#### FRAGMENTS.

Two more days of the Legislative THERE was one drunk in the police

court to-day. Two cases of Salt Lake City vs. Wm. D. Palmer, in which the appeals were recently dismissed, were reinstated in

the District Court to-day. A STAY of execution pending a motion to reinstate, was granted in the Third District Court to-day, in the suit of Wm. Perego vs. Thos. Smith

THE Governor has appointed as notaries public, Samuel Francis, of Morgan County, John Boyden, of Summit County, and Christopher Diehl, of Salt Lake County.

THE suit of David F. Walker vs. Lewis B. Rogers was being tried before a jury in the Third District Court to-day. The property in dispute is household furniture.

In the Council this afternoon the sum of \$2,000, appropriated for the expense of the executive office, was withdrawn from the general appropriation bill, and the sum of \$2,250 placed in said bill, this amount having been found to be the actual expense of this office; adopted and bill forwarded to the House for their action thereon.

In the House branch of the Legislature, this afternoon, the members resumed the discussion of the bill authorizing the incorporation of companies for the construction of union railway depots, etc., Mr. West in the chair. At 3 p. m. further consideration of the bill was postponed, and the appropriation bill again taken up, which was being considered when we went to press.

A FRACTIOUS equine attached to a spring cart and tied in front of Savage's, on Main Street, to-day was frightened by the playing of a brass band, reared and plunged and finally settled down on its haunches and flopped over on its side. A crowd soon gatheredand extricated the animal from the harness and cart, which were apparently uninjured, and the horse arose to its feet.

#### LOCAL NEWS.

Relief Society Reports .- There is a misunderstanding concerning Relief Society reports. It is only Stake reports which are requested to, be sent to Dr. R. B. Pratt's office. The branch reports should be sent to the secretary of each Stake. For Salt |Lake Stake Mrs. Elizabeth Howard is secretary, and reports should be delivered at the

ROMANIA B. PRATT, Assistant Secretary.

Ratification Meeting.-A Pleasan Grove correspondent informs us that the ladies of Pleasant Grove met in mass meeting at that place on Sunday evening last, to listen to the reading of the speeches and addresses given by their Salt Lake sisters in the Theatre last Saturday. After the reading of the speeches, which was done by several ladies in turn in a creditable manner, a unanimous vote was taken endorsing the sentiments expressed and resolutions formulated by the ladies at head-

Enjoying His Freedom.-We had a call to-day from Brother Alfred Best, who was yesterday released from the Penitentiary, where he had served his sentence of six months, less the discount for good behavior, for being true to his religion and his wives, or, more properly speaking, for declining to make promises as to his future conduct such as no honorable and conscientious man can make. He feels no worse for his late experience, and ithas not tended to diminish but rather to increase the respect of his many

Young Man Missing. - Benjamin John Beer, 21 years of age, son of B. J. Beer of the Tenth Ward of this city, engaged to go to Wyoming with a man | tion of which desire a school, inaugunamed George Potter, to work on a rated by the prisoners with the permisranch, and started in December last. He was taken sick on reaching Rock Warden, is doing a good , and Springs and remained there with a man named Orrin White, for whom he worked for a short time after his readmiration, has taken place since the covery, and then left to seek employment elsewhere. His parents have incarceration of "Mormons" within heard nothing of him since, and the penitentiary walls for their refusal to renounce a principle of the Gospel are filled with anxlety lest someof Christ, and is due to their influence thing serious has befallen him. -the influence of true disciples of the An item published in the News a short time ago of the remains of an unknown | Lord, who, whether at liberty or imman being found, torn to pieces, near mured within prison walls, are still Harper's and taken to Laramie, where consistent and faithful adherents to the cause of truth. And it is this class they were not identified, has caused them to fear that they were those of of men, whom he says are the best their son. The missing boy was five behaved of all the prisoners, that the Marshal, by enforcing more stringent feet ten inches in height, of slim build, light complexion, and with light blue eyes, and weighed near 140 pounds. Any information concerning his whereabouts or fate will be gratefully received by his auxious parents .- [Wyoming papers please copy.

Priesthood Meeting .- The Priestbood meeting of the Sait Lake Stake of Zion convened at 11 s. m. on Saturday, March 8th, High Councilor Wm. Eddington presiding.

All the wards of the city, except the Fourteenth, were represented; of the country wards Draper, South Jordan

Twelve Presidents of Seventles, thir-teen Home Missionaries and ten Presi-dents of Elders Quorums responded to the roll. The Lesser Priesthood was also largely represented.

Four brethren were recommended for ordination to the office of Elder,

and were sustained by unanimous vote.
Bishops Alexander McRae and Orson
F. Whitney, and Counselor James C. Warson were the speakers. The subjects dwelt upon were the present situation, the necessity of keeping the Word of Wisdom, and setting in order the families of the Saints in accordance with the command of the Lord.

