

**LADRONES IN  
REGAL PROVINCE**  
Avoid an Engagement but Capture  
Some Constabulary.

**EFFECT THEIR ESCAPE.**  
They seem to be ubiquitous, springing  
up in various parts of the  
Islands.

Manila, Feb. 22.—A force of ladrones  
under Gen. San Miguel appeared in  
the province yesterday. They avoided  
an engagement with the main force in  
the south, but captured three small de-  
tachments of constabulary. The enemy  
surrounded the towns of Manila, Satur-  
day, 11 miles east of Manila, Satur-  
day, and captured several constables and 10  
of the constabulary, whom they  
killed.

60 feet long, 11 feet beam, draws 12  
feet of water and weighs 20 tons. She  
is built of steel and equipped with two  
wheels to enable her to travel along the  
bottom of the sea. Her motive power  
is electricity when submerged and gas-  
oline when cruising on top.

Two divers were sent down by one of  
an opening in her bow which will admit  
of a diver leaving the boat to cut ca-  
bles and mine connections. Her builder  
believes she can destroy submarine de-  
vices in any harbor. During reas-  
sembly she carried a crew of eight men  
and nine passengers. A speed of 12  
knots was made easily on her surface  
run.

**Earthquakes in Guam.**  
Honolulu, Feb. 23.—Naval Gov. Sea-  
ton Schreder of the island of Guam,  
who has arrived here, reports the oc-  
currence of a severe and prolonged series  
of earthquakes which has raised the  
level of the islands some six inches.  
The shocks were accompanied by loud  
subterranean rumblings.

The survivors on her arrival here  
smelled into the air the smell of some  
damage. She reports that during the

returning from Guam, jumped over-  
board in the bay. He was rescued but  
died on Feb. 10.

**Egyptian Princess Attempts Suicide**  
New York, Feb. 23.—Princess Djemil  
Toussoun, sister of the khedive, and  
wife of Prince Djemil Toussoun re-  
cently made an unsuccessful attempt at  
self-destruction by taking poison. The  
act is said to have been prompted by  
jealousy.

The princess subsequently left Egypt  
on board of one of the royal yachts, re-  
fusing to see her husband, says the  
Herald's Cairo correspondent. Her  
highness went by way of Trieste to  
Vienna, where it is said she is about  
to wed an Austrian count. A divorce  
has already been granted.

**Sister Took Poison to Brother.**  
St. Louis, Feb. 23.—Police en-  
ough to kill 100 persons intended for  
Charles Grether, a condemned murder-  
er who is to be hanged Tuesday, has been  
taken from Mrs. A. J. Cor, a sister of  
Grether. Mrs. Cor visited the county  
jail to bid her brother good-bye. She  
acted strangely and a watchman fol-  
lowed her out and on pretense of being  
in sympathy with Grether received the  
poison package.

**Negro Kills a Negress.**  
St. Louis, Feb. 23.—William Rack,  
colored, shot and killed Maggie McGin-  
nis, colored, today and is under arrest  
on the charge of murder. It is charged  
that the woman fell a window open in  
the room in which Rack was sleeping,  
and this so angered him that he pu-  
sued her, seized her and held her in his  
arms while he placed the muzzle of a  
revolver against her head. He then  
shot himself in the shoulder in an  
attempt to commit suicide.

**Monument to Lawton's Memory.**  
Manila, Feb. 21.—Two hundred troops  
and hundreds of veterans participated  
today in the unveiling of the monument  
marking the spot where Gen. Lawton  
was killed at San Mateo, Gen. Davis  
and other made speeches, eulogizing

**To Meet Bolivian Expedition.**  
New York, Feb. 23.—A dispatch says  
that Col. Placido Castro, with 1,500 re-  
volutionists, has started to meet the  
Bolivian expedition which is going to  
Acre under the command of minister  
of war, Col. Montes, according to a Rio  
Janelro dispatch to the Herald.

**Baltimore-Jamaica Line of Steamers**  
New York, Feb. 23.—A representative  
of American capitalists is here, says  
the Herald's Kingston, Jamaica cor-  
respondent, arranging for a line of  
steamers between Baltimore and Ja-  
maica, to develop the fruit trade. The  
headquarters are likely to be located at  
Port Antonio.

**Cobra's Broken Jaw Mending.**  
New York, Feb. 23.—Under skull  
treatment at the New York zoological  
garden in Central park a deadly co-  
bra, which recently broke his jaw in a  
fit of violent rage, is on the road to  
recovery.

