Bailey, who represented Joe Sullivan, convicted of the murder of Policeman Ford, yesterday visited Sullivan at the state perdicating Bailey wanted Sullivan to sign an ap-Bainsy wanted Suffivat to sign an ap-plication for a transcript of the evi-dence as taken at the trial. An ap-peal is to be taken and a transcript is needed by the young lawyer. The law provides that a penniless prisoner may have transcripts made at the may have transcripts made at the state's expense. Sullivan signed the application and the work of preparing an appeal will be under way as soon as the transcript is delivered to the as the training attorneys.

ANARCHIST SILVERSTEIN DEAD

some Weeks Ago Tried to Throw Bomb Among New York Policemen.

New York, April 28 .- Selig Silver-ein, the anarchist who attempted to throw a bomb into a group of police-men in Union Square a few weeks ago, and was injured by the prema-ture explosion of the gbomb, died to-day. Silverstein's companion was was ed by the bomb. Silverstein, accordig to the police, confessed that he anufactured the bomb and intended throw it among the police because policeman had beaten him several ys before, the incident occurred just for the police had driver a crowd of everal thousand of persons out of bion Square, where they had gath-red to make a demonstration and pre-are an appeal to the governor for ork and to listen to an address by tohert Hunter Robert Hunter.

W. M. MCDONALD EXECUTED.

Pittsburg, April 28.-William McLeod IcDonald, alias Smith of Gosport, Ingland, was hanged here today for he murder of his common law wife, trs. Bessle Hyslop, whose throat he ut with a razor Sept. 18, 1907, upon iscovering that she had been receiv-og letters from a man in England. IcDonald, who was a small man, was ropped a little over six feet, resulting big neet being bucken. He was to his neck being broken. He was to ve hanged March 24, buf through letter to Gov. Stuart from Ambassalor Bryce of Great Bright, and the storts of prominent Scotch and Eng-ish business men. McDonald was granted a stay until today, but the pardon board refused to take action.

STEVE TOTH ARRESTED.

Trinidad, Colo., April 27.-Steve Toth and to be an anarchist and suspected Id to be an anarchist and suspected complicity in a plot to assassinate tracks Joseph, emperor of Austria and log of Hungary, was arrested at Coketale, a coal camp near here, today, and was taken to Denver to await extradi-tion papers. He had been followed from Austria by an agent of the Austri-an government, who saused his arrest. Toth admitted but denied that he was accrned in a i an sinate the emperor.

MEXICO AND GUATEMALA.

Minister Mariscal Says That No Trou-

ble is Threatened Between Them.

ble is Threatened Between Them. City of Mexico, April 28.—"No trou-ble is threatened between Mexico and Guatemala." declared Minister of For-eign Affairs Mariscal last night. "The rumors which have been in circulation for the past two days had their origin in a misunderstanding — a misunder-standing of conditions, which however, have been explained satisfactorily." The misunderstanding reforred to by the foreign minister related to the reported friction between the Guate-malan revermment and the Mexican charge d'affaires in Guatemala. It had mought refuge in the Mexican legation, and that their protection had resulted in an overt act. A dispatch received

top of the overturned boat and the engineer and a negro set out for shore waves capsized the skift and both were drowned. Ten-foot-high waves swept the over-turned steamer and several were thus washed from their hold, drowning before the eyes of their helpless compan-

ORDERED TO PANAMA.

Fulton, secretary gen-eral of the international congress on tu-berculosis berculosis.

THOUSANDS DROWNED IN FLOODS IN CHINA

Victoria, B. C., April 28.—News was brought by the Empress of India today of a series of destructive conflagrations at Pekin, involving loss of many lives due to incendiarism. Nine fires took due to incendiarism. Nhe fires took place in as many days at the end of March and beginning of April, and dynasty rebels are considered respon-sible and wholesale arreats have been

tion that they'll come.

At the head of the first party are John G. Herman, Veteran of the Span-Dr. W. D. Matthew and Albert Thomish War, Arrested in Chicago for son. They will go to Nebraska, where they will confine their investigations to

Crime Committed in Denver.

