### Election Officers for Next Month Selected by the City Council.

### STORY OF A GREEN BRAKEMAN

Two sharpers on a Train Secure All The Money He Had, by Means of Scurvy Trick.

**Special Correspondence.**  
POCATELLO, Ida., Feb. 21.—At a meeting held by the city council Tuesday night the municipal officers for the coming city election next month were selected and appointed as follows:  
First Ward—Judges, G. F. Robinson, Frank Gibson and Joseph B. Bistner; distributing clerk, Richard H. Stone; registrar, Miss Maud Kelley, at office of Church & White.  
Second Ward—Judges, Leo H. Edgerton, D. J. O'Mahoney and Thomas R. Jones; distributing clerk, Mrs. Patrick H. Coleman; registrar, Miss Pearl S. Harlow, at 145 First avenue south.  
Third Ward—Judges, Britt M. Sandberg, Frank Lane and Albert W. Graves; distributing clerk, Mrs. Mary Jones; registrar, Mrs. Orrin L. Colby, at office of Church & White.  
Fourth Ward—Judges, Gustav Sahlgren, Alfred T. Jones and Samuel W. Walker; distributing clerk, Mrs. Sylvia R. Davidson; registrar, Mrs. Margaret A. Stone, 323 North Arthur avenue.  
M. I. A. CONFERENCE.  
The ninth annual state conference of the Young Men and Young Ladies' Mutual Improvement associations commenced here Sunday in three sessions that were well attended, the weather conditions were good.  
The visiting members of the general board that were present from Salt Lake were Elder Lyman R. Martineau and Mrs. Ruth M. Fox, members of the Young Ladies' presidency. Reports given show a flourishing condition.  
The respective associations held an officers' meeting in the forenoon. The exercises in the afternoon consisted of the reading of state reports, the election of the general and local officers. Mrs. Chas. B. Rogers of McCammon gave a class exercise on the "Life of Christ."  
Miss Eva Harrison sang a solo, "Jerusalem." Elder Martineau discussed upon the subject "Home Building" and exhorted the "settled down" men to shake off the lethargy. Mrs. Fox followed along the same lines in a most animated vein, both speakers held the close attention of the audience. In the evening Elder Edward Howard of Rockland gave a class exercise entitled, "Correct Living." Mrs. Martineau discussed interestingly from the view point of a stranger visiting the city for the first time and by chance had attended a Mormon meeting. What would his estimate be of the Mormons? Who and what are they?  
Miss Sadie Driscoll, the 16-year-old daughter of Mrs. L. A. Ganser, and the granddaughter of "Bill" Hickman of pioneer days, was buried here Tuesday. Services were held in the Latter-day Saints church. Miss Driscoll died Feb. 14, at Humphrey, Nev., where she was attending a Catholic school.

**GREEN BRAKEMAN.**  
William E. Phillips, a passenger brakeman, ran east from here, between Pocatello and Green River, Wyoming, braking under conductor Fred G. Rice, had an experience last Saturday when he fell into the clutches of two sharpers who relieved him of his cash, had him thrown into prison, and then forced him to sign a confession clearing the two rogues in question. This adventure occurred on the train that was speeding eastward to the river that is called Green. In an unguarded moment Phillips admitted to two passengers that he had \$12 in cash on his person. Then the trap was laid. When the train arrived at Green River, one of the men laid claim to that money and demanded it forthwith. The surprised young man told them to go to the d—, but they would not, not just then, not till they had got those coveted \$12; so they halted the depot police and had the brakeman arrested on the charge of robbing one of them of an even \$12. The "evidence" was conclusive, he was searched, the money found and handed over, and he was put in jail. After a while one of the grafters told him that the best way for him to regain his liberty and his position with the company was to sign a written statement acknowledging the charge. This he was induced to do under the pressure of the excitement he was laboring under.  
That was the last seen of the grafters, and Mr. Phillips is now a sadder but a wiser man. His father arrived on the scene as soon as he learned of the trouble, but so far nothing further has developed.  
**OLD MAN INSANE.**  
Pat Sullivan, 55 years of age, an old citizen of Pocatello and at one time a section foreman, was adjudged insane yesterday taken to the asylum at Blackfoot. Sullivan is laboring under the hallucination that his life is threatened by Italian section men, with whom he is supposed to have had an experience years ago.  
Deputy Sheriff Fred Terrell of McCammon arrested one Dr. Bayard A. Thomas, V. S., at Robins yesterday, and brought him to Pocatello, and put him in the county jail, awaiting the arrival of Sheriff Harrop of Fremont county, who wants the doctor to stand trial in the charge of forging checks for diverse amounts in Fremont county.  
The annual shoot of the Pocatello Gun club will be held here tomorrow for the McKenzie challenge cup now held by A. R. Higson, who won it a year ago at Idaho Falls. Following the prize shoot will be special events arranged for the visitors, many of whom are expected here tomorrow.