The dressing on the head of the pol-  
sonous creature has been renewed with  
considerable difficulty. As a sting from  
the reptile means death, the operation  
of applying dressing to the cobra is a  
most perilous task.

**Miles Ross Dead.**  
New Brunswick, N. J., Feb. 23.—Miles  
Ross is dead at his home here from  
Bright's disease. Mr. Ross was one of  
New Jersey's delegates in every Demo-  
cratic national convention from 1888  
to 1892. He was one of the original  
Cleveland men in 1884. He was a mem-  
ber of the Democratic national execu-  
tive committee in 1872 and for some  
years thereafter. He was born in 1827.

**GERMANY AND BRAZIL.**  
People of Former Country Wel-  
come in the Latter.

New York, Feb. 23.—Brazilian news-  
papers, commenting on an article in  
reference to the relations between Ger-  
many and South America, and printed  
in New York, declares the Tribune's  
Rio Janeiro correspondent, that there  
is no reason for alarm in Brazil and  
that the Germans form the most per-  
sonable foreign colony. They have no  
cause to complain of the present situa-  
tion. Baron de Rio Branco, minister of  
foreign affairs, said:

"I visited Berlin and am able to state  
that the emperor and his government  
maintain cordial relations with Brazil  
and wish to foster these relations."

**NEGRO MASS MEETING.**  
Held in Atlanta and Addressed by  
Whites and Blacks.

Atlanta, Ga., Feb. 22.—A largely at-  
tended mass meeting of negroes was  
held this afternoon at the People's tab-  
ernacle. Addresses upon racial ques-  
tions were delivered by both white  
and colored speakers among them Capt.  
Evan P. Howell, mayor of Atlanta, who  
said that the white and colored races  
of the south should work for the con-  
summation of the highest good to all.  
Bishop H. M. Turner also spoke. Nearly  
2,000 people were present.

**Hotel Devereaux, Toledo, Burned.**  
Toledo, O., Feb. 22.—The Hotel  
Devereaux, corner of St. Clair and Jef-  
ferson streets, was almost completely  
destroyed by fire this evening. The fire  
was discovered by one of the guests  
in the third floor and had gained quite  
a little headway. An alarm was turned  
in at once but by the time the depar-  
tment had arrived the flames had spread  
to the second and fourth floors. The  
guests and help were notified and all

left the building in safety, many tak-  
ing their personal effects with them.  
The cause of the fire is unknown. The  
loss will amount to \$20,000 with \$50,000  
insurance. There were about fifty  
guests in the house.

**Child Perishes in Coke Oven.**  
Connellsville, Pa., Feb. 22.—Mary  
Kohlend, aged 11 years, met a hor-  
rible death tonight by being burned  
alive in a coke oven. The little girl  
in running down the hill above the  
ovens, fell and rolled into one of the  
hot ovens. Men at work nearby broke  
into the oven and secured the body  
but it was burned to a crisp.

**Gomperz Arrives in Chicago.**  
Chicago, Feb. 23.—President Samuel  
Gomperz of the American Federation of  
Labor, has reached Chicago to take up  
and adjust the labor strike that is now  
tying up the clothing industry of the  
city. He will hold a joint meeting with  
all concerned today.

Mr. Gomperz said that the American  
Federation of Labor had sent one of its  
prominent men to the Philippines on a  
secret mission while there he exam-  
ined into the industrial conditions of  
the country, especially on the growth  
and present status of the Chinese and  
happened to be in Manila also going  
to China and Japan to examine into con-  
ditions there and make an investiga-  
tion into the immigration to the Phil-  
ippines and Hawaii.

The express managers sent a dele-  
gation and requested that he grant them  
the right to call a convention of the  
twenty locals of the country, and form  
a national organization. This will  
probably be done.

## B. T. WASHINGTON ON RACE PROBLEM

Negroes Flourish in Contact With  
Stronger Races.

**HAS FAITH IN THE COUNTRY**

Cannot Believe It Will Refuse to Ac-  
cord Protection and Highest En-  
couragement to Black Citizens.

