British Columbia. Lloyd is a carpenter and builder and has been in the province for several years, bearing a good reputation previous to this time. Much sympathy is felt for the girl who is highly spoken of by her acquaintances and people for whom she has worked as a domestic.

D. W. Jones has returned from his tour of the southern portion of the county, where he has been presenting his scheme for obtaining land for settlement on the Uintah reservation; he has obtained many new members of his colonization company. Tuesday he lectures before the students of the Brigham Young academy. This will close his labors in this county and he will next visit other counties north of here.

Jesse Knight is suffering with a displaced knee cap, the result of his horse falling with him, while driving stock on the range a few days ago. Mr. Knight has to use a crutch in walking but expects soon to fully recover.

Marriage licenses have been issued by Alva Thatcher, aged 26, and Allie S. Tanner, aged 21, both of Payson; Wm. H. Davis, aged 24, and Frances G. Finch, aged 18, both of Goshen.

LOGAN.

LOGAN, UTAH, - - OCT. 31, 1895.

Cache County Items.

Doctor C. Kunz, a German who has been visiting Cache the past few months, the guest of the Lang family, was arrested yesterday on a complaint sworn to by Mrs. Elizabeth Lang, charging him with obtaining from her $300 under false pretenses. She alleges that Kunz represented he was about to purchase cattle for a Kansas City firm and that a portion of which she was interested; that great profits would result, and that her husband, Albert Lang, and herself would be able to make about $200 per month aside from the profit arising from the investment. On this representation she let him have the money, and she claims that Kunz has appropriated it to his own use. The arrest was precipitated by a row and fight between Kunz and Lang on Monday night in a saloon. The two men until then had been on intimate terms and have been on frequent carousals. Both will have to appear before the police justice when the more important matter is settled.

A ten-year old boy, son of O. Hadley, of Swan Lake, was brought to Logan on Monday to have a bullet removed from his anatomy. He and a companion were playing with a 32-caliber revolver on Sunday, with the usual result. The ball struck him directly over the heart, on one of the ribs. Fortunately for him the ball did not have force enough to break the rib, but glanced first downward, then upward and to the right, finally lodging in the cartilage uniting one of the ribs to the breast bone. Dr. Snow located and removed it.

L. L. Nann, who owns the controlling interest in the Hercules Power Co., and Mr. Bailey, the firm's attorney, both of Denver, have been in Logan for the purpose of seeing that the company's business affairs were in proper shape preparatory to the starting of the plant. Work has been progressing at a satisfactory rate. The power house is complete and other work is being pushed.

Wednesday, November 6th, is the day set for the inspection of the local militia by Inspector General Tatuock. Lieutenant Sayer, U. S. A., and Sergeants A. G. of U. cadets will proscribly participate. A grand military ball will be given in the evening. The boys are becoming thoroughly proficient in the manual of arms.

Jesse Bradley, of Hyrum, had one of his feet badly crushed and bruised by an immense boulder he dislodged while "snaking" log down a steep hill. The rock did not start rolling until he had passed, and the same cause by his team and the log prevented him hearing its approach.

A trainload of cattle have been purchased in southern Utah; twelve cars by Thomas Smart, and three by Rotes and Andrews. They have been shipped to Cache Valley and will be fed for market.

Funeral services over the remains of Mrs. Aaron De Witt were held yesterday at noon in St. John's Episcopal church, which was crowded. The funeral cortege was an unusual long one.
