CITY COUNCIL MATTERS

Desk Sergeant Emery Complains That He Has Been Unfairly Dealt With.

STOCK BROKERS' ORDINANCE PASSED.

East Bench Matter Compromised—Deposed Policemen to be Paid—Mrs. Richards is Confirmed.

Last night's City Council meeting was devoid of anything particularly special. Desk Sergeant David S. Emery, in a communication addressed to the Mayor and Council complained of Chief Pratt with reference to his case and the ordinance licensing and taxing stock brokers passed. The controversy over the East Bench canal was settled and a number of judgments against the city, aggregating [illegible] were referred to the committee on municipal laws.

THE PROCEEDINGS.

Desk Sergeant Emery addressed the following communication to the Council, which was referred to the committee on fire and police:

"On the 26th day of May last I was confirmed by the City Council as desk sergeant in the police department, and immediately entered upon the duties of said office. On or about Oct. 26 I was taken sick, and desired to go to Cache valley to consult a physician who had been highly recommended to me. I asked Chief Pratt for leave of absence for about two weeks, and proffered to furnish a competent and reliable substitute while I was away, who would divide the salary with me. The chief gave me leave of absence, but said he would put on a man himself who would divide the salary while I was away. I received one-half the salary for the balance of October, but have not received anything for November. My physician now recommends that I go to California for a few months, as the climate there will be beneficial and materially aid in my recovery.

"I renewed my request to the chief to allow my brother, S. F. Emery, to take my place until my return. He is in every way qualified to perform the duties of the office and is willing to do the work and divide the salary with me, thus enabling me to make the trip for my health. The chief refuses to allow my brother to take my place and asks me to resign, so that he may appoint some one else in my place.

"I now ask the Council for my salary for the month of November and for such further action as may be deemed just and right in this matter."

STOCK BROKERS TAXED.

The ordinance licensing stock brokers was taken up and passed, Hackle voting no.

The ordinance provides that "any person, firm or corporation engaged in the business, trade or profession of selling stocks" shall pay $[illegible] per year to the city treasurer.

Hackle voted against the measure because he thought it unjust to [illegible] who [illegible] claims and wanted to sell stock for the purpose of developing them.

[illegible] said it was aimed at one class of men only, viz. "curbstone" operators.

EAST BENCH MATTER COMPROMISED.

The contract between the city and the Pleasant View Irrigation company, which provides for the building of [illegible] canal, as recommended by the irrigation committee, passed by a vote of [illegible]. Aldermen Hackle, [illegible], Robertson and Wallace voting in the negative. The opposition to the contract was on the clause providing for the giving of thirty days' notice to the irrigation company in case the city desired to abandon the canal. It was argued that a provision of this kind would militate against the city, for the reason that it would not be able to turn off the water in a dry season.

JUDGMENTS AGAINST THE CITY.

The recommendations of the city attorney for payment of $[illegible] on judgment of [illegible], and $[illegible] on the judgment of [illegible] were referred to the municipal laws committee, as was a recommendation for payment of $[illegible] to reimburse certain persons for money paid on sprinkling taxes.

The recommendation of the committee on claims that Justice of the Peace Morris [illegible] be tendered $[illegible] in full payment of all claims for trying police cases was adopted. Mr. [illegible] declined to accept the offer, but said he would take $[illegible].

Hartbert & [illegible] and others asked the Council to make provisions permitting them to operate their slot machines, the machines to operate on machines paying directly or indirectly in money. Referred to committee on licenses.

The monthly statement of the waterworks department showed expenditures of $[illegible] on pay-roll, $[illegible] for maintenance, material, etc., $[illegible] for construction, $[illegible] for improvements, $[illegible] on department accounts sundries, $[illegible]. Total, $[illegible]. Issues from [illegible] in excess of receipts, $[illegible].

Mayor Clark's appointment of Mrs. Emily S. Richards as director of the free public library was confirmed on recommendation of the library committee.

The library trustees requested the use of an additional small room in the basement for cataloguing and storing purposes, and also for heating the library in the evening. Referred to the committees on library and [illegible].

Henry Moller applied for the privilege of renting Pioneer square for the winter, to be used as a skating-rink. He also wanted the use of sufficient water to flood the park. Referred to committees of public grounds and waterworks.