Bishop McRae related a circumstance that occurred while the Prophets Joseph and Hyrum Smith, and himself and others were imprisoned in Liberty jail, Clay Co., Missouri, when on one occasion coffee or tea (he had forgotten which) was brought as usual to the prisoners, in connection with their regular meal. The beverage had been poisoned, and all that partook of it were more or less affected; one man was blind for three days as a result,

were more or less affected; one man yas blind for three days as a result; while those who declined to take it because of their strict observance of the Word for Wisdom, even under those forbidding circumstances, escaped from the suffering that those who indulged had to endure, thus showing that safety could be found only when obserying the counsels of the Almighty.

High Councilor Eddington gave a strong exhortation to the Bishops and others to be examplars to the people in all things, that their influence for good might be left in their respective districts, and the meeting adjourned.

A slight cold, if neglected, often at-tacks the lungs. Brown's Bronchial TROCHES give sure and immediate re-lief. Sold only in boxes. Price 25 cts.

Angostura Bitters is known as the great regulator of the digestive organs all over the world. Have it in your house. Ask your grocer or druggist for the genuine article, manufactured by Dr. J. G. B. Siegert & Sons.

MARTIN GARN ARRESTED. About 9 o'clock this morning deputies appeared in Sugar House Ward and arrested Martin Garn, on a charge of having violated the third section of the Edmunds law by living with more than one woman as his wives. He was brought before Commissioner Critchelow for examination this morning, and his bonds fixed at \$1,500, which were given. The examination was to be resumed at 8:30 this afternoon.

ONE MORE.

W. SNELL SENT TO THE PEN - HE HAS NO "PROMISE" TO MAKE. Mr. John Wm. Snell, convicted of the orchestra; and the clarionet by Sr living with and acknowledging his A. Galarza in his solos, and the xylowives, contrary to the provisions of phone in the solo by Sr. Curti. The the Edmunds law, and whose sentence music was charming, resembling much, was set for to-day, was called up in but altogether superior to, that renthe Third District Court this morning, to receive judgment. The Court asked, "Mr. Snell, are you willing to-day today to say you will obey the laws of the United States against polygamy and unlawful cohabitation?" Mr. Snell-Your honor, I am willing

to let my actions in the past speak for my future conduct. Court-You make no promise about

Mr. Snell-No, sir. The Court, then, after telling Mr. Snell that he would be compelled to be an associate of criminals and was an enemy to the country, and making other similar statements, inflicted the joy the concert. It is a treat none full penalty of imprisonment for six months and a fine of \$300 and costs. Brother Snell took his place this afternoon among those condemned to suffer imprisonment for conscience' BY TELEGRAPH.

The True Reason.—The cause assigned by the U.S. Marshal for stopping the local papers from going to the 'pen" not having been satisfactory, the true reason appears to have at last come to light! Of course it is impossible for any reasonable person who knows anything of the circumstances knows anything of the circumstances to believe that the step was not taken solely to inflict a severe penalty on "Mormons" for being true to their the switching necessary to bring trains the switching necessary to bring the switching necessary to be switched necessary to be switche wives and children, but taking the Marshal's assigned reason for the act, that it was because ill feeling had been engendered among inmates of the pen, a glacce at the facts reveals the official's perfidy. "The "illfeeling" created may be exemplifled by comparing the conduct of the prisoners a year ago with that of recent date. Formerly iso vicious was the general feeling that was only waiting an opportunity to find vent that it was positively dangerous for the Warden or any single one of his of the difficulty. Few men are in the assistants to miagle with the prisoners inside the jail, and when those officials had occasion to go inside, their wards were usually gathered together in one corner like so many wild beasts until the visitor retired. Now any officer of the prison can go among the inmates. | the advance. ningle with them in perfect safety, and nstead of being glared and frowned at, by men whose apparent desire was to do them the worst injury they could, are treated with [respect and find no evidence of malice or vindictiveness among those whom their

