Another club woman, Mrs. Haule, of Edgerton, Wis., tells how she was cured of irregularities and uterine trouble, terrible pains and backache, by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM: - A while ago my health began to fail because of female troubles. The doctor did not help me. I remem-bered that my mother had used Lydia E. Pinkham's Vegetable Compound on many occasions for irregularities and merine troubles,

and I felt sure that it could not harm me at any rate to give it a trial. "I was certainly glad to find that within a week I felt much better, the terrible pains in the back and side were beginning to cease, and at the terrible pains in the back and side were beginning to cease, and at the time of menstruation I did not have nearly as serious a time as heretofore, so I continued its use for two months, and at the end of that time I was like a new woman. I really have never felt better in my life, have not had a sick headache since, and weigh 20 pounds more than I ever did, so I unhesitatingly recommend your medicine."—MRS. MAY HAULE, Edgerton, Wis., Pres. Household Economics Club.

When women are troubled with irregularities, suppressed or painful menstruation, weakness, indigestion, leucorrhea, displacement or ulceration of the womb, inflammation of the ovaries, general debility, and nervous prostration, or are

Lydia E. Pinkham's Vegetable Compound at once removes such troubles. Refuse to buy any other medicine, for you need the best.

## Frances Cook, Box 670, Kane, Pa., says :

"DEAR MRS. PINKHAM :-- I suffered for ten years with leucorrhea, but am glad to say that through the use of Lydia E. Pinkham's Veg-etable Compound and her Sanative Wash I am cured, for which I am very thankful."