**PLEASANT AND MOST EFFECTIVE**  
T. J. Chambers, Ed. Vindicator, Liberty, Texas, writes, "I have used your pleasant and most effective Balsam of Peppermint, and have used it in my family and have found it to be the most effective and best remedy for coughs and colds I have ever used." Sold by Z. C. M. I. Drug Dept., 112-114 So. Main Street, Pocatello, Idaho.

**DEAF MUTE KILLED ON TRACKS NEAR MINIDOKA.**  
**Special Correspondence.**  
BURLEY, Ida., Feb. 21.—A man named Ribeau was killed last Tuesday near Minidoka, by being run over by train No. 71. The deceased, who was deaf and dumb, was walking to Twin Falls when struck by the train. The body was taken to Minidoka and the coroner at Shoshone took charge of the remains, which latter were sent to Weiser, where Ribeau formerly lived and where he has friends.

The water in Snake river is again quite low, on account of the gates being closed down to allow it to run through the canals and laterals. The low water necessitated the stopping of the ferry boat for a brief period.  
A petition is being circulated in Burley and Oakley, asking for the appointment of E. W. Robinson as the new commissioner of Cassia county. An appointment is made necessary by reason of the division of the county. Mr. Crocker, representing the third district, now being in Twin Falls county. The petition will be taken to Boise during the week by a committee selected for the purpose.  
William R. Lee of Oakley went to Salt Lake City Tuesday and returned Wednesday on his way to Nampa. He has sold his ranch at Island and is expecting to buy a home in or around Nampa.  
Mrs. Cicero Kidd, who has been visiting her sister at McCammon, returned home Thursday.  
**MEN PAST SIXTY IN DANGER.**  
More than half mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate gland. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger. It cures many old men of this disease. M. J. Redner, Burnett, Rock Port, Mo., writes: "I suffered with enlarged prostate gland, and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years although I am now 62 years old." ### TREES BEGINNING TO BUD AT SUGAR CITY.

**Special Correspondence.**  
SUGAR CITY, Idaho, Feb. 21.—The weather has been phenomenal for this time of the year in this part of the country. For almost a month there has been warm spring weather, for the past few nights, there has been little frost. In some places in this vicinity, plowing has been done and the trees are beginning to bud. There has been much activity among the sheep and cattlemen the past week. Last Monday a trainload of cattle was shipped to Portland to market. They were in first class shape. There was also a large shipment of sheep sent to Los Angeles by the Austin Brothers association and the Sugar company. There has been some activity among the realty men, and several large farms have been sold. Aron Woodhouse, one of the factory foremen has bought a farm near Menan.  
The stock is still hovering in this vicinity. Last night J. R. Hammer was presented with a fine baby girl and H. H. Dalton, chief engineer for the Idaho Sugar company, was presented with a fine baby girl. All parties concerned are doing nicely.  
The oldest son of Morris Nelson was taken down with diphtheria last week, but the case is not serious and the young man is getting along nicely. H. P. Christiansen, Thomas R. Cutler, Jr. and Walter Webb, were confined to their rooms with a gripple last week, but are able to be about again. Ed. Ross left last night for an extended trip through California.