duty requires them to keep in confine-

resumed work at noon to-day under ment. A year ago and prior to that time a number of what were called the most hardened convicts were heavily ironed, the sweat-box was brought into frequent requisition, and the bread-and-water diet and other punishments resorted to; to-day manacles and ball and chain are scarcely thought of, and the sweat-box and other instruments of torture to enforce discipline are looked upon almost as relics of a past age. Then, the most awful blasphemy, obscene language, lewd songs and frequent quarrels were the companies to clear the depot of all freight. order of the day, and especially was the Sabbath evening, after "Christian" ministers had formed their services, desecrated by the fearful imprecations, coarse jests and ribaldry of men who had no TROY, N. Y., 9.—On the street car lines between Troy, Lansingburg, Co-hoes and Waterford, no cars started this morning, the conductors and drivers to the number of 300 being orregard for God or devil. Now the voice of blasphemy is hushed, the not entirely ceased, and in the stead thereof has arisen in the breasts of even the most hardened criminal and the stead thereof has arisen in the breasts of even the most hardened criminal and the stead thereof has arisen in the breasts of even the most hardened criminal and the stead thereof has arisen in the breasts of even the most hardened criminal and the stead thereof has a rise in the breasts of even the most hardened criminal and the stead thereof has a rise in the breasts of the stead thereof has a rise in the breasts of the stead thereof has a rise in the breasts of even the most hardened criminal and the stead thereof has a rise in the breasts of even the most hardened criminal and the stead thereof has a rise in the breasts of even the most hardened criminal and the stead thereof has a rise in the breasts of even the most hardened criminal and the stead thereof has a rise in the breasts of even the most hardened criminal and the stead thereof has a rise in the breasts of even the most hardened criminal and the stead thereof has a rise in the breasts of even the most hardened criminal and the stead thereof has a rise in the breasts of even the most hardened criminal and the stead thereof has a rise in the breasts of even the most hardened criminal and the stead thereof has a rise in the breasts of even the most hardened criminal and the stead thereof has a rise in the breasts of even the most hardened criminal and the stead thereof has a rise in the breasts of the company and the stead the company and the stead thereof has a rise and the stead the company and the st ceived in this city, this morning, an-nouncing the death, at Purdy's Sta-tion, West Chester County, of ex-U. S. Senator Jerome B. Chaffee, father-inhoping for a better life, in the realizasion and under the control of the of acute meningitis. lasting work. And all this ima provement, so great that its contemplation excites wonder and Privature, 9. — Fifteen hundred street car laborers in this city and Allegheny threaten to strike, owing to

rules, is endeavoring to aaney, injure and oppress. One glance at his course and Iron Mountain yard everything is and from Mountain yard everything is quiet and no disturbance has occurred and none is expected. The squads of guards appointed by the Knights are continually patroling the yards, protecting the company's property, and dispersing groups of men who become at all excited in discussing the situation, and in this way perfect order prevails. A rumor to the effect that carries the mind back to the dark days of the inquisition, and makes one forget that he is living in the full light of Nineteenth century civilization. Destructive Rodents. - A great many fruit and shade trees have been killed during the winter in certain parts of this country and probably in East St. Louis which have yards in East St. Louis will strike this evening, is in circulation. This has been confirmed by one of the superintendents of the Bridge and Tunnel Company who says that such a move is certainly in contemplation. The Kuights when questioned about the affair maintained strict silence and will make no statement other portions of the Territory by the ravages of field mice, musk rats and other destructive rodents, which seem to grow more numerous in this region and Brighton had no representatives present. Prest. Edward Snelgrove, of the High Priests' Quorum, was on the favorable for their increase or less faand will make no statement in confirmation or denial of the rumor. A sub official of the Missouri Pacific roadissid to a reporter last night: "You are aware that we are expected to say nothing and saw wood, but I will say confidentially to you, that from inside I know the extent and meaning of vorable for their propuring other food, we are nashle to say, never before so far as twe can learn have they made such havoc among the trees as lately; in fact, they have generally been regarded as harmless and no effort has been made to check their increase. Now, however, it seems that the time has come for some organized plan to be adopted to curtail their number or voracity or protect trees against their ravages if we hope for fruit, shade or timber. They gasw the bark off the trees near the surface of the ground and in some instances, where the trees are not very large, sever their entire trunks, in either ease completely destroying them, as the top of a tree necessarily dies when its trunk has been girdled. Valuable pear and other fruit trees, of several years' growth, as well as locust, poplar and other shade trees, have thus been in 1877." check their increase. Now, however, it seems that the time has come for than the head officials would admit

be devised. If any of our readers have

had experience in such matters, and

and other shade trees, have thus been More Discharges. destroyed on farms near this city dur-Sr. Louis, 9.—The managers of the Missouri Pacific Railway offices in this city to-day, notified their clerks that they had decided to relieve them from duty indefinitely. This action has been taken by ing the past few months and the owners in some instances hesitate about planting any more lest they share a similar fate. The trees could doubthas been taken by the company in or-der to curtail as much as possible their expenses during the continuance of the Knights of Labor strike upon their road. The order affects 60 telegraph operators and 200 office cierks. less be protected by wrapping the trunks for the winter season, though this would involve a good deal of trouble, and a better plan would perhaps be to destroy the pests if a safe and efficient means of doing so could

More Resolutions of the Senate Backed by a Speech From Edmunds.

L had experience in such matters, and can suggest a means of preventing the evil mentioned, we shall be pleased to publish the same for the benefit of the suffering public.

-Considerable excitement exists in New Mexico over the reported dispersory of petroleum near Albuquerque.

Washington, 9.—Under the head of unfinished business the Senate took up the resolutions reported by Edmunds from the judiciary committee. These resolutions, among other things, condemn the Attorney General for refusing to transmit to the Senate and declare that refusal to be a violation by the Attorney General of his official duty, and subversive of

the fundamental principles of govern-ment and good administration. The resolutions also condemn the dis-The Mexican Orchestra. - The Mexican Typical Orchestra gave a most delightful entertainment at the charge from government service of ex-union soldiers.
