# HASKELL SURE.

#### Claims to Have Been Nominated by S.000 Majority.

Okiahoma City, June 12.-When asked by telephone as to the outlook, C. N. Haskell, at 9 o'clock today, replied

'I have heard from 73, of the 71 counties in the two territories and have unofficial returns from the other two, all of which show that I have been nominated governor by at least \$,000 majority."

Democratic headquarters. Lee Cruce's manager still claims the result is in doubt, but the official report so far as received shows Haskell 98 in

primaries were all in the hands of Democratic central committees in each county who count the returns and report to state beadquarters. It has given opportunities for charges of charges of raud which are being freely made.

A big wire steal committed in Ogden A big wire steal committed in Ogden with Salt Lake junk dealers associated, was brought to light this morning through the efforts of Salt Lake and Ogden police and employes of the Bell Telephone company. The theft consists of copper wire, 1,240 feet, valued at 18 cents per pound, or a total of \$223.20. It was stolen at Ogden and sold to Green & Jacobs, junk dealers in the Junction City and shipped to Salt Lake to the Salt Lake Valley Iron & Motal company. It is further claimed that the wire was shipped to a man named Levy of the company. Green and Jacobs were arrested this morning by the Ogden police on the charge of receiving stolen property, and it is stated that Jacobs had con-tessed. From whom the wire was pur-

it is stated that Jacobs had con-iessed. From whom the wire was pur-chased is not known, but Jacobs ad-mitted that it was purchased for 10 cents per pound. What the Sait Lake outfit was to pay for it is also unknown. The wire was shipped to Sait Lake on the 5th and the consignment has been the 5th and the consignment has been located. This afternoon officers and an employe of the telephone company left Ogden for Salt Lake to identify the stolen property.

The police were unable to learn just when the wire was stolen. Some of it was stripped from the poles while one The company has lost considerable wire of later and its proposed to prosecute this case to the full extent of the law.

# MINERS' CONVENTION TO EMPLOY STENOGRAPHER

Denver, June 12-After a warm debate occupying the entire morning session to-day the convention of the Western Fed-eration of Miners voted to employ a stendgrapher to make a stendgraphic re-port of all the proceedings of the conven-tion, which will continue in session for two weeks.

on, which will contain in the set of a sten-weeks. As it will be necessary to employ a sten-igrapher from outside the federation, this fection is regarded as the first step to-wards holding open meetings.

girls of the school were present, dressed the customary commencement white

siris of the school were present, dressed in the customary commencement white. The girls lined up in the middle aisle in opposing columns while the bishop and the dean lead the faculty march up the alse to the chancel. The pupils follow-ing, marched around into the front seats. After the preliminary religious service, Dean Brewster congratulated the girls on the completion of the school year, and the advent pleasant vacation days. The word "vacation," he said, meant being empty. but this did not mean that his hearers were empty, but that the achoes had emptied themselves; that the other and bishop Slading made an award of prizes in books and pletures to the following girls who were called up into the chancel: For best reading in the preparatory department. Georgia Creighton of Singham; for neat-est room on the second floor of the dor-mitory, LaVeta Mayberry of Eureka. Nev.; for neatness on the third floor, Ora Allen of Grand Junction, and Margaret Wills of Boise; for general excellence in the grammar grade, Nelle Wilkinson of Callente. Nev.; general excellence in the intermediate department, Helen McVichie of Salt Lake; for excellence in studies of the primary department, Mary Frances White of Salt Lake. The girls then adjourned to the hall pre-paratory to leaving for their homes.

NEW CHURCH BUILDING.

Work Started on Excavation for Big And Imposing Structure.

Dirt is being removed rapidly from the excavation intended as a basement for the new building to be crected by the Church on the corner of Main and the Church on the corner of Main and Temple avenue. The contract for the basement, including the vaults, has been let to William H. Tuddenham, and the work will be pushed to com-pletion with all possible speed. The structure will be a magnificent one, three stories and basement. The two lower floors-first story proper and basement-will be used as offices and record rooms for the Presiding Bishop-ric of the Church. The next floor above will be occupied by the General Relief society, while the Young Ladies' Mutual Improvement association and

Mutual Improvement association and the Primary will be domiciled on the

In the basement of the tabernacle a new and up-to-date lavatory is being installed, and improvements of various kinds are under way.