### POST MISTRESS CALLED TO REST AT MCCAMMON.

**Special Correspondence.**  
MCCAMMON, Ida., Feb. 20.—This community was shocked yesterday upon learning of the death of Miss Grace Edwards, post-mistress at this place. She underwent an operation for appendicitis, and death ensued. Miss Edwards was greatly beloved by all who knew her, and her parents, Mr. and Mrs. Charles Edwards, have the heartfelt sympathy of the people of the vicinity. The funeral was held today. Father Vandenberg of Pocatello officiating, and the remains were shipped to Yankton, South Dakota, for interment, that place having been the former home of the family.  
There is considerable of a boom on in McCammon real estate, many transfers being made. All the hay not needed for home consumption has been baled and shipped east or west, also many cars of sheep and cattle.  
The Harkness hotel has recently added 32 rooms to that already commodious hostelry, and the Manitou, containing 16 rooms, steam heated and with every modern convenience, will be opened in a few days.

### REXBURG GOING CRAZY OVER ROLLER SKATING.

**Special Correspondence.**  
REXBURG, Ida., Feb. 20.—Never before has there been such excellent weather during the month of February as has been experienced here during the last two weeks. The snow is practically all gone and the frost is very rapidly going out of the ground. If the present warm spell continues for another week, it looks as if the farmers would be able to plow, but there is some winter due yet.  
It is said that the best lecture ever heard in Rexburg was the one delivered by Dr. Driver in the Hicks academy auditorium on Tuesday evening last.  
Representative James W. Webster was in Rexburg Monday. While here he met with the Commercial league of Fremont county to hear what they had to propose in the way of new legislative action. Dr. Driver accompanied Mr. Webster to Boise, as representative of the league, to assist in framing some new laws relative to the duties and responsibilities of road owners and other laws affecting this section of the state.  
There are two skating rinks here and nothing is just as popular as skating. The dances are failures, the theaters are not well attended and the gymnasium is tottering because there is no skating there.  
**A VALUABLE LESSON.**  
"Six years ago I learned a valuable lesson," writes John Pleasant, of Magnolia, Ind. "I began taking Dr. King's New Life Pills, and the longer I take them the better I find them." They please everybody. Guaranteed at Z. C. M. I. Drug Dept., 112-114 So. Main St. 25c.

### CHAPTER OF LIFE IN JONES FAMILY AT MALAD.

**Special Correspondence.**  
MALAD CITY, Feb. 20.—The celebration of Welsh day at Malad, Feb. 22, it is said will be a great one. People from all over the county are gathering to the county seat to be in readiness for its first session. The program committee has been fortunate enough in securing the services of Prof. Alex Lewis of Logan as adjudicator.  
The funeral services for the remains of James Elliott Jones, the infant son of Mr. and Mrs. James T. Jones, were held at the home of Mr. and Mrs. James E. Jones yesterday. Several weeks the little one has been very sick and Sunday night passed away. His mother had preceded it to the final abode about three months ago.  
Tuesday night the benefit dance for William Jones, who met with a serious accident last summer, was held at the pavilion. A large sum was realized and presented to him.  
Miss Ellen Jones, who has for some time suffered with rheumatism, is improving.  
This section is enjoying spring weather, and the roads, though still a little muddy, are drying fast.  
Mr. and Mrs. Edward Owens announce the engagement of their daughter, Miss Annie, to Seth Jones of St. John. The wedding to take place Feb. 22.  
The wedding of Miss Leah Davis and Mr. David Morgan, Jr., also takes place next week.

