rushed onto the track to greet the champion and a huge wreath of flowers was hung round his neck. Mr. Ketcham, owner and driver, was carried to the judges' stand and called on for a speech. In a few words he expressed his appreciation of the interest taken in the attempt, his trust in Ohio horses and his confidence in his own great trotter.

Cresceus was not unduly fatigued by his effort and had an hour later seemed ready for another mile.

Empire City track.

Passes from the Estate of W. H. Clark—Cost of \$750,000.

New York, Aug. 3.—The Herald says: Built and equipped at a cost closely approaching \$750,000, the Empire City race track is soon to pass from the estate of William H. Clark, whose brains and money created it, into the hands of a syndicate of turf men who propose to place the plant on a par with any that New York possesses. The transfer will be made either through a private arrangement or through a foreclosure sale, as the title would then be clear. Among those interested as purchasers is Philip J. Dwyer, president of the Brooklyn Jockey club.
