Visiting Five Play Rough Game  
And Meet De-  
feat.

L. D. S. U. WIN FROM AGGIES.

Association Second Team Scores a Victory  
Over the Lehi High School  
Basketballers—Junior League.

There were some interesting basketball games played here Saturday night and the results of some were surprising. At the Y. M. C. A. gym the big game of the evening was played between the Association team and the famous Muscatine five. The visitors have been meeting the best teams of the country and have defeated most of them handily, but when they struck the Y. M. C. A. aggregation they ran up against a snag. The Muscatine played a rough game, in fact rougher than any team has played here in a long time, but in spite of the knock-down-and-drag-out tactics they were defeated by a good safe margin, the home team winning by a score of 23 to 10.

The first half there was a protest on the part of the captain of the local team and the Muscatine players were sent out of the gym. The game was then continued and the Muscatine team won in the second half.

The game was a hard fought one from start to finish and was thoroughly enjoyed by the large crowd of basketball enthusiasts present. The visitors were strong in passing baskets but in the matter of passing the ball the locals outclassed them. The teams lined up as follows:

Y. M. C. A. Muscatine.  
Stewart L. F. Kautz  
McCall R. F. Hayes  
Hoffman R. F. Lillibridge-Morgan  
Gunn R. G. Fuller

Before the big game the Y. M. C. A. second team and the Lehi High school five played a preliminary game which was won by the association boys by a score of 29 to 26. It was the first defeat for the visitors. Both teams played a clean game and it was just and interesting. The line up was as follows:

Y. M. C. A. SECOND. LEHI H. S.

YALE END FOR MINERS.

Alcott of Old Eli to Join Colorado Team.

Boulder, Colo., Feb. 9.—The most interesting football news that has yet been circulated this year in the University of Colorado was set ago among the fans of the football fans today by a letter from the east, which included the statement that Alcott of Yale would enter the Colorado school of Mines this year.

Alcott is a cousin of Tom Skinner, the famous all-arounder.

He was picked for end last year on the team and was first team player.

His rivals had for his position last year were Duane of Ann Arbor, Scott of Pennsylvania and Evenden of the California Indians.

To quit Walter Camp: "He was ad-

## HUSLER'S FLOUR

Every Day.

mittly the most certain catcher this year of any forward pass, heavier than any other, he had some advantage in work. He was a tackle on the offense, a point quite effective in Yale's play. A good interferer, he put the man out of the way without the playing an tendency to use either hands or arms.

The authority which is responsible for the report of Husler's play is absolutely reliable, and if the all-American star should come to the Mines his presence would be felt in western football more than that of any other man who has previously come from the east, and predictions for a Mines championship football team for the year after next would be strictly in order.

TOMMY BURNS AND JACK PALMER TODAY.

London, Feb. 9.—Tommy Burns, the American heavyweight pugilist, who will meet Jack Palmer of Newcastle tomorrow for the heavyweight championship, has been forced to forego a part of his training during the past week on account of a severe cold and a strained tendon in the right foot, but he is confident of his ability to make short work of his opponent.

The American is still a strong favorite in the betting circles of the north country, men, who are noted for the way in which they will back an Englishman against a foreign fighter, are asking long odds before they will back Burns. They are offered, however, to place \$5,000 to 2 to 1 that Palmer will stay six rounds. Burns' backers have not taken the bait, but Burns nevertheless believes that the fight will not last longer than that. He said today that he intended to make the fight as short as possible, as he has an engagement to give a number of exhibitions for the week, and must get into shape again for the fight in Dublin on March 9, for which Richard Crocker, the former Tammany leader, and one of the backers of Burns, is returning from Egypt.

Palmer is considered a somewhat better fighter than Gunter, who Burns put away in ten rounds, but has a reputation for hitting low, it being on an alleged foul blow to the groin that Burns decided upon him when last they met.

The betting at the club is 6 to 4 in favor of Burns.

Robert Watson, a sporting writer, whom Burns wanted at referee in his fight with Moir, will act in that capacity in the fight tomorrow.

Burns has been offered \$10,000 to go to Paris in April to meet a French boxer.

CITIZENS LOSE.

Cut Bank, Mont., on Railroad or State Land.

Helena, Mont., Feb. 9.—State Engineer John W. Moore returned this morning from Cut Bank, where he made a plat of the town, will report to the state board of land commissioners that practically every business house and residence of that town is situated upon land owned by the state and by the Great Northern railroad. This is the result of the recent decision of the court against a settler named Allison, from whom the property owners originally secured their deeds. The court affirmed the claims of the state and of the railroad, and it will be necessary for the inhabitants to secure leases to the land from the company until such time as they can again buy other lots at auction from the state.

INDIAN KILLS INDIAN.

Topoka, Kan., Feb. 9.—During a fight between Indians at a dance on the Potawatomi reservation, 20 miles north of here, Saturday night, John Wich-chi, a member of the tribe, was stabbed to death. Four other Indians, including Chief Mich-ne, at whose home the fight occurred, and Indian Policeman Rice received dangerous stab wounds. The Indians refuse to talk and no arrests have been made.

NIGHT RIDERS CONTINUE TO COMMIT OUTRAGES.