### AMUSEMENT COMPANY INCREASES ITS CAPITAL.

**Special Correspondence.**  
EWING, Feb. 21.—The Lewis-Amusement company, conducting a roller skating rink in this city, has decided to enlarge its building. The original investment of the company was \$5,000 and this is now to be increased to \$10,000. An addition of 50 feet will be erected, making the total length of the structure 175 feet. The track section of the rink is now 64 by 100 feet and this will be enlarged to 60 by 150 feet. An orchestra, costing \$2,000, and

**ANTI-JEWISH EXCESSES ARE DIMINISHING.**  
Odessa, Feb. 22.—The anti-Semitic excesses conducted during the last month by the Union of True Russians with the tolerance of the authorities are gradually diminishing. Premier Stolypin having instructed Gov.-Gen. Kaubars to take energetic measures to prevent further disorders.  
Gen. Kaubars summoned a special council, which was attended by the highest local officials, to discuss the situation. It was then decided to "advise the members of the union to restore order." Gen. Kaubars, however, insisted that the black hundreds should not be disbanded because "they are the only true patriots in Russia."  
It was becoming evident that the "patriotic activity" of the black hundreds was merely a subterfuge for the organization of an anti-Jewish attack similar to that of last year with the purpose of inciting the Jews to commit disorders that would necessitate the intervention of Cossacks as a result of which wholesale massacring of Jews and the looting of properties might ensue. Thanks, however, to Gen. Graeff the perfect of Odessa, with whom the correspondent of the Associated Press discussed the local situation today, and who recently went to St. Petersburg personally to report the situation to the emperor, a disastrous anti-Jewish attack has been averted.  
The much-talked-of black hundreds are mere schoolboys, ranging in age from 11 to 27 years, and armed with automatic revolvers. Encouraged by the sympathetic addresses of Gen. Kaubars, they attacked the Jews and took part in the electoral activity. Handbills bearing a picture of the emperor were posted throughout the city, requesting all patriots to attack the Jews and boycott the anti-monarchical parties. The black hundreds paraded through the streets bare-headed, carrying buns of the emperor and the emperor between huge Russian banners, and shouting, "Beat the Jews."  
These tactics resulted in wholesale anti-Semitic excesses without the slightest intervention on the part of the police. Whenever Jews ventured to appear in public, they were seized and taken to once arrested and many innocent Jews have been hanged or otherwise punished. Jewish women have been violated and the culprits generally went unpunished.  
In consequence of the diminution of disorders, commerce again is becoming normal and the theaters and restaurants are reopening. The intervention of Premier Stolypin has to a certain extent, reassured Odessa inhabitants.

which will be the finest in the inland empire country, has been purchased and its arrival here is daily expected. The amusement company has also decided to secure as soon as the railroad service is resumed in the north-west, trick and fancy roller skating experts to give exhibitions. The company a short time ago ordered 100 pair of new skates and this order is now to be duplicated.  
A message from Senator Heyburn was received by President John O. Bender of the Commercial club which stated that he had succeeded in tying up the bill for the erection of a dam at Five Mile rapids on the Snake river. The message was in response to a telegram sent Saturday by Mr. Bender protesting in behalf of the Commercial club against the proposal.  
Robert Jones and J. B. Jones, the Idaho county stock firm, says authentic advices received by him relative to the condition of range stock in the Salmon river and other sections of Idaho county show that the early reports relative to losses sustained in the recent storm had been greatly, in fact, unreasonable exaggerated.  
"Instead of losses occurring as reported," says Mr. Jones, "the percentage of loss will not exceed that of a normal winter. It would not surprise me if the loss would even be less than that experienced in many winters in the past. This is no suggestion that the winter spell has been a bad one, but the stock was in fine shape to enter it and this accounts for the comparative small loss. I am inclined to believe that spring weather is now here and that all of the stockmen will come out all right, but we do not want any storms in March. The stock has stood all the severe weather that they are prepared to stand."  
Mr. Jones states also that recently in conversation with owners interested in that territory that the loss experienced by stockmen in Canada has been much exaggerated. He says that instead of a loss of 50 per cent of the herds, by the admission that 10 per cent will not be exceeded.

