

IT WILL BE A GALA DAY.

Salt Lake Stake Sunday Schools to Spend
Tuesday at Liberty Park.

List of Attractions in index Bicycle
Races and All Sorts of Sports to
Amuse Little Ones.

As June 30 draws near, doubt as to the success of the Salt Lake Sunday school reunion fades away. There is no longer any question; all fully realize that a day of genuine sport is in store for them and await the day with pleasant anticipations. The busy business man is already regulating his work so that he will come out about 12 hours ahead of it when the majestic king of day climbs the eastern slope of the Rockies, next Tuesday morning, and casts his life-giving beams over the beautiful valley, chasing away the dews of night. Already the Sunday school boys and girls are planning to do up all their chores on Monday, while the mother is carefully estimating the number of tarts, doughnuts, sausage rolls, biscuits and the like that will be required to feed the frolicking lads and lassies made hungry by participating in the games and sports of the occasion.

The committee seems to breathe more freely and to a great extent have lost that "Wonder-how-we-can-do-it?" air that their faces have worn for the last two weeks, for they are in satisfied tone. "Our arrangements are now receiving the finishing touches; obstacles are all being removed, and fortune is favoring us at every turn." It is sincerely hoped that the thousands of the respective wards will become thoroughly enthused with the spirit of the occasion and arrange to accompany their schools to Liberty Park Tuesday, June 30, in time for the forenoon attractions, viz., bicycle races and various juvenile sports.

Many new seats and tables are being constructed, and Parkkeeper Erickson is adding to the already beautiful grounds in many ways. Hundreds of attractive cards advertising the event have been placed in the store windows, not only in the business center, but throughout the stakes and thousands of handbills are being distributed. Then also 25 or more streetcars are carrying banners announcing some of the important features.

The prices are cheerfully subscribed by business houses are displayed in the window of Van Sant & Chamberlain, 32 South East Temple street.

ATTRACTIVE IN VERSE.

A description of some of the various attractions is given in verse as follows:

Come fathers, and mothers, come uncles and aunts,
Come all you who love to indulge in the dance,
Come silver-haired grandparents, vigorous as boys,
Come with a good will and add to our joys.

You can romp with the giddy, or watch with the grave,
Your reason will dictate the way to behave.
Be sedate as the stoic, or gay as the lark,
But come and be happy once more in the park.

There are open green lawns, and cool shady bowers,
And broad gravel paths all bordered with flowers.
There is verdure and beauty, and fragrance all round,
'Tis the loveliest spot in the state to be found.

The automobile! The bicycle racer! The much maligned donkey, that wonderful racer,
Will all bring their skill to amaze or amuse you;
And the baseball as well, will be there to enthrall you.

Then the brave boys in blue from the fort on the hill,
Will be there with the band boys and give us a drill,
And we'll give them a cheer, for we've proven their worth,
And know Uncle Sam's are the bravest on earth.

And that band gives a concert so fine, as you know,
That we doubt could be rival'd wherever you go.
Then for dancing, and doing, for music and sport,
There are none to compare with our boys from the fort.

Then mothers and nurses, don't you forget,
There's a kindergarten for you and your pet;
With the merry-go-round, and the pop corn man,
And pond filled with ducks as white as the swan,
All agree for the crumbs the babies can spare,
So mothers and nurses be sure you are there.

Hot Weather Weakness.
If you feel fagged out, listless and lacking in energy, you are perhaps suffering from the debilitating effects of summer weather. These symptoms indicate that a tonic is needed that will create a healthy appetite, make digestion perfect, regulate the bowels and impart natural activity to the liver. This, Herbine will do; it is a tonic, laxative and restorative. H. J. Frengard, Propr., Grand View Hotel, Cheney, Kan., writes: "I have used Herbine for the last 12 years, and nothing on earth can beat it. It was recommended to me by Dr. Newton, Newton, Kan." See at Z. C. M. L. Drug Dept.

Diminished Vitality.
Some people talk very flippantly about diminished vitality. They don't stop to think that vitality is the principle of life—that it is that little understood something on which every function of their bodies depends. Diminished vitality is early indicated by loss of appetite, strength and endurance, and Hood's Sarsaparilla is the greatest vitality.