Hopkinsville, Ky., Feb. 9.—Last night at 10 o'clock a band of about 150 mounted night riders, masked, heavily armed and wearing the insignia of a secret clan, invaded Fredonia, Crittenden county, captured James Scarberry, operator of the Cumberland Telephone company, and cut all telephone connections. They then forced Dave Potter, a clerk in a drugstore, to open his store, in which they corralled several citizens and held them prisoners.

Leaving a large guard in the town, the others galloped to the village of View, five miles away, and blew up Alfred H. Cardin's tobacco factory, containing 35,000 pounds of tobacco, and set fire to and burned Mr. Cardin's barn, containing 10,000 pounds of tobacco belonging to him and his croppers. The loss aggregates \$10,000, with \$5,000 insurance.

After firing volleys into the air, the night riders returned through Fredonia and released their prisoners.

Eighty per cent of Crittenden county farmers have tobacco pooled in the society of equity. Cardin is not a member. He is a prominent citizen, 71 years of age, and was formerly a candidate for governor on the Populist ticket. The Planters' association has no organization in this county.

Copenhagen, Feb. 9.—A financial panic has arisen here on account of a tight money market and extensive speculations on the bourse. Two small banks have been affected and one of these forced to suspend payments. There has been a run on several of the banks. The minister of finance today conferred with the officials of five of the principal banks here and it was decided that the government in conjunction with the leading banks, guarantee all the risks for the banks affected by placing the necessary funds at their disposal, which will immediately satisfy all the Danish and foreign creditors.

## FIELD'S ESTATE TO PAY \$1,000,000 BACK TAXES.

Chicago, Feb. 9.—The trustees of the Marshall Field estate and the county attorney have agreed upon a settlement of \$1,000,000 in full satisfaction of the many claims of the county concerning back taxes on a list of unassessed securities scheduled in the probate court after the death of Marshall Field in January, 1905. Atty. Harry P. Lewis and John M. Wilson, who represented the county and the estate respectively, in the negotiations, announced today that steps will be taken at once to have judgment in the amount agreed upon entered against the estate. The settlement ends a suit for \$7,730,000 filed by the county attorney in the superior court in May, 1907. The suit followed refusal of the trustees to pay back taxes which the board or tax review presented after it had been discovered that the inventory of the estate contained many securities acquired in 1906 or later which had never been listed for assessment by Mr. Field. The taxes amounted to \$1,300,000, and in addition a penalty of 10 per cent, which the Illinois statutes require on unlisted property. The settlement, this penalty amounting to \$430,000, was the chief item of contention in the suit.

JAURES WANTS EXPLANATION.

Paris, Feb. 9.—The recent fighting in Morocco, as well as the protest which Abd el Aziz, the sultan, is reported to have submitted to Germany against French occupation and aggression in that country, has led Mr. Jaures, the Socialist leader, to formulate a new interpellation on the subject. In the chamber of deputies tomorrow he will formally demand from the government another explanation of its Moroccan policy. M. Jaures has prepared the following questions, which he will ask M. Pichon, the foreign minister, to answer.

The object of Gen. d'Amade's recent operations around Setait; whether the sultan, Abd el Aziz, has protested to Germany; whether Germany has forwarded this communication to the French government.

VORYS IS MANAGER.

Mr. Hitchcock Will Only be Assistant in the Taft Campaign.

Columbus, O., Feb. 9.—That Arthur Vorys will continue in full control of the management of the Taft campaign, the nomination of William H. Taft for president at the coming Republican national convention, was made clear by the secretary of war in a statement which he gave out to the press today while passing through Columbus en route to Kansas City, where he will speak at a banquet tomorrow night. The statement follows:

"Mr. Vorys is in charge of the whole matter and will continue to be so until the end. The general headquarters will be at Columbus, but Mr. Vorys himself requested that the assistance of Mr. Hitchcock be secured because he felt the need of some one to look after affairs in the east and south, and it was at Mr. Vorys's earnest request that the assistance of Mr. Hitchcock was solicited and secured."

"While the main headquarters will, of course, remain at Columbus, it may be that Mr. Vorys and Mr. Hitchcock will agree upon the establishment of headquarters in the east if it is found necessary."

## Six days of good temper in every box of Cascarets. Six days when you feel at your best; no headache, no dullness. Are they worth ten cents?

It is folly to talk of the "laxative habit." The habits in eating the wrong sort of food, and too much of it. And in getting too little exercise. While you do that, you must give the necessary help to the bowels in some other way. Else there is always a penalty.

Here is the way to avoid it: Eat coarse food in moderation. Eat plenty of fruit, many green vegetables. Drink no alcohol. Walk ten miles per day. Those are Nature's ways for keeping the bowels active. The next best way is Cascarets.

Cascarets, better than anything else, supply the place of laxative foods and of exercise. They do what right living would do. And they do it just as gently, just as naturally. They are vegetable. You'll need them just as long as you live in-doors, and eat rich foods; and no longer. Take them as you take food—when you need it. Carry a box in your pocket, and take one Cascaret at a time. That's better than to suffer and wait.

Cascarets are candy tablets. They are sold by all druggists, but never in bulk. Be sure you get the genuine, with CCC on every tablet. The price is 50c, 25c and
