Completion of Telephone Work to be Dnly Celebrated.

The Rocky Mountain Bell Telephons company will complete and celebrate the most important work of the year at Bosin, Wyo., one week today. At that time and place the construction gangs will finish the connection between Billings, Mont., and the lines along the Union Pacific railroad. The formal ac- to secure telephone service.

ceptance and control of a number of local lines covering northeastern Wyoming by the Rocky Mountain company will also occur at the same time and President Wallace, Supt. Murray and the Montana and Wyoming super-intendents will be present to witness the consummation of the work. This company is now putting in 20 telephones for farmers between Rigby and Hels, Ida., along the Snake river and since the first of the year over 300 similar phones have been installed in that region. The farmers, says Supt. Murray, are good patrons of the system and are anxious

(Special to the "News.") Ogden, July 13 .- Yesterday William Steaft, who resides at 753 Twenty-sec and street, met with a serious accident which it is feared will result in the loss of his left foot. He is an employe of the street railroad, and was in the act of boarding a car going toward his home, when by some mishance his foot slipped and he fell, his left foot going under the wheels of the ar. He was picked up and carried into the Cave drug store, and Dr. Conoy summoned. The latter had him re moved at once to his home and did what he could to ease the pain and make his patient comfortable. The unfortunate man's foot and ankle are badly crushed and bruised, and the doctor today whether amputation would be necessary or not, but expressed the epinion that the injured member would have to be taken off. Conductor Streeper, who had charge of the car y which Mr. Reaft was hurt, says he was stopping the car to take him on, but he attempted to board it before it had come to a stop. It seems that

### SALT LAKE TEAM CHANGES. Managers Now Dickering for "Pap' Eyler and Harry Newmeyer.

The magnates who are in control of the Salt Lake baseball team are said to be dickering for "Pap" Syler and Harry Newmeyer. The latter is now with Colorado Springs and has been exhibiting some crack pitching this sea son. Both Eyler and Newmeyer have played in Salt Lake before and are well known to the fans. Their acquisi tion to the local team will add such strength to our organization that the hope will again be cherished, that Salt Lake will have a winning team. Those who saw the games last week and are capable of judging, recognize the fact that a first class pitcher is about the Lake over to the winning column, is very likely that President Rogers and Vice President Griffin will buy up all the stock of the team and make

Jimmy Grim the manager.

The Western league has made overtures to President Lucas to buy "Slats" Davis for the rest of the season. But "Slats," says, "Not on your life. They don't trade me off like a sheep. Play and Seeks Aid. Charles Zerbe of this city who lives at 257 west Fourth South street, has disappeared in a strange manner. His wife called at the police station today and stated with tears in her eyes, that ner husband had not ben seeen since Saturday afternoon at 2 o'clock. At that time he drew his wages from the Chambers Tar and Roofing company with whom he is employed, and she has been unable to find anyone who has seen him since. Mrs. Zerbe has the fear that her husband has met with she says he has never before absented ing her that he would be away. She hinks that some lawless character saw him draw his money and shadowed him until a favorable opportunity to reb him presented itself. Mrs. Zerbe left with the officers a minute description of her husband, and members of the force are now at work trying to locate him. He is 36 years of age, is over 6 feet high and stooped shouldered.

#### THE NOBLE GUARD.

According to rules established for the government of the noble guard, one of their principal duties is to watch assiduously the person of the pope when his heliness is seriously ill, even the papel apartments passing under their responsibility during such periods. After 1870 there was a gradual general curtailment of expenses at the vatican and this resulted in a reduction in numbers of the noble guard, which now musters 40 men. Not all of these, how-ever are now present at the vatican, owing to illness or other causes, and consequently the services of those duty is very heavy, they mounting guard, six at a time, for six hours. The services rendered on the occasion of the pope's present illness by the Palatine guards, composed entirely of artisans, who receive no pay for vatican duty. are highly appreciated.

A REMARKABLE PRESENTIMENT. Pope Leo is credited with having said: "If I am destined to die from this illness I feel I shall expire on Thursday, the feast day of the Carmellte madonna, whom I especially worship." This presentiment is remarkable be ause in a certain way it coir with the prophecy made in the 12th century by St. Malachy, the bishop of Armagh, who predicted that Pope Leo ould be succeeded by a pope lyzing the motto "Ignes Ardens, (burning fire.) ### ALLEGED CREAMERY TRUST. One Said to Exist in Sevier County-May be Prosecuted.

The alleged existence of a creamery trust in Sevier county was brought to the attention of Atty.-Gen. Breeden while on a recent visit to Richfield. The allegations are that there is an agreenent between the Poulson and Sevier Valley creameries as to the sale and purchase of milk, and that each createery refuses to buy milk in certain towns assigned to the other, thus force ing its sale to that particular creamer)

The allegations were made by Sheriff Clark and Hon. J. M. Bolitho, to whom Mai. Breeden stated that if such facts could be established the creameries would be subject to prosecution, as such an agreement as that alleged is un doubtedly in violation of the spirit of the anti-trust law, if not the letter. To penalty is a fine of not less than \$100 no more than \$2,000 for the first offense and for the second not less than \$50 nor more than \$5,000, with an increase for each succeeding offense up to \$15 660.