New York, Feb. 22.—Booker T. Wash-  
ington was the orator at a Washington  
memorial meeting held tonight in the  
Academy of Arts and Sciences. The  
speaker dwelt on his address to the con-  
sideration of the race problem, and said  
in part:

"Unlike the Indian, the original Mex-  
ican or the Hawaiian, the negro, so far  
from dying out when in contact with a  
stronger and different race, has con-  
tinued to increase in numbers to such  
an extent that, whereas the race en-  
tered bondage 29 in number, there are  
now more than 9,000,000. So, I want  
to emphasize the truth that whether  
we are of northern or southern birth,  
whether we are black or white, we  
must face frankly the hard stubborn  
fact that in bondage and in freedom,  
the negro, in spite of all predictions to  
the contrary, has continued year by  
year to increase in number until the  
new forms about one-seventh of the  
entire population and there is no sign  
that the same ratio of increase will  
stop in the future. Further than this,  
despite of all the changing, the cer-  
tain conditions through which the  
race has passed and is passing, you  
find that every year since the black  
man came into this country, he has  
improved in bondage or in freedom, he  
has made a steady gain in owning  
property, habits of industry and Chris-  
tianity."

"To deal practically and directly with  
the affairs of my own race, I believe  
that both the teachings of history as  
well as the results of every day ob-  
servation should convince us that we  
shall make our most enduring progress  
by laying the foundations carefully,  
patiently and in the ownership of soil,  
in the exercise of economy, the saving  
of money, the securing of the most  
complete education of hand and head  
and the cultivation of Christian vir-  
tue."

"I cannot believe that a country  
into which enters almost every type  
of European, from the highest to the  
very lowest, and gives them shelter,  
protection and the highest encourag-  
ement, will refuse to accord the same to  
her black citizens. The negro claims no  
special privileges. All that he asks  
is opportunity that the same law that  
is made by the white man and applied to  
one race be applied to the other."

"The age for settling great questions,  
either social or national, with the shot,  
torch, or by lynchings has passed.  
An appeal to such methods is unworthy  
of either race. I believe the time has  
come, and I believe it is a perfectly  
practical thing, when a group of rep-  
resentative white men, both south and  
north, should meet and confer with the  
greatest calmness and business like-  
ness the whole subject as viewed  
from every standpoint."

**RUSSIAN PRESS WARNED.**  
Forbidden to Discuss the Mace-  
donian Situation.

St. Petersburg, Feb. 22.—The govern-  
ment in a secret circular sent to the  
press, has forbidden the discussion of  
the Macedonian situation. The circular  
published in the Official Messenger  
Feb. 16, in which the newspapers are  
instructed to refrain from publishing  
articles hostile to Turkey in connection  
with the Macedonian situation. The  
Macedonian situation, the minister  
of war is studying kindergarten at Co-  
lumbia, and at last week's examina-  
tion came off with 100 per cent in  
nearly every study.

Dr. and Mrs. L. M. Willard, who have  
been the guests of Mrs. Jacob Gates  
and Mrs. Easton the last few days,  
left for their home in Washington to-  
day. Dr. Willard has extensive min-  
ing interests in and near Loomis,  
Washington, also a drug store and real  
estate, and is a member of the personal  
attention. Mrs. Willard is mother of the  
unfortunate Hooper Young.

Mr. and Mrs. S. V. Shelp, of Walker  
Brook, who have been stopping at the  
Waldorf for some time, take their de-  
parture for the west early next week.  
Mrs. Shelp has been visiting relatives  
in the east, returning to New York a  
few days ago, and will probably re-  
turn Sunday they take dinner with Mr.  
Fisher at her home, where they will  
meet some of their Salt Lake friends.

C. M. Jackson of Salt Lake is regis-  
tered at the Grand Union, and E. G.  
Woolley, Jr., at the Manhattan. Mrs.  
V. Jones is stopping at the Imperial.  
She left a few days before her trip  
to Europe, where she hopes on business.

Mr. Parley Wright of Ogden is here,  
doing business for the firm of Wright &  
Sons. His name appears on the Impor-  
tant register, but he is to be found in the  
large wholesale houses down town from  
early morning until 6 o'clock. Mr. Rus-  
sell L. Tracy was seen on Broadway a  
few days ago, his headquarters being  
the Waldorf.

There has been a small whisper late-  
ly that Mrs. Blanche Thorne would  
give a dramatic sketch in Hawthorne  
hall, before many days, to aid the Re-  
lief society. The young lady is cap-  
able of doing something fine, and now  
there is no size of wonder if some of  
her friends would be persuaded to take  
part. If they can be spared from col-  
lege studies and duties. The branch  
can furnish abundance of talent, both  
in a dramatic and musical way, and a  
good performance is assured if the  
scheme is carried out.

