

BUY THE BEST!

FLORENCE SEWING MACHINE

Has received the HIGHEST PREMIUMS at all important fairs held in this country and Europe, where critical examination and PRACTICAL TESTS have been made by Judges of the highest standing, capable of making an intelligent decision.

In addition to this, the Florence has received the verdict of POPULAR APPROVAL ALL OVER THE WORLD.

As evidenced by its IMMENSE SALE!

And Universal Favor.

There are three hundred Florence Sewing Machines in Utah Territory, sold by former agents, and by Chicago and St. Louis Agents.

In answer to advertisement offering to attend to any not giving satisfaction, free of charge, three Machines have been sent, needing no repairs, JUST ONE IN ONE HUNDRED, after four years of service.

MRS. JOSEPH BULL, in the 13th Ward, has just purchased a Florence Machine. We are permitted to refer to her and esteem her recommendation a mark of superiority, as Mrs. Bull has had much experience in the use of various Sewing Machines.

MRS. SPRING, Dressmaker, 13th Ward, says: "I have used a Florence Family Sewing Machine for several years past, having it almost constantly in use, and during that time, it has never dropped a stitch, or been out of order a minute."

CAPT. HOOVER says: "I have a Florence in my family. For general family use the Florence is the best."

MRS. P. K. TON, living nine miles south on the State Road, bought a Florence in a store. My neighbor, MRS. WEBSTER, lives in Florence. When I go over, and see how much she can do, and how easily it is done, I feel like showing my Wheeler & Wilson away in the street, so that none may know I have a Sewing Machine."

ALFRED BEST, after actual purchase, and fair trial of other first-class Machines, and the Florence, adopts the Florence as every way the best for family use.

MRS. WARREN HUSKEY, after many years experience with various Sewing Machines, pronounces the Florence ahead of all others in all the requisites of a first class Sewing Machine, simplicity, reliability, quiet and rapid motion.

MRS. SMITH, of W. F. & Co., purchased a Florence about two weeks ago. A few days after, MRS. MOFF, purchased one, and now another of Wells, Fargo & Co., employees is about purchasing. Thus proving the practical test of the Florence Sewing Machine in its own best recommendation.

MRS. SHUTTLIFF, of Mrs. Crook, says: "I am delighted with my Florence. I don't believe anybody would purchase any other Machine if they would once give the Florence a fair trial."

COL. JACKSON, bought a Sewing Machine up from St. George, for repairs, but could find no one in Salt Lake who would fix it; took a new one from him, and found it was a FLORENCE. He was determined to have a FLORENCE SEWING MACHINE, before handing it to two hundred miles home.

MRS. STEVENSON and Mrs. CRANDALL, of Springfield, purchased Florence Sewing Machines, last week, after carefully examining into the merits and demerits of various Sewing Machines on sale in this city.

DAVID MILLER, WILLIAM MILLER, MRS. SHUTTLIFF, and several others, at and near Farmington, have within the last few weeks purchased Florence Family Sewing Machines, after satisfying themselves of their great superiority.

MR. JEREMY, WILLIAM ISLOWAN, MRS. STARRIDGE, and W. D. BROWN, of Salt Lake City, have recently purchased Florence Machines.

The Florence is the latest improvement in Sewing Machines, embodying the good of all the older machines with other new and eminently useful features, the result of years of careful labor, making it a most complete and practical machine, easily managed, and requiring but little skill and experience to operate it successfully.

The Florence will sew everything as added in a family, from the heaviest to the lightest fabric; and it is seldom if ever necessary to make any change in the machine for different kinds of work. It is the only machine that can sew in more than one direction, have a self-feeding, it is the only machine that has a reversible stitching shuttle tension, as great an improvement. It is the only machine that has a self-feeding kind of stitch. It is the only machine that has a self-feeding kind of stitch. It is the only machine that has a self-feeding kind of stitch.

The lock stitch of the Florence (both sides of or by other machines) from the back stitch made as much as in the crotch, it never giving way in washing, which is of the greatest importance in sewing for a family. The lock stitch of the Florence is more like a self-hand sewing. Both sides being alike, either side may be the right side, and the fabric can be sewed either side up or down, as most convenient.

Nothing can exceed the care taken by the Florence Company in the manufacture of their machines, every part receiving a systematic and most faithful inspection, saving all trouble afterwards, no machine leaving the factory without repairs in the five years' guarantee.

Its reputation as being reliable and durable, that we will fix any machine sent by us, for nothing, and pay freight both ways from any place within a thousand miles of Salt Lake City, if informed that it doesn't work well.

A careful examination will fully substantiate all that we have claimed for it, and justify the name Florence in the world.

We warrant every Machine to be all that we claim for it, and will give a written warranty if required.

CHAS. S. HAMMER, General Agent, SALT LAKE CITY.

CHICAGO TRADE.

ESTABLISHED 1858.
J.A. & H.F. GRISWOLD & CO.

RAILROADS.

GREAT CENTRAL ROUTE

THE MICHIGAN CENTRAL RAILROAD
AND CONNECTIONS
Unite in running FOUR EXPRESS PASSENGER TRAINS DAILY between Chicago and New York, Boston, and all intermediate points in New England, New York and the Canada.
The renowned Pullman Palace Sleeping Cars are run on this line, exclusively from Chicago east, and are fully supplied on all night trains.
The famous PULLMAN HOTEL CARS leave daily on evening trains running directly through to Rochester, N.Y., without change.
The passenger equipment of this line is unequalled by any other in the country, and will be found by patrons to possess all the requisites of "SPEED, COMFORT and SAFETY."
Connected with the
GREAT CENTRAL ROUTE
IS ALSO
The Blue Line
Established January 1, 1887, for the carriage of
Through Freight without Transfer
This line is owned and operated by the Michigan Central, Illinois Central, Chicago, Burlington and Quincy, Chicago and Alton, Great Western of Canada, New York Central, Hudson River, Boston and Albany, Providence and Worcester, Worcester and Nashua, Housatonic and Jackson, Lansing and Saginaw Railroads.
THE "BLUE LINE"
Is the only route that offers to shippers of freight the advantage of an unbroken gauge of track from Chicago and the Mississippi river to the seaboard, and is of the
SAME GAUGE as the UNION PACIFIC,
over which these cars will run on completion of that road.
THE BLUE LINE CARS
Are ALL OF UNIFORM BUILD, thus largely lessening the chances of delay from the use of cars of a mixed construction, and the consequent difficulty of repairs while remote from their own roads.
The Blue Line is operated by the Railroad Companies who own it, without the intervention of intermediate parties between the Roads or Line and the public.
The facilities of the Line for making uniformly quick time are unequalled.
All claims promptly settled on their merits.
Freight contracts given at the offices of the Companies in New York, Boston, &c.
H. E. SARGENT,