the ancestry of mammals, such as three toed horses. Their studies embrace the miocene period, which scientists have agreed was at its flower only 1,000,000 Chicago, April 28 .- John G. Herman, said by the police to have been a priagreed was at fts flower only 1,000,000 years ago. The second party goes to Wyoming for an investigation of the deposits of the eocene period, which is placed some 2,000,000 years in the calendar of the scientists. While Dr. Matthew and Mr. Thomson will look for the thres-toed horses, Walter Granger, of the museum will try to find its ancestor, the four toed horse, a specimen of which, almost beyond value to the mu-seum, has just been placed on exhibivate in Company B, of the Seventh Illinois regiment during the Spanish-American war, was arrested here today charged with the fatal shooting of seum, has just been placed on exhibi-tion. It was found in the Wyoming beds in 1896 and has been mounted with beds in 1896 and has been mounted with great care. In front there are four dis-tinct tees, while the hind feet have only three, showing that the animal was even then in a transition period. The third party, by going to Montuna will get into a period of the history of the world which is 2,000,000 years be-hind the eccence period, or a matter of 4,000,000 years from the present time. Scientists remember it by the word cre-taceous, in which lived the dinosaurs. Harnum Brown of the museum will head this party and their search will be directed especially to find in the Montana beds the horned dinosaur, no complete specimen of which is known. These three parties, comparatively

day charged with the fatal shooting of two policemen in Denver eight years ago. According to the police Herman escapeā from the army barracks in Denver, where he had been confined as a deserter. A few blocks from the barracks he encountered a policeman whom he shot and killed, and then he shot another policeman, who had gone to the assistance of the first one. Her-man denied his identity at first, but finally admitted that he had served as a private in the Spanish-American war. He denied, however, all knowledge of the murder of the Denver policemen. The police say that Herman was ar-rested here in November of last year under the name of John Wilson on a charge of robbery and that he served a short term of imprisonment for that offense. He is also said to have been arrested in Minneapolis last year. arrested in Minneapolis last year, un-der the name of John Harris, charged with a similar offense.

DENVER AUTHORITIES TALK.

Denver, April 28 .- The police author benver, April 22 The pinto a model titles of Denver have not been offi-cially notified of the arrest of John G. Herman in Chicago, charged with the murder of two policemen in Denver. A soldier known as Llewellyn killed

and last group of scientists will take up in Texas. In the Lone Star state, extending over many miles, are deposits of the permian period, not less than from 12,000,000 to 14,000,000 years ago, two officers eight years ago and since then several suspects have been ar-rested in different parts of the coun-try, but were not identified as the from 12,000,000 to 14,000,000 years ago, or really somewhere near the dawn of animal life in the world. Dr. E. C. Case of the University of Michigan, will be the head scientists try, but were not identified as the murderer. Llewellyn had been drinking and flourishing a revolver in a low saloon when Officer Thomas Clifford tried to pacify him. Llewellyn shot Clifford, who died the next day. The soldier field and was pursued by Of-ficer William E. Griffith on a bloycle. The policeman overtook the fleeing man under a viaduct and was shot and killed by him. Llewellyn then made good his escape.

FIRE AT LE PLATA, MO.

La Plais, Mo., April 28.-Fire here last night that for a time threatened des-traction of the town destroyed ten busi-ness buildings, causing a loss of \$50,000. The dames were not placed under control until this moving. At the close of the mass Mgr. Falco At the close of this mass alg. Falor-nio imparted the papal blessing. There will be pontifical vespers this evening. The apostolic delegate will be a cele-brant and Archbishop Glennon will preach. The clergy of the arch-diocese will give a dinner this afternoon to the rightner medica visiting prelates.

RABBI VOORSANGER DEAD:

Monterey, Cal., April 28.-Rabbl Jacob Voorsanger of Temple Emanuel of San Francisco, died suddenly last night at the Hotel Del Monte of heart trouble, Rabbi Voorsanger came to America at the age of 21. He served successively as pastor of Jewish churches at Philadeiphia, Providence and Houston, Texas, leaving the latter city in 1886, to come to San Francisco as rabbi of the Temple Emanuel. He was born in Amsterdam in 1852.

TWO WOMEN DECEIVE AND ROB OLD LADY

Denver, Colo., April 28.—Mrs. Leonora Dierde, aged 19, and Miss Greyta Fulmer, 22, were arrested in this city today on the charge of having obtained nearly \$20,000 from Mrs. Harriet A. Crowe, 67 years of age and blind, by false pretenses. Mrs. Crowe, who is the widow of a formerly prominent busi-bess man of Dillon, Montana, was in-troduced to Mrs. Pierce about a year ago by a spiritualist. Mrs. Pierce, it is said, claimed she could restore Mrs. Crowe's sight by spiritual treatments and on three different econions, it is charged, obtained from her \$2,000 fees for services. Miss Fulmer was in-troduced as an assistant to Mrs. Pierce and they would talk with Mrs. Crowe for hours at a time, inducing her to be-
