EVENING NEWS.

LOCAL AND OTHER MATTERS.

Sunday School Meeting.—Superintendents and Teachers of Sunday Schools, will please remember their meeting to-night at 7 o'clock, in the Assembly Hall.

Phœnix Again. — Milton Nobles and "Phœnix" are among the early probabilities at the Theatre. He and his troupe have been doing a good business in San Francisco, and will soon be on their return east. They will give us a call *en route*.

Death from Apoplexy.—The sad news comes from Fountain Green, Sanpete County, of the death by apoplexy on the 1st inst., of Brother Joseph Rowbery, of that place. He was chopping wood, about noon on that day, when the fit came on, and he died three hours afterward. He was firm in the faith to the last.

A Sharp Row.—On Saturday afternoon, so says the *Junction*, a short but very sanguinary conflict took place between Gus Peterson, of Plain City, and Charley Duchenau, a well-known stock dealer. The fracas took place on Fifth Street, near the corner of Main, and while it lasted was very interesting. Both men were pretty badly bruised, sling shots, teeth, fists and other weapons being used. An old feud was the cause of the row, the two principals of which were arrested.

Grand Jury.—Following is the Grand Jury of the December term, empaneled this forenoon:

33 John Cunnington, (foreman,) 158 Richard E. Egan, 134 Robert Aveson, 60 John W. Reed, 37 M. B. Sowles, 18 Gordon S. Beckstead, 162 David O. Willey, 46 Robert Harmon, 6 Ephraim Harker, 62 John H. Fox, 61 Morris H. Lipman, 166 Thomas J. Steed, 47 Samuel Auerbach, 130 David Hilton, 67 Wm. Showell.

Chief Justice Hunter delivered his charge, most of which was given verbally, and the Jury retired to begin operations. The Court adjourned till to-morrow at 10 a. m.

The Hand of Death. — We are sorry to learn of the death, on the 4th inst., of Mr. John Glass, of Los Angeles, California, father to Messrs. J. B. and A. T. Glass, of the Studebaker establishment in this city. The sad news reached the last named gentleman Saturday morning, he having been left here in charge of the business during the absence of his brother, the manager, whose departure for Los Angeles we noticed several days ago. He went to spend the holidays with his father and family relatives. Mr. A. T. Glass left Saturday afternoon for Los Angeles, to be present at the funeral. We extend our sincere condolence to all who have cause to mourn.

Barn Burned—On Friday night, about 12 o'clock, a barn belonging to Mr. P. H. Lannan, located near his slaughter-house north of the Warm Springs, was burned to the ground, with its contents, including three horses and some harness, etc. It was seen first about midnight by a young lady returning from a party in that neighborhood, but was not known to the work hands who sleep at a house near by until 3 o'clock on Saturday morning, their usual hour of rising, at which time the building was entirely consumed. Among the horses mentioned was the racer "Chief," formerly owned by the late Joseph A. Young, and for several years the property of Mr. Lannan. The loss will foot up to $2,000. Cause of fire unknown.

Returned Missionary.— We had a call this morning from Elder Richard A. Ballantyne, of Ogden, who returned home on the 21st of last month, from a mission to the Southern States. He left for that field, on the 4th of November, 1879, and during his absence was travelling in Tennessee and Virginia. In company with Elder G. R. Hill, in Tennessee, he baptized 10 persons, and in Virginia the two also worked together awhile. Brother Ballantyne then labored with Elder W. W. Fife about four months, and afterward with Elder A. D. Thatcher, who was released at the same time with Brother Ballantyne to return. The latter had been poor in health for some time previous to coming home, but is feeling much better now. Just prior to his leaving Virginia, four Elders from Utah arrived there to operate in his stead, and he left them all feeling well. He and they were treated very kindly by the Saints there, and by other friends not connected with the Church.

"Leader" Locals.—From the Logan *Leader* of Friday last:

Along the line of the Utah and Northern, between Mendon and Deweyville, vigorous efforts are being made to prevent snow blockades this winter by putting up snow fences at exposed points. Long lines of snow fences have been placed at points on the "divide," where past experience has shown the greatest danger of blockades to exist in the windy, snowy weather. The traveling public will appreciate such efforts on the part of the management of the road, which are designed to insure to passengers, safe, certain and rapid transit. We understand that similar work is being done at various points along the road north of Logan.

