were visitors at the Franklin on Tues-

UNIVERSITY OF UTAH.

This year the chapel exercises will be held every Wednesday from 11 until 12 in the large assembly room of the museum building. During this hour all class work will cease, thus giving the students an opportunity to attend. In previous years the exercises were held every morning from 8:45 until 9 o'clock. Last Wednesday, the students were addressed by Prest. J. V. Kingsbury. They were also favored with a vocal solo by Miss Pederson.

The first number of the University Chroniele will be issued Sept. 30.

On Thursday, Coach Homes checked the suits to the foot ball men and regular practice work began. This season the boys take their meals at a "training table." Breakfast comes from 7 until 8, lunch at 12 and dinner from 6 until 7.

Mesars, James R. Smith, J. Fred Anderson, John Z. Brown, Hyrum Smith, William Smith, Elley Skeen and Harold Goff, graduates of the norm last June, have returned to the University to continue their studies until graduation with degrees. Of the "naught naught normal class" John W. Condie, Oscar W. Carlson, and Thomas M. Reese are registered as students in

his wife and daughter, were visitors on Thursday. Miss Smoot will attend the university this year.

Dr. Agnes Kelley Ph. D., Munich, a lady from Australia, visited the university on Thursday. She came here recently in company with Prest. Jor-dan of Stanford. The lady is particularly interested in biological research.

Prest, James Sharp of the board of regents will address the students at chapel next Wednesday.

Regent Mrs. R. E. Little, Mrs. W. W. Riter and former Regent Col. Don-nellan were visitors at the university

The schools have settled down to earnest, enthusiastic work, An element characterizing the labors this year is the contented, pleasant and harmon-ious spirit prevailing. The new department recently created has added

LITTLE ZETHA HAMMER

Miss Hammer is but eight years of age. She is the daughter of Mr. and Mrs. Paul Hammer Jr., and belongs to the Third A class, of the Twelfth school and excels in scholarship in all branches pursued. She was awarded a special promotion at the close of the first term last year, and she also stood at the head of the new class at the close of the year in June.

zest, and will increase the interest in other features of the curriculum. There are now 348 members of the teaching corps in the Salt Lake City schools, exclusive of supervisors, di-

The teachers of this city will be paid for two weeks' service on Sept. 24. This is a courtesy not before enjoyed by teachers in the history of the schools, and Superintendent Christensen, board of education and teachers are to be fe-

rectors and assistants, of whom there

Miss Anna Corbett of Cambridge. Mass., assistant in the sewing branch of the domestic arts department, arrived on Thursday and has assumed her duties.

Supervisor Pollock visited this week the Wasatch, Washington, Oquirrh, Webster and Ninth schools.

Meeting of the principals of the city schools was held on Wednesday afternoon, at which time the exhibit at the forthcoming state fair was discussed, as well as matters relative to the regular work of the year.

J. W. Raymer, the new teacher of physics in the West Side high school, arrived on Thursday and immediately assumed his duties.

Director Tomlinson will on Monday next take up the supervision of the domestic arts department in the West Side schools of the city. Supervisor Wetzel will conduct a

The aggregate enrollment of the schools of the city brought down to Sept. 17, is exclusive of the High schools, 11,489. The Bryant High school

MISS HORTENSE YOUNG.

Miss Hortense Young, daughter of Dr. Seymour B. Young, nine years of age, and who belongs to the Third A class at the Twelfth school, this city. made an excellent record for scholar-ship in all her classes, and advanced to the next class by special promotion in Pebruary, 1902, and also led her class-mates at the close of the year in June.

enrolls 123, and the West Side High schools with 904.

Miss Hanks of the Union school and mother are at the Pleasanton. Miss Mercy Baker is substituting for Mrs. Bliss of the Union, who is absent

by reason of illness. Mrs. Angell substituted for Mrs. Por-

The teachers and students at the East Side High school have entered upon their work with great zeal, and Principal Modoy looks upon present conditions with a great deal of pride.

