## COMPLETION OF INTERURBAN LINE

Forces Working With All Possible Haste to Begin Traffic July 4.

### SACRED HEART ACADEMY.

Celebrates Thirtieth Anniversary Commencement—Municipal Light Plant And Waterworks Proposition.

Ogden, June 17.—President Simon Bamberger of the Salt Lake & Ogden railroad, is working with all possible haste to secure the completion of the line into this city before the Fourth of July. By the Fourth the interurban line will have its terminal at the corner of Healy avenue and Washington avenue and will be ready to begin the handling of traffic over the line, which now has a terminal on the street car line of the city.

During the past few days large gangs of men have been at work getting the track in shape and the laying of new track along the new street which has been designated by the city council for the road where they can use steam temporarily. While Healy avenue is being used for the temporary line, several large forces of men have placed the line along Lincoln avenue from Twenty-fifth to Thirty-first street in permanent shape, which will be used when the interurban line is electrified.

The last heard of the protestors to the use of Lincoln avenue by Mr. Bamberger's road came up at the city council meeting Monday night, when one or two of the protestors arose during the reading of the minutes of the previous meeting by the recorder and started to make further verbal objections. They were quickly squelched when one of the councilmen arose to a point of order and the oratory suddenly came to an end.

Judge Howell announced yesterday afternoon that he would render a decision in the matter of the Thirty-second street crossing, which has been contested between the Harriman and Bamberger interests next Monday. This action will be final in the matter of the settling of the crossing which has been in dispute for a number of months.

### SACRED HEART ACADEMY.

Thirtieth Annual Commencement Closes Most Successful Term.

Ogden, June 17.—The Sacred Heart academy celebrates its thirtieth annual commencement exercise at the academy this week with general festivities such as have never been witnessed in the history of the institution in Ogden. Hundreds of visitors from throughout the intermountain region are in the city to attend the exercises. The past year has been the most successful term since the academy opened. The enrollment has been larger and the educational system has been improved to such an extent that it now ranks first among the institutions for the education of girls and young ladies.

The class of 1908 is one that compares favorably with all previous classes. The exercises will be held Thursday morning at 10 o'clock at the academy assembly hall.

Last night the following program of easy subjects was rendered by the graduates in the academy assembly hall: "The Quaker Poet," Miss Gamble; "Labor is Worship," Miss Niederhorn; "The Immortal Dane," Miss Ledwith; "Uncrowned Kings—the Poets," Miss Kane; "The Golden Mean," Miss McCarty; "The time needs heavy, 'tis tired of head," Miss Trapp; "The Power of the Novel," Miss Pfaff; "The Written Music," Miss Colman; "Cor-delia, the Faithful," Miss Gled; "The Sturdy Pioneer," Miss O'Neill. Class poet, Miss M. Kane; valedictorian, Miss Mercer.

### MUNICIPAL LIGHTING PLANT.

Preliminaries Well Under Way for Gigantic Proposition.

Ogden, June 17.—That the city of Ogden is determined to have its own lighting plant is becoming more assured each day as the preliminary steps in the matter of securing a power site are advancing.

City Engineer Parker, has completed the filings on the South Fork canyon water rights, which is the final legal act necessary to give the city this right. The next step is for the making of the preliminary surveys for the plant and reservoir, which will probably be made at an early date as the sum of \$2,500 was appropriated by the city council some time ago for the work.

In the opinion of the city engineer and others who have visited the proposed site, there is enough water to furnish power for a municipal lighting plant of 4,000 horse power as well as the building of a reservoir which would supply a city of 200,000 inhabitants. This proposition, it is estimated, would pay for itself within ten years and may be in less time than that. It would afford the city a splendid income in the future.

### TELEPHONE FIGHT.

The dentists and druggists of the city have been invited by the medicals of the city to attend a smoker at the Weber club this evening. The meeting will be in the way of a social as well as business one and will be for the purpose of getting the three professions more closely allied.

It has also been intimated that the meeting will consider the proposition of ousting the Independent telephone from the offices of the doctors, dentists and druggists. Since the action of the Trades and Labor Assembly against the action of the doctors in taking steps toward ousting the Independent phones from their offices the doctors have taken the above steps in securing allies in the druggists and dentists.

### MARRIAGE LICENSES.

Licenses to wed were issued to the following at the office of the county clerk yesterday:

### HENEFER.

ANOTHER VETERAN CALLED.

Wm. H. Batchelor, a Pioneer of '49 and Salmon River Missionary at Rest.

Special Correspondence.

Henefer, Summit Co., June 15.—Another veteran has gone to his reward. William H. Batchelor died here of dropsy this morning, in his seventy-fifth year. He arrived in Salt Lake valley in 1849 and suffered the trials of that pioneer period; was one of the Salmon River missionaries and one of the first settlers in Henefer. He was honest and upright in his dealing, and respected by all who knew him.

The funeral of Edward Prudence, who was killed in the Judge building, Salt Lake City, on Friday last, was held here today.

### RICHFIELD.

Death of Matthew Kennedy—Drown-Threatened in Rich County.

Special Correspondence.

Richfield, Rich Co., June 11.—The recent death of Matthew Kennedy, brother of Bishop John Kennedy of Argyle, was totally unlooked for, as he was sick but 10 days of blood poisoning, and was never sick a day in his life before this attack. He leaves a wife and a large family to mourn his demise. He was about 47 years of age and had lived in Argyle most of his life.

A daughter of Elmer Cleveland starts for the hospital tomorrow morning, to be operated upon for appendicitis.

There has been but very little rain the last month, but very cold weather has prevailed. It looks very much like a shortage of water this summer.

There are several buildings going up this summer. J. D. Muller, E. W. Walter, Don McKinnon, Bishop J. C. Gray, William Spencer, Jr., and the brick work on the ward tabernacle will be finished this week.

### MOUNT PLEASANT.

Funeral of Christian Jensen—Quarterly Conference at Moroni.

Special Correspondence.

Mt. Pleasant, June 16.—The Nielsen family reunion commenced yesterday. There are members present from Mexico, Missouri, Idaho and Nevada, besides many from Utah, some 60 in all. Monday afternoon a handshake was held with a reception given by Bishop Daniel Rasmussen and wife. Tuesday forenoon all went to the cemetery, where a monument was unveiled and an excellent speech delivered by Jesse Dalley. Tuesday afternoon a family gathering was held and a free concert given by the family, which is a musical one, in the meetinghouse. On Wednesday a family dinner will be given at the residence of the Bishop Rasmussen.

The funeral of Christian Jensen, better known as Carpenter Jensen, was held from the South ward meetinghouse, Bishop James Larsen presiding.

The best protection against the minor annoyances of travel, chief among which are wind, dust and extremely hard water, is a half cake of Ivory soap in your toilet case.

For a long trip by rail or boat, it is almost indispensable. Used frequently and liberally, it will go far towards mitigating the discomforts of the journey.
