LOCAL AND OTHER MATTERS.

BENEFIT OF LA PETITE MARION.—To-night is the last appearance of the Nathan Troupe at the Salt Lake Theatre, and the performance is for the benefit of La Petite Marion, who, assisted by the other members of the troupe, will appear in a fine comic entertainment, commencing with the "Irish Tiger," followed by the "Irish Tutor," and concluding with an oriental burlesque entitled "Cododad;" being an adaptation from the Arabian Nights, with songs, dances, &c. Remember this is the last appearance of the eleven-year old actress, the little Marion, who, all who see her will admit, is an extraordinary clever child. Go and see her in her farewell performance here, and give her a substantial and acceptable souvenir at parting.

WANTS THEM PAID.—In the Senate again has reported a bill to pay the expense of the prosecutions in Utah.

RAIN and mud, rain and mud, that's the matter to-day.

"ACROSS THE CONTINENT."—Mr. Oliver Dowd Byron, another "star" of the sensation school of performers, will commence an engagement at the Theatre to-morrow night, in the piece entitled "Across the Continent," of which he has made a specialty. This production is said to combine almost every incident of a sensational character that can be imagined as likely to transpire in a journey across the Plains from river to sea, including attacks by and fights with Indians, dangers by railway &c., &c., all of which, dished up by skillful actors like Mr. Byron, Mr. D. McKenzie and the best talent of the company, with new scenery, mechanical effects, music, &c., it may well be supposed will be acceptable to the lovers of the sensation drama. Don't forget it commences to-morrow night.

FREE AND EQUAL.—This is something like Wendell Phillips on religious and political consistency—

"Our fathers started with the principle that all men were free and equal, but for one hundred and fifty years Massachusetts allowed only church members to vote, and when she adopted the principles of the Declaration of Independence she wrote them out with her hand, but she did not get them into her heart. For years a Baptist clergyman was an object of contempt. As late as 1801 the few points of Massachusetts decency were to trace the family back to the *Mayflower*, graduate at Harvard College, be a doctor, a lawyer, or member of the Orthodox church, pay your debts and frighten your children to sleep by crying 'Thomas Jefferson!'"

If Wendell were to visit Utah and learn a little of political and judicial "consistency" hereabout, he would be able to render his next lecture upon such a topic still more incisive and brilliant if possible.

CHRISTMAS IS COMING!—Christmas is almost here. Notwithstanding the blockade and the immense amount of overdue freightage, a good time is in prospect for the holidays. If our many thousand intelligent readers wish to know where to obtain presents and gifts for the holidays, sons and daughters for their parents, brothers for their sisters, parents for their children, everybody for his friends, just read our advertising columns—there you will find where to go to be suited.

THE JUVENILE INSTRUCTOR.—In answer to the many inquiries concerning the non-appearance of the *Juvenile Instructor*, of late, we are requested to state that the paper ordered for it from the east, for some reason has not come to hand, most likely owing to the blockade on the U. P. R. R. The type is already up for the numbers due; and as soon as the paper arrives, it will be issued with all possible haste, till it is again up to date.

MRS. M. FIELD, who, we understand, is a lady of ability as a lecturer, has arrived in town from California. She will probably favor the public with a lecture at an early date.

THAT INVESTIGATION, in the Robinson case was resumed yesterday afternoon. Mr. Thos. Butterwood was again placed on the witness' stand and said that B. Y. Hampton was the first that passed him; he (witness) did not see Hampton's beard or face, but he wore a broad-brimmed hat, which he thought was slouched over both sides of his face. He recognized him by his figure. The man and woman who spoke to Hampton turned up or down the street west of Main St.

The next witness called was Mr. Baker, but not being present the prosecution rested.

The defence called Mrs. Frances Caroline Butterwood who, upon being sworn, said she lived in the 14th Ward; she had not lived in the same house eleven years. She arose at about nine o'clock that morning. A man called at the house and requested to speak with Mr. Butterwood. She left the room. Her husband did not tell her what the man said, and she never questioned him. She was summoned to attend the court by a man she did not know, half an hour ago; she told the man who came for her that she knew nothing and could say nothing.

At 10 o'clock this morning the proceedings were resumed. Major Hempstead asked for an order for a subpœna for a witness to appear on the part of defence who lives some miles out in the country.

Mr. Thomas Williams was called and sworn on the part of the defence. He had resided twelve years in this city. Was Treasurer in Salt Lake Theatre in 1866, had been Treasurer four or five years previous to October, 1866. He could not tell what was played on the 22nd October, without the record. The record was handed him, which he recognized as the record of the Theatre. On Saturday Mr. Irwin played, "Marble Heart." "Fanchon the Cricket" was performed on the 23rd. There was no performance on the 22nd, as is clearly sustained by the books. Another book was produced, which he recognized as a bound volume of the programmes of the Theatre, he said Mr. Caine had them bound. The time book of the musicians shows there was a performance on Saturday 20, Tuesday 24, Thursday 25 and Saturday 27, October, 1866. Julia Dean played her benefit 30th of June, 1866, which was her last performance.

By this time Mr. Baker was in the room, and was called and sworn. Upon being asked why he did not give the information he now professed to have concerning the murder at the time it occurred, he replied he was fearful for his safety. He recognized Mr. Toms at his shop, on Main street, when he took a pistol to have the main spring repaired; his partner was with him. He saw Mr. Blythe at Mr. Morris' the day before the murder,—they talked together in the far end of the store. Mr. Johnson, his partner, was with him, and they bought vegetables there. They went to the Boise stables, to get a mule to take their truck. Found Mr. Blythe there on his return. Does not know Morris' first name. Mr. Morris had a light coat on. At night Mr. Morris had on a thick coat, wore full whiskers and mustache. Mr. Baker was in jail for several days and nights at Elko, Nevada. Adjourned to 10 a.m. to-morrow.