It is said among professionals that  
Charles Frohman regrets not giving  
Maude Adams the play of "Mice and  
Men" instead of starring Annie Russell  
in the piece, "Little Russia."

It is well known that Miss Adams  
to Miss Russell, and either would have  
been successful in it, but there is just  
a faint suspicion that Miss Adams  
lost the part to Miss Russell, who  
in the last two acts than Miss Russell,  
who does an amount of winning that be-  
comes monotonous, being like many  
others who fail to distinguish between  
safety and success. The play is  
bright and attractive; two Salt Lake  
favorites are in the cast—Mrs. Gilbert,  
who is always perfect in everything.

**Baby Fell into Boiling Water.**

ette, Idaho, to the Miner says Ruth,  
the three-year-old daughter of Mr. and  
Mrs. Frank H. Crow, Jr., died today from  
injuries received yesterday by falling

Eddy, W. Va., Feb. 22.—Mrs. Walter  
Dykes is being hunted by the authori-

dead this morning, having been poison-

husband to secure possession of them.  
She and her husband had been sepa-  
rated for a few weeks.

Devereaux, corner of St. Clair and Jef-  
ferson streets, was almost completely  
destroyed by fire this evening. The fire  
was discovered by one of the guests  
in the third floor and had gained quite  
a little headway. An alarm was turned  
in at once but by the time the depar-  
tment had arrived the flames had spread  
to the second and fourth floors. The  
guests and help were notified and all

ing their personal effects with them.  
The cause of the fire is unknown. The  
loss will amount to \$20,000 with \$50,000  
insurance. There were about fifty  
guests in the house.

rible death tonight by being burned  
alive in a coke oven. The little girl

hot ovens. Men at work nearby broke  
into the oven and secured the body  
but it was burned to a crisp.

**Gomperz Arrives in Chicago.**  
Chicago, Feb. 23.—President Samuel  
Gomperz of the American Federation of  
Labor, has reached Chicago to take up  
and adjust the labor strike that is now  
tying up the clothing industry of the  
city. He will hold a joint meeting with  
all concerned today.

Mr. Gomperz said that the American  
Federation of Labor had sent one of its  
prominent men to the Philippines on a  
secret mission while there he exam-  
ined into the industrial conditions of  
the country, especially on the growth  
and present status of the Chinese and  
happened to be in Manila also going  
to China and Japan to examine into con-  
ditions there and make an investiga-  
tion into the immigration to the Phil-  
ippines and Hawaii.

The express managers sent a dele-  
gation and requested that he grant them  
the right to call a convention of the  
twenty locals of the country, and form  
a national organization. This will  
probably be done.

## HERRERA MEETS JACOBS TONIGHT

Twenty Round Boxing Contest at  
Salt Lake Athletic Club.

**LITTLE FELLOWS READY**

Mexican Arrives but is Over Weight  
And Will Have to Work to Get  
Inside the Limit.

The first boxing contest to take place  
in this city since the Gardner-Rock  
match at the Salt Palace last August,  
is scheduled for this evening at the  
Salt Lake Athletic club, when Aurelio  
Herrera, the little Mexican fighter from  
California, and Tommy Jacobs, the  
hard hitting local featherweight, will  
square off for a 20 round contest.

Herrera, with his manager, Biddy  
Day, arrived yesterday morning a  
day late. Aurelio comes fresh from four  
victories in the pugilistic arena, and is  
full of confidence that he will bring  
home the money tonight, but he ad-  
mits that in going against Jacobs he  
has one of the hardest propositions on  
his hands that he has bumped up  
against for many a long day. According  
to the articles of agreement, the men  
are to meet at 128 pounds, give or take  
two pounds. This places the limit at  
130 pounds, and while the local boy is  
within the weight, the Mexican is some  
pounds over. He did some road work  
with sweaters on yesterday, and re-  
duced himself some, but not enough to  
get within the limit, and was compelled  
to do additional work today. Herrera  
is nearly an inch taller than Jacobs,  
and looks much heavier, but he could  
not be in better condition than is the  
little local boy. Jacobs appearing in  
excellent condition and Herrera's over-  
weight, and the fact that he has had many  
recent fights, and the last one the hardest  
of his career, all has raised the stock of  
Jacobs.

"Well, I've seen the Mexican, and he  
does not appear to be invincible," said  
Jacobs today, "and I believe it is pos-  
sible to win." Jacobs is a local boy,  
and his manager, Biddy Day, is a local  
boy, and his manager, Biddy Day, is a