The B. Y. College has succeeded in obtaining, through the courtesy of Professor Karl G. Maeser, of the B. Y. Academy of Provo, a copy of a map showing the localities of places and travels described in the Book of Mormon. The map, although not complete in detail, was compiled with careful study and as great degree of accuracy as was possible and will doubtless be of great assistance to the class now pursuing the study of the Book of Mormon at the College.

A young man by the name of Riley Smith came nearly being killed at Smithfield a few days since. The horse on which he had just mounted reared up and fell over backwards squarely upon him. The horn of the saddle struck him in the pit of the stomach making a painful bruise, while the rim struck his pelvis bone, inflicting internal injuries. It was at first thought the young man could not survive, but we are pleased to state that he is now steadily improving.

The box office will open to-morrow morning at 10 a.m., for the sale of tickets.

IT IS TRULY WONDERFUL

TO SEE what improvements now exist as compared with railway travel only a few years ago. To become convinced of this, one has only to select for his route East, the popular and well-known

CHICAGO & NORTHWESTERN RAILWAY.

You are landed by the Union Pacific R. R. in the Union Depot at Council Bluffs, where stands the C. and N. W. Palace train, composed of Pullman Hotel Cars, Fullman Sleeping Cars, elegant Day Coaches, Smoking, Baggage, Postal Cars, etc., ready to convey its passengers through Iowa and Illinois, and into Chicago. Gliding smoothly along over the superb track of steel rail through thriving cities and villages, comfortably seated in this train, one scarcely discovers the high rate of speed at which he is riding. Trains of this road are always on time, connections sure, and passengers seeking pleasure, comfort, safety and ease in traveling, will find the "North Western" in excess of their expectations, and the greatest of all routes to Chicago and the East. Insist upon Ticket Agents selling you Tickets via this road; all Agents sell them. Examine your Tickets, and refuse to buy if they do not read over this Road. If you wish the best Traveling Accommodations, you will buy your Tickets by this Route, AND WILL TAKE NO OTHER. dawly

BRO. ROBT. SMITH is in town with his Enlarged Panorama of the Seven Wonders and Egyptian Pyramids and great events of modern history. He is on his way south, and will exhibit in a few of the wards of this city, to aid the Sunday Schools. The great events now consist of the Mausoleum or the Tomb of King Mosolus, the Destruction of Jerusalem by Titus, the Battle of the Ironclads, and the Last Judgment, which should be seen by all, as all will have to be there at last. The entertainment will be interspersed with songs, solos, and clog dances. All who have witnessed the enlarged panorama are delighted, and call it the very best show traveling. The scenes are by our own home artists. The Last Judgment is Professor Kirkham's masterpiece. They will exhibit in the 7th Ward Tuesday evening, 15th Ward Wednesday evening, 16th Ward Thursday evening, and 17th Ward on Saturday, Dec. 11th. Turn out and see this fine show and fill the houses and aid the Sunday Schools, and you will never regret it. The end of the world is shown in the Pyramids. d12 2

"Don't Give Up the Ship."

When these words were spoken by our lamented Lawrence, it must have been a solemn time for those on board, and probably not a dry eye among them, seeing their commander mortally wounded, and still giving orders like the above; but not more solemn than when the family physician informs you that one of your family has an affection of the lungs, which, if neglected, will eventually terminate in consumption. But, reader, don't be frightened or "give up the ship," for Dr. Hale, a physician of Europe, discovered a remedy for Coughs, Colds, Hoarseness, Difficult Breathing, and all affections of the throat, bronchial tubes and lungs leading to consumption, and C. N. Crittenton, one of our leading medicine dealers, of No. 7 Sixth Avenue, New York, believing the market required an article which was certain, safe, and sure to do the work, and yet within the reach of all as regards price, etc., has purchased the original receipt from Dr. Hale, and we understand is selling very large quantities of the same, and, as far as we hear, it gives entire satisfaction. It is sold by all druggists in New York, Brooklyn, Jersey City, Newark, N. J., Hoboken, and in fact, all through the country, at 50 cents and $1. Great saving by purchasing the large size. Depot, Crittenton's, 7 Sixth Avenue, New York City.
