

THREE MORE CASES.

THREE more cases to the list of victims in Mississippi.

PRECAUTION AGAINST INCREASE.

Most Rigid Quarantine Regulations Being Enforced in Every City Likely to be Affected.

ELGIN, Miss., Sept. 7.—At 10 o'clock tonight three additional cases of yellow fever have been discovered. They are under guard and no fear is felt.

ARRIVED IN ALABAMA.

MONROVIA, Ala., Sept. 7.—The Quarantine Board is meeting this evening, to consider the new and severe situation. Ten passengers on board were stopped on the Louisville & Nashville train this morning. Quarantine was enforced in past 100-mile stretch of the line, from Elizabethtown to Tuscaloosa, and all visitors from the city health officers require all visitors to remain at their homes until they are removed by the city.

MURKIN, Miss., Sept. 7.—The quarantine has been increased to 10 days against the introduction of the fever in Elizabethtown. Eight quarantines have been established by the state and county health officers who got to know the quarantine arrangements were completed and have been sent out of the city to the health officers in the several counties.

MONROVIA, Ala., Sept. 7.—The quarantine has been increased to 10 days against the introduction of the fever in Elizabethtown. Eight quarantines have been established by the state and county health officers who got to know the quarantine arrangements were completed and have been sent out of the city to the health officers in the several counties.

MONROVIA, Ala., Sept. 7.—The government has issued a meeting of the state board of health in this city to-morrow, to consider the new and severe situation. Ten passengers on board were stopped on the Louisville & Nashville train this morning. Quarantine was enforced in past 100-mile stretch of the line, from Elizabethtown to Tuscaloosa, and all visitors from the city health officers require all visitors to remain at their homes until they are removed by the city.

MONROVIA, Ala., Sept. 7.—The explosion of a gas well occurred here this afternoon at 3 o'clock, resulting in the death of a gas worker and two others. The gas worker was overcome by the gas and died at the scene of the accident.

The killed are Sam Barber, Allen Palmer, John Thompson, Charles Bailey, Harry Landau and — Hayes.

The explosion occurred at Grant's well, southwest of the National Gas Works, which is still burning in the village. The well was first drilled by Mr. George D. Brown, the founder of the Ozone and Indiana. The company is now owned by Mr. James C. Thompson, who has been engaged in the business since 1885. The gas worker who died was overcome by the gas and died at the scene of the accident.
