HIGH SCHOOL WILL OPEN SEPT. 13

Building So Far Completed That School Work May Begin That Date.

SHERIFF WILSON RETURNS.

What Does Not Bring Murderer—Wild West Attractions at Fair—Korean Killed on Railroad.

OGDEN, Aug. 25.—Sept. 13 is the date set for the opening of the new high school building. Although the contractors will not have the entire building done on that date the work will be far enough along to allow the students room enough for organization and the outlining of the class work. The contract calls for the furnishing of the building Sept. 20, but the contractors have agreed to have part of the building done by the 13th so the school can be organized.

MURDER CASES POSTPONED.

OGDEN, Aug. 25.—On account of the

serious injury District Atty. Harris received to his foot several days ago the cases of the state against Clarence Ernst and Nick Veons, each charged with murder, have been postponed in the district court for the term, the first named until January. The injury the district attorney received to his foot by stepping on a rusty nail has turned into a dangerous wound and makes it impossible for Mr. Harris to give the cases any attention at present. The juryman who were called for the cases have been dismissed. The application for bail made by the attorneys of Ernst, was taken under advisement by Judge Howell this morning.

SHERIFF WILSON RETURNS.

OGDEN, Aug. 25.—Sheriff Wilson returned last night from Omaha, but did not bring with him the murderer of Deputy Sheriff Seymour Clark. Mr. Wilson says that the man who it is alleged confessed to the homicide of last November, is insane and has already been detained twice in insane asylums. Aside from the published details of the case the man knew absolutely nothing and is not the man wanted.

WILD WEST ATTRACTIONS.

OGDEN, Aug. 25.—The officials of the Four-State fair, which is to be held in Ogden, Sept. 6 to 11, inclusive, announced yesterday afternoon that they had secured some of the world's greatest broncho busters to ride during the fair week.

Among some of the riders are David Sparks, champion of Oregon and Montana; Harry Brennan, ex-world's champion and second best this year at Frontier day at Cheyenne; Buffalo Vernon of Cheyenne; Charles E. and E. G. Taylor, just Weber county, famous watchmen; W. R. Thornton of Boxelder county; Jim McKay, Louis Clare and Robert Jim. The last three named are full blooded Bannock Indians who will meet their white brothers on all points for gold medals and championship of four states. Mrs. Bee Sparks of Dillon, Mont., will ride wild steers and bucking bronchos.

Other events of the wild west show are being arranged by the officials who have received assurances that many of the features of Frontier day at Cheyenne will be brought here and which will surpass anything ever attempted in the wild west show line in the state.

SECRETARY WILSON COMING.

OGDEN, Aug. 25.—District Forester Clyde Leavitt of the Fourth district has been advised that Secretary of Agriculture, James Wilson, will arrive in Ogden next Sunday evening. While nothing definite is known at present as to how long the secretary will remain here, it is very probable that he will be in the city until Monday evening when he will leave for Idaho, accompanied by Forester Leavitt for a visit to the various reserves, where he will meet the livestock men. While in the

city Secretary Wilson will undoubtedly be taken to the canyon where he will be banqueting.

The last trip Secretary Wilson made to Ogden canyon was during the Irrigation Congress, held in Ogden September, 1903, and at which time the Grifflon club of Washington and Secretary Wilson were the guests of the city at a banquet given at the Hermitage.

FIRST MOTOR CAR TO MALAD.

OGDEN, Aug. 25.—The first trip to Malad, Ida., of the motor car recently purchased by the Oregon Short Line Railroad company for operation on the Ogden-Malad branch was made yesterday. The car left the Union depot at 8:55 a. m. and returned shortly after 4 p. m. Beside carrying about 50 regular passengers, a number of railroad officials made the trip, which they pronounced to have been very successful in every detail.

KILLED ON THE RAILROAD.

OGDEN, Aug. 25.—W. K. Chung, a young Korean, employed at track work on the Union Pacific railroad, was killed by the Portland express near Green River, Wyo., Tuesday night. The man was about to quit work for the day and stepped across the track without noticing the approach of the train. He was struck by the engine and instantly killed. The body was turned over to the coroner for investigation and burial.

HASSING DIVORCE SUIT.

OGDEN, Aug. 25.—Alleging that her husband is cruel and that he pays more attention to other women than to herself, Sarah Hassing has brought suit for divorce in the district court against W. H. Hassing. The plaintiff alleges that for more than two years past she and her husband have not lived together, that he has paid attention to other women, received and sent letters to and from women and has treated her in a cruel and inhuman manner. The couple were married in Salt Lake City, July 26, 1894, and have four children of which she asks the custody together with her costs of the suit and general relief.

KERSHAW WILL CONTESTED.

OGDEN, Aug. 25.—John M. Cannon and others have filed in the probate division of the district court a petition contesting the will of the late Sarah Kershaw, dated Feb. 18, 1909, and admitted to probate July 7, 1909. The petitioners allege that the will, signed by the deceased April 2, 1908, was the only real and true will of the deceased and that Asel Keyes and Henry and Edith Gibbs, named as beneficiaries in the last will, are alleged to have used undue influence and imposed on the deceased and caused her to sign the last named will while she was of unsound mind. The petitioners further allege that Keyes and the Gibbs were in collusion to secure the possession of the property.

JUNCTION CITY BRIEFS.

A marriage license was issued yesterday afternoon by County Clerk Dye to Henry McFarland of West Weber and Pearl Keyes of Ogden.
On account of the failure of the state to prove that certain waters in the western part of the city were part of the Weber river, Ah Lee and Ah Quong, the Chinamen who were arrested several days ago for illegal fishing, were discharged by Judge Murphy in the police court yesterday. The testimony showed that the celestials had been selling carp and that they had no license to catch fish, but it could not be proved that the water the carp were taken from was the Weber river.
In the police court this forenoon, A. R. Temple, an Englishman soliciting for an eastern magazine, was fined \$15 and cost for disturbing the peace.