# PENNSYLVANIA ALUMNI.

They Gather at University Club for Annual Banquet and Reunion.

Members of the University of Pennsylvania Alumni Association of Utah held their annual banquet at the University club last evening. An inter-esting account of the events of the colesting account of the events of the col-lege year just ending was given by two students who have recently returned from Philadelphia. Ten Utah men at the university have organized a "Utah club" and are doing good work in plac-ing the name of their state prominent-ly before their fellow-students. At the close of the informal speeches, the reg-ular business meeting was held and ular business meeting was held, and officers for the cusuing year were elected as follows: President, Dr. Hen-ry La Motte; vice president, Dr. W. L. Ellerbeck: secretary-treasurer, Dr. W. C. Ebaugh; members of the executive committee, Drs. Fairweather and Wight. Wight,

graduating class. An address was made Murray, At 9:30 they marched out o by Dean Brewster, and prizes were the latter place, to make the remainder awarded by Bishop Spalding. One hundred of the journey on foot. The band was n the lead, and followed by companies A: B. C and D. In the order named. Capt. Moreton was at the head of company B. Capt. Marre Vancott com-manded A. Earl Vancott lead company C, while Lieut. Westwood performed a like service for D. The boys were joined at Murray by

like service for D. The boys were joined at Murray by four wagons from Fort Douglas, loaded with tents and provisions. The rain-fall had made the roads good for walk-ing, and a rapid marc5 was made to the southward. At 11:45 a 10 minutes' rest was taken, and then the march was re-sumed. The point of the mountain was reached at 2 o'clock, and encampment to hadnes encampment for the night will be made there

### New Mathematical Machine May Solve Problem for Worrying Millions.

City Engineer Kelsey has a new mathematical machine which will no doubt prove to be a wonder and a great labor and brain saver. It is a ma chine which adds, subtracts, multiplie chine which adds, subtracts, multiples and divides any number of figures in a very brief space of time and is as accu-rate as the other computing machines which are now in general use. It is a German invention and the headquar-ters for the company which manufac-tures it are in New York.

HILL CUMORAH PURCHASE.

## No News Received at the President's the fill the house, Office This Afternoon,

Lyons, N. Y., June 11,-George Albert Smith of Salt Lake has purchased from William Avery Chapman the 49-acre farm in Macedon which includes Mor non hill, out of which licebes hill, mon hill, out of which Joseph Smith, founder of Mormonism, claimed to have dug the famous golden plates from which the Book of Mormon was printed. The purchaser is high in the Mormon Church and is a relative of the founder of the Church. A tabernacle will be erected on the hill, it is said.

No word has been received at the president's office as to whether such a deal had been consummated or not, but it was deemed quile possible that the farm upon which is located Hill Cu-morah has been purchased. A move-ment to that end has been in contem-plation, and as Elder George Albert Smith has recently paid a visit to that region, it is more than likely that the Church is now in possession of the his-torie spot where for 1.400 years repased the sacred golden plates hid up unto the Lord by the hands of the Angel Mo-roni, and by him revealed to the boy prophet. Joseph Smith, leal had been consummated or not, bu

### Young Indian Woman Leaves Feeble Old Woman to Die of Exposure.

#### Is Taken to County Jail in Default of \$300 Bonds.

In Judge Diehl's court this morning Raymond Wright and Anna Fairchild were arraigned on the charge of im-moral conduct. They were arrested by Deputy Sheriff Sperry on the Pio-neer square. Wright admitted his guilt and waived preliminary hearing He was held to answer to the district court and was taken back to the coun-ty jail in default of bonds in the sum of \$200. The Fairchild woman took until tomorrow morning to plead. C. H. Brown, the negro who slashed a couple of white men with a razor on Monday night, entere2 a plea of not guilty to the charge of assault with a deadiy weapon with intent to do bodiy hairm, and the case was set for June 25 for preliminary hearing. The bail was fixed in the sum of \$500 which the defendant has not been able to furnish. were arraigned on the charge of im-

to furnish. In the case of Billy Arnold and

Thomas Claypool, charged with as-sault and battery upon Claude Russell, and who pleaded guilty to the same, sentence was not pronounced this norning. Judge Diehl continued the natter until tomorrow morning. sentence was

