Fouling the Waters of Canyon

Creek .- Complaints have reached us on several occasions to the effect that the refuse fifth and dyestuffs from the wool-washing vats and dye kettles of the Deseret Woolen Mills, which are his pistol. The old bird did not renew situated near the mouth of Parley's cañon, are allowed to run into the stream that flows down that caffon, rendering the water foul and unwholesome. This is not only destructive to than two weeks old, as the feathers the fish in the creek, but is a source of great annoyance to residents who live case of the People vs. Geo. Hilton, horned variety and will, from present lower down, and who are obliged to indications, be a monster when full use the water for drinking and household purposes. This matter should receive the attention of the fish and Stephens' Singers, Attention .- A game protective association, or the full and final rehearsal of the choruses | proper officers of the law.

> Another Runaway. - About o'clock last evening a large horse driven by Miss Belle Hill became frightened and ran away. He dashed north on West Temple Street until he he turned eastward so suddenly that the buggy almost capsized, running on the past five years have always used to be bugged for pearly half a block. The Dr. King's New Discovery, for coughs to pull on the lines with all her strength, but to no avail. On reaching Council House corner the animal turned and ran which have been in the way of the a short distance down Main Street, taking to the sidewalk in front of Squires' barber shop. The vehicle struck and broke the window of the Telegraph office, when the animal fell down and was seized by the bits before he could continue his mad career. The lady was not hurt.
>
> Many ladies admire gray hair on some other person. But few care to try its effect on their own charms. Nor need they, since Ayer's Hair Vigor prevents the hair from turning gray, and restores gray hair to its original golor. It cleanses the scalp, prevents the formation of dandruff, and wonderfully stimulates the growth of the hair.