U. S. Ozocerite Company Sued for Large Amount and Foreclosure of Mortgage.
PROVO, Aug. 25.—The case of Milton C. Niles, trustee, et al vs the United States Ozocerite company et al, is being heard in the Fourth district court. It is a suit to collect \$12,000, alleged to be due on notes, and secured by mortgage on the company's property in Utah, and for foreclosure of mortgage. The suit is being tried on the cross-complaint of the defendants who claim that there was irregularity in the creation of the indebtedness and that it was the intention of the directors to wreck the company and reorganize.

The defendants are represented by Clinton Reed of Denver and A. B. Irvine of Salt Lake and the plaintiffs by Messrs. Critchlow and Barrett of Salt Lake. Mr. S. S. Niles of Chicago and John Voorhes of Chicago, president of the Ozocerite company are here in attendance.
Antone Lundsom of Santaguin, a man 45 years of age, was examined as to his sanity by Drs. Westwood and Dwyer before Judge Eccles and committed to the State Mental hospital.
R. Leo Bird was appointed administrator of the estate of Richard L. Bird, deceased.

FUNERAL OF MISS KIRKWOOD.

PROVO, Aug. 25.—There was a large attendance at the funeral services over the remains of Miss Maud Kirkwood held yesterday in the Sixth ward meeting-house. The following speakers addressed the congregation: Elders L. F. Nelson, Brigham Johnson, W. A. McCullough and S. P. Eggertsen, who referred to the noble qualities of the departed and spoke words of comfort to the relatives and friends. Beautiful vocal selections were rendered by the ward choir. A profusion of floral offerings covered the casket. Six brothers of the deceased acted as pallbearers.

GARDEN CITY NOTES.

The city council was in session last evening and will be again Friday evening, for the purpose of revising the city ordinances.
Paul Colton, said to be from Beaver county, imbibed a lot of fighting whiskey yesterday and attacked a man with a cane at the Brunswick saloon, breaking the cane over the head of the victim. He hit two others and tried to bite the outsider who arrested him, and was hauled to the police station in a wagon. He will have a hearing today.

James Krametis, held in \$500 bail to appear in Judge Noon's court on a charge of stealing a pistol from Cy Bishop, a D. & R. G. railroad man, at Tucker, failed to appear for hearing yesterday, and his cash bail was declared forfeited.

Harry Hampton, charged with taking an automobile from Frank Ramsey's place of business, where he was working, and taking a short ride, was arrested by Sheriff Zabriskie yesterday and brought to Provo. He is charged with malicious mischief.

FUNERAL OF MOSES THATCHER AT LOGAN

Full Tabernacle Choir and Others Render Musical Selections—Large Attendance Expected.

(Special Correspondence.)

LOGAN, Aug. 25.—Complete arrangements have been made for the funeral of Hon. Moses Thatcher tomorrow in the Logan tabernacle at 2 o'clock. The officiating will be Elders John Henry Smith and B. H. Roberts of Salt Lake City and N. W. Kimball of the Cache stake presidency. The full tabernacle choir and the Thatcher quartet will render appropriate selections, and Mrs. Nettie Sloan will also sing.

It will probably be the largest funeral ever witnessed in Logan. Trains from Salt Lake will bring a host of friends from that place and intermediate points. The business half-holiday which usually occurs on Wednesday afternoon was deferred to Thursday, to enable all the people of Logan to attend the services.

CLOSING OF SALOONS NO INJURY TO BUSINESS

Quietness Reigns and Courts Have Little to Do Since Monks Went "Dry."

(Special Correspondence.)

MOAB, Grand Co., Aug. 22.—The district court held here the past few days had the lightest calendar in years. Scarcely any legal work was done, except to continue a few cases for next term.
Since the closing of the saloons this little town has assumed a quiet spirit, but business going on as of the same, and there is any difference it seems to be improving.

SCARLET FEVER OUTBREAK.

MOAB, Aug. 22.—A few new cases of scarlet fever have broken out, but they are all in a very mild form. The great fear is that the disease will continue into the winter, and thus work great injury to the public schools.
The very hot weather of the past few weeks seems to be broken, and the nights are cool and pleasant. This is perhaps on account of the heavy rains that fell in the surrounding country. The upper mesa country has been soaked with heavy rains recently, and assures growers of an abundant potato crop.

M. E. HALL INJURED IN EUREKA MINE ACCIDENT

EUREKA, Aug. 25.—This morning at the Yankee mine, M. E. Hall, a machine man, met with a severe accident. He had finished his round and had loaded his hoist, and it is believed that after "splitting" the fuses, he did not get away in time. The hoist started to explode and he was killed. The body was badly torn on one leg and one arm.
The company's physician, Dr. J. A. Jensen, was promptly sent for and attended to the injured man. He was sent this morning to one of the Salt Lake hospitals where he was accompanied by Dr. Jensen.

TEN YEARS IN PRISON FOR GILBERT WORKMAN

(Special Correspondence.)

HEBER CITY, Aug. 24.—The district court in its August term was in session all last week.
In the case of Gilbert Workman, charged with the murder of James Griffin, Utah Co., last fall, which case was adjourned from Vernal, on account of the impossibility of securing a jury there, was brought to trial. It took four days to secure a jury even here. On Saturday the jury brought in a verdict of guilty of murder in the first degree with a recommendation of mercy. On Monday, the 23rd, Judge Booth sentenced Workman to 10 years imprisonment in the state prison.