Mr. John C. Graham was called and sworn by the defense. He has been treasurer of the Theatre since one year last June, and has acted there for seven years. In October 1866 he was an actor in the Theatre; he recognized the records produced in court as those he received over one year ago.

Mr. John T. Caine was sworn. He was managing the stage of the Salt Lake Theatre in Oct. 1866; he recognized the volume of bills and programmes as one bound by his directions. He could not tell whether there was a performance, Oct. 22, 1866, without examining the bills. On examining them he said that they played on the 20, 23, 25 and 27. He always had a bill posted. Court adjourned.

RETURNED.—Elder Mark Lindsey arrived to-day on his return from his mission to the East. He came back much sooner than he had anticipated, in consequence of the serious illness of his wife. So far as his mission only was concerned, he would have been glad to stay longer, for he had found excellent openings for the spread of the truth. He was very kindly received and treated in many instances and indeed generally. He speaks in grateful terms of the liberality and kindness of Mr. Ferguson, editor of the Bridgeton (N. J.) *Pioneer*, of an editorial gentleman at Vineland and also of others.

On his return Elder Lindsey was "blockaded" by the snow two days at South Pass and Rawlings. The train plowed through snow four or five feet deep, running off the track and disabling seven engines.

At Dale Creek bridge the engine broke company with the carriages and ran ahead several miles, leaving the cars to run over the bridge at high speed. Coming back the engine dashed into the cars, and for miles, Christmas presents, groceries, turkeys, etc., strewed the ground.

Bro. Lindsey heard that about 500 freight cars were at Omaha and other stations, bound westward. He saw 20 at Sherman marked "Ogden, time goods," of date Dec. 5, 6, 7 and 8, 50 at another station for Ogden and Salt Lake, and 100 at South Pass for the same destination.

Brother Lindsey appeared in excellent health and spirits.

140,000
SINGER SEWING MACHINES

WERE SOLD WITHIN THE PAST YEAR. — *Scientific American*, June 10, 1871.

The Singer Manufacturing Company,
AT THE WORLD'S FAIR

—Constituted by the homes of the people—

Received the Great Award of the Highest Sales and have left all rivals far behind them, for they

Sold in 1870 127,833 Machines!

SEWING MACHINE SALES FOR 1870.

"The magnitude to which the manufacture of Sewing Machines has attained is shown by the "SWORN" returns (to which any one can have access) of the manufacturers for the year 1870 to the owner of the leading patents, on which they pay a royalty. According to these returns the number of machines sold by each manufacturer in 1870 is as follows:

The Singer	**127,833**	Florence	17,600
Wheeler & Wilson	85,236	Gold Medal	8,912
Howe	75,156	Ætna	5,806
Grover & Baker	57,402	Empire	3,560
Weed	35,000	Finkle & Lyon	2,400
Wilcox & Gibbs	28,890	Parham	1,780
American Button-hole & Overseaming	14,673	Wilson	600

And several other companies who sold a few Machines.

It will be seen by this table that the popularity of the Singer Machine far exceeds that of all others, their sale being one-half greater than even that of the famous "Wheeler & Wilson" machine. This is owing to the fact that the Singer Company have lately commenced making, besides their old and well-established manufacturing machine, what is known as their "New Family Machine," which is selling at the rate of nine to one better than their old styles. Their total sales for 1869 were 81,781 machines against the 127,833 of 1870, showing an increase of one-half in the latter year."—*New York Sun.*

One-half of our Gigantic Sales now nearly

THREE-QUARTERS OF A MILLION
Machines Sold,

AND ALL IN PRACTICAL USE, WERE MADE WITHIN THE PAST THREE YEARS!

But the greatest increase of our Sales over all other Machines, being within the past year This is incontestible proof that

Our Machines are the Best in the World!

The New Family Singer Sewing Machine,

With Attachments for All Kinds of Work,

Is fast winning supreme favor in the household, as shown by the rapidly increasing sales, over all other machines.

This New Family Machine is now capable of a range and variety of work, such as was only recently thought impossible to perform by machinery. We claim and can show that it is the cheapest, most beautiful, delicately arranged, nicely adjusted, easily operated, speedy and smoothly running of all the Family Sewing Machines. It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sew with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the interlock-stitch alike on both sides of the fabric sewn; the only stitch yet universally approved, or is at all adapted to first-class work. Thus, leather cloth, or leather may be sewn with great strength and uniformity of stitch, and, in a moment this willing and never-wearying instrument may be adjusted for fine work on gauze or gossamer tissue, or the tucking of lactation, or ruffling, or almost any other work—even by a child—which delicate fingers have been known to perform. Even the careless and thoughtless have little to fear in its use on this machine.

Send for Descriptive and Price Circulars.

We manufacture our own needles, silk and twist; furnish linen and cotton thread and oil—all of superior quality—but which can be relied on only when obtained through our Principal or Branch Offices, or Agencies.

A GREAT MEDICAL DISCOVERY!

MILLIONS BEAR TESTIMONY TO THE WONDERFUL CURATIVE EFFECTS OF

J. WALKER'S VINEGAR BITTERS

Which are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the **GREAT BLOOD PURIFIER** and **A LIFE-GIVING PRINCIPLE**, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. **Such Diseases** are caused by **Vitiated Blood**, which is generally produced by derangement of the **Digestive Organs.**

DYSPEPSIA OR INDIGESTION, Headache, Pain in the shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.