### CAREY ANNUAL MEETING SHOW GREAT PROSPERITY.

**Special Correspondence.**  
CAREY, Ida., Feb. 20.—The days have been like summer for over a week past, but it freezes quite hard at nights. The snow is going off rapidly so that it is hard to get around with sleighs or wheeled vehicles. Outside of the roads the snow is from one foot to 18 inches deep. During the winter from running water, but now the melting snow has brought the water down Little Wood river about half way into the valley.  
Monday was a busy day for some of the people of Carey. The shareholders of Little Wood River Canal company held their annual meeting to hear reports of business for 1906, and elect new directors. The old board was re-elected by acclamation showing the confidence they hold with the people in the wise management of the canals, etc.  
After the adjournment of this meeting the water users of the valley met to choose a water-master for the season of 1907. The choice fell on J. Edward Brook. Other candidates were Frederick Brueste, Edward Cameron, A. S. Phippen.  
After the meeting the re-elected canal directors met to organize and chose the same officers acting the past year: C. J. Stanford, president; M. Lawson, vice president; S. P. Richards, secretary; J. M. Pettigrew, treasurer. There was expended on the canals in 1906 in lumber, materials of other kinds and labor \$421, with cash on hand \$90.  
At 3:30 p. m. the shareholders of the Carey Co-operative Institution (Carey) held their annual meeting. The report of Manager George S. Harris showed a prosperous year's business, as a 20 per cent dividend was declared by the directors. The old board of directors was re-elected with one exception: J. M. Pettigrew coming in place of Josiah Howard. The same officers acting in 1906 were re-elected: C. J. Stanford, president; S. P. Richards, secretary; George H. Harris, manager. Nearly \$50,000 in business was done in the year.  
The Co-op has tried hard all winter to get coal for the people here, and just before word yesterday that the first car load is shipped and on the way. The Co-op also has a car of salt on the way and looks for a car of flour in a few days.

FORMER SECRETARY OF THE TREASURY TO BE TRIED FOR FRAUD.

Charles S. Fairchild, once secretary of the treasury, has returned to New York from Europe to face the indictment which charges him with being a party to the dummy sale of \$3,500,000 of railroad stock belonging to the New York Life Insurance company. Mr. Fairchild was indicted with George W. Perkins. He is now president of the New York Security & Trust company. Dist. Atty. Jerome of New York will probably order the arrest of Mr. Fairchild and his admission to bail until the trial is called.

### BLOOD POISON CURE YOURSELF AT HOME

Most persons who are afflicted with Contagious Blood Poison hesitate to go to a physician for several reasons. In the first place the expense is heavy, and they know that the inevitable treatment will be mercury and potash, strong minerals that act with disastrous effects on the delicate parts of the system, and which do not, after all, really cure the disease. What they want is a safe, reliable treatment that can be taken at home and a perfect cure made of this loathsome disorder without unnecessary exposure or expense. Such a remedy is S. S. S.—it is the only medicine that goes down to the very bottom of the trouble and drives out the last trace of the poison so that there are never any signs of its return. It does not contain a particle of mineral in any form, and after removing the disease from the circulation builds up every part of the system by its fine vegetable tonic properties. S. S. S. attacks the trouble at its head and not only permanently cures the disease for the one afflicted, but so purifies the blood that future offspring is insured against infection. S. S. S. may be taken in the privacy of your home and a perfect cure made of this hateful and loathsome trouble. For the assistance of those who are curing themselves with S. S. S. we have prepared a special book on Contagious Blood Poison which contains instructions of great value to all blood poison sufferers. We will be glad to send a copy of this book free, and if additional instructions or advice is wanted, our physicians will furnish it without charge.