# AMUSEMENTS.

Theater-Tonight occurs the long taked of entertainment in aid of the Orphan's Home, entitled "The Toy Maker's Dream." From all accounts a most attractive evening is promised to all who attend, and the worthiness of the object ought the full the house

The next attraction at the Theater will be the Fisher Opera company which opens on the 17th Ethel Barrymore fol-lows on the 20th in "Captain Jinks."

Orpheum—"All the Comforts of Home." went to another big house last night to immoderate hilarity. An amusing feature is the McSnath of that veteran Utah actor, William Bryer, who de-livers such broad Scotch that his cues sometimes are unrecomplable and the sometimes are unrecognizable and the others on the stage have to "fake" their lines to keep the comedy going at full awing

Grand-The performance of "East Lynne" by Miss Frankenfield and her company is nightly interesting the many admirers of the old time play.

Lyric-Popular vaudeville at popu-lar prices continues to draw well, es-pecially on these nights when the wea-ther is cool. The same bill runs out the remainder of the week.

# HOTEL CHANGES HANDS

#### A. Fred Wey Purchases the Southern For \$50,000 as Investment

The Southern Hotel property on west First South street changed hands this orning. A. Fred Wey bought it from the Mutual Investment company of Kansas Old Woman to Die of Exposure. Sheriff Emery and County Commis-stoner Mackey are investigating a rather cruel case of mistreatment and desertion in an Indian family which occurred at Grauger on Tuesday. Ac-cording to the report of the affair which was telephoned to the sheriff, an old Indian shunw and a young one, accompanied by a child, were riding through Grauger on a horse bound for Skull valley and the two became en-gaged in a quarrel. The young squaw

non-union, with mill work secured at the non-union mills. It is either a case of doing this, he said, or closing down his work altogether, and he will make a test case of it this week by ordering mill work from the Sierra Nevada mills, which are running with non-union men. If the carpenters ob-ject, he declares he will be ready for decisive action that will be followed up as a permanent future policy. If generally followed, this will mean the passing of such building work as is necessary into non-union hands en-tirely, and a stopping of that small is necessary into non-union hands en-tirely, and a stopping of that small amount still going on since the pro-hibitive prices enforced this spring started the work of slumping the mar-bet

LATE LOCALS.

Bank Clearings-Today's local bank clearings amounted to \$1.024.091.37 as against \$912.190.33 for the same day last year

Married in Temple-Mr. Albert Married in Temple-Mr. Albert Robison, son of ex-Senator Joseph B. Robison of Millard county, and Miss Ida Yergensen, a social favorite of Menroe, Sevier county, were married today in the Sait Lake Temple. The happy couple have many friends who will offer hearty congratulations with wishes for long life and prosperity.

Technical Chemists-The Utah see Technical Chemists—The Utan sec-tion of the Western Association of Technical Chemists and Metallurgists will hold its regular meeting in the Commercial club Friday evening, June 14. The paper of the evening will be read by D. J. Kelly, title "Recent Im-provement in the Art of Silmes Trait-ment" Arrangements have been ment." Arrangements have oeen made for serving a Dutch lunch at the close of the meeting.

the close of the meeting. Shower of Glass in Street-During a sudden gust of wind that struck the "News" annex, shortly before noon today, two wiadow panes in large transoms on the sixth floor were smashed, and the fragments fell to the sidewalk below. One of the larg-est pieces barely missed D. M. Law, a collector for the Salt Lake Hardware company, who was passing at the time. Missiles of glass, large and small, fell around him like hail, but none that struck him were of suffi-cient size to do injury, and beyond being frightened. Law was none the worse because of the episode. Other passersby hurried across the street, to escape what they thought to be im-related densed. escape what they thought to be im-

minent danger.

Mr. and Mrs. A. Richter jeft Friday on a five weeks' trip to SI. Paul, Mrs. Richter's former home.
