Burlington Route

say they know they're on the Burlington the moment they strike it. It is so smooth, so easy, so delightfully free from jolts and jars and sudden starts and stops.

Another proof of the truth of what we try to bring home to you every week in the year—that for right-down solid comfort the Burlington has no real competitor on the railroads of the West.

Omaha, Peoria, Chicago, St. Joseph, Kansas City and St. Louis are only a few of the points to which it will pay you to take the Burlington.

Tickets and full information at all R. G. W. ticket offices, or by addressing