A company of cadets has been formed at the Bryant High school, the decks are being cleared and a well drilled company may soon be expected.

Upon the recommendation of Supt. Christensen, the Franklin school last year took the initiative in specializing or introducing department work, and the teachers of that school who have tried the plan speak in unqualified terms of the results, and pupils also are enthusiastic. The work is contin-ued again this year, Mrs. Banker, Miss Duncan and Mrs. Robbins having MISS HULDAROSE BROWN. Duncan and Mrs. Robbins having charge of the sixth, seventh and eighth most successful pupils in the Third A class, Twelfth school. She is but nine years of age, and accomplished last year the work of a year and a half, in one year, and was specially recognized. She is the dughter of Mr. and Mrs. rades, and Miss Lytle, Miss Jelich and Mr. Taylor the fourth and fifth grades. At the Union, Misses Mitchell, Smith and Dixon have charge of the seventh and eighth grades, and Principal Wal-lace gives it his hearty approval. Other schools that have introduced this de-partment are the Fremont, Washington, Grant, Oquirrh, Sumner and Franklin.

> WEST SIDE HIGH SCHOOL. Mr. Raymer who has been engaged to take charge of the department of physics assumed his duties on Thurs-

The attendance up to Sept. 17, is 623. Mr. Garrett, late of the Fort Scott High school arrived this week and entered upon his work.

Miss Ruby Armstrong, who for sev eral years has ocupied the position of clerk, is again at her post this year, her duties requiring her to be unusually busy.

The hard working spirit which characterized the work last year is again evident this year, and the outlook for this department of the public schools of this city for the current is most promising. Principal Eaton has reaon to be greatly pleased with present

Miss Teasdel who succeeds to the position made vacant by the temporary absence of Prof. Harwood is much interested in the work of her department and looks for excellent results.

Mr. Rees, of the High school, reports 30 students in his beginning classes in German, and Miss Critchlow about 20 as well as classes in advanced German,

Mrs. Jennings takes complete charge of French this year.

Military drill began in earnest this week with a large company organized. The lunch counter is again installed a neighboring building

The large picture of the old Provo fort has been removed temporarily to the Art Exhibit in the gymnasium

The high school now elects its own monitors to keep order. The students have selected six of their number to take charge of the large room during study hours.

Mrs. Dusenbery reports her kindergarten department in excellent running

A very pleasant excursion to Provobench fruit farms has been planned for Saturday the 20th. A good time is expected by the students, but a fruit famine is predicted by the sagaclous farmers.

In the symnasium hall during this week, the Utah Art Institute has been displaying a splendid collection of pictures. Every day has witnessed a ing the hall; and in the evenings Provo people have crowded the place to view the best productions of Utah artists. Not only were the visitors treated to the beauty of the masterpieces in paint-ing but they were also entertained by sweet strains of music from orches-tras and mandolin clubs.

Wednesday morning Alma Greenwood of Filimore, a student of the institution while Dr. Maeser was in charge, spoke to the students for a few minutes Brother Greenwood expressed himself as surprised and pleased at the remark, able change in conditions since his school days; at the wonderful growth of the school and at the large and magnificent buildings.

At 4 o'clock Monday afternoon neat At 4 o'clock Monday afternoon nearly all the students assembled in College hall to decide whether or not the
school paper, "The White and Blue,"
should be published this year. Great
patriotism was manifested by the various classes, all declaring vigorously
in favor of the proposition. It was decided to have a board of directors consisting of 12 numbers. After a spirited
rivalry the following named students
were elected: J. Frank Hoyt, Albert were elected: J. Frank Hoyt, Albert Day, Nellie Schofield, Alex Walker Sytha Brown, Earl Scott, Allie Carlson, Henry Secrist, D. H. Townsend, Walace Lowery, Francis Shelton and Del
