

—On Wednesday last, at Laramie, Wyoming, Charles Lofgren, about 25 years of age, attempted suicide, by shooting himself in the left breast, inflicting a fatal wound. Lofgren was known as a sober, industrious and intelligent young man, and was highly respected. The shooting was the result of melancholy, growing out of a love affair.

—Last Friday evening, at Pipestone Springs, Montana, James Purding, an old resident of that Territory, committed suicide by shooting. He placed the muzzle of a 42-calibre bull-dog revolver in his mouth, and fired, killing himself instantly. No cause was assigned for the deed. The deceased had been a severe sufferer from blood poisoning.

#### SUCCESS.

The sale of Syrup of Figs is simply immense. Everyone is taking it, and it is the best medicine ever used. Children cry for it on account of its pleasant taste, and grown people who have used it once never take any thing else. Unlike other remedies for biliousness and constipation it never loses its power to act, and it always leaves the organs on which it acts stronger than before. Besides, one feels fresh and bright and realizes that it is Nature's own true laxative. Z. C. M. I. Drug Store, Wholesale Agents, Salt Lake City.

Some say, "Consumption can't be cured." Ayer's Cherry Pectoral, as proved by forty years' experience, will cure this disease when not already advanced beyond the reach of medical aid. Even then its use affords very great relief, and insures refreshing sleep.
