

AMERICAN FLEET  
SAILS TOMORROWYokohama Liveliest and Most  
Brilliant City in Far  
East Today.

## SPERRY HOLDS RECEPTION

Upwards of 3,000 Persons Prom-  
inent in Official and Civil  
Life Attend.Deeply Impressed by Sincerity of Jap-  
anese Government and People—  
Hospitality Has Been Lavish.Yokohama, Oct. 24.—On the evening of the departure of the American battle-  
ships, after a week of continuous holi-  
days and celebration, Yokohama was to-  
day the liveliest and most brilliant city  
in the far east. The bay was swarmed with  
launches, darters and other boats, and  
among the 26 stately warships anchored  
outside the breakwater. The populace in  
tens of thousands lined every available  
portion of the waterfront.Representatives of every department  
of the government, the entire diplo-  
matic corps and the consuls of all the  
most prominent nations in the world  
were the guests at a luncheon and re-  
ception given aboard the flagship Con-  
necticut today. The reception, which  
was a gratifying evidence of the popu-  
larity of the Americans, was attended  
by upwards of 3,000 persons prominent  
in official and civil life.

## SAILS TOMORROW.

Sailing at 8 o'clock tomorrow, the  
American fleet will head directly to-  
ward Olongapo, in the Philippines. At  
the outset of the cruise, the warships  
will be escorted by a Japanese squadron  
composed of the battleships Katori,  
Kashima, Tsukuba and Ikoma. Vice  
Admiral Kato will board the Connecti-  
cut half an hour before the time set  
for departure to deliver the official  
farewells on behalf of the Japanese  
government, and will then proceed to  
the flagship Mikasa, after which the  
fleet will exchange salutes. The Ameri-  
can battleships will steam out of the  
bay in single column, forming in double  
column when outside the harbor and  
laying a course straight for Olongapo.Rear Admiral Emory will command  
the second squadron as far as Hong  
Kong, when he will lower his flag andproceed homeward via Europe. Capt.  
William P. Potter, who has commanded  
the Vermont, will take the rank of rear  
admiral in command of the second di-  
vision and raise his flag on the Louisi-  
ana.

## SPERRY DEEPLY IMPRESSED.

In an interview given exclusively to  
the Associated Press tonight, Rear-Ad-  
miral Sperry said:"I am deeply impressed by the sin-  
cerity of the Japanese government and  
people in the welcome they have ex-  
tended to the officers and men of the At-  
lantic fleet. The hospitality we have been  
shown is not alone upon the wonderful  
variety and of the scope of the enter-  
tainment, but in the attitude of the whole  
people of Japan towards the United  
States."We have had unusual opportunities  
of meeting the representative people of  
this country, and I am speaking well  
for the officers and men of the fleet  
when I say to the Associated Press that  
the sincere desire on the part of the  
host to have us here, and the part of our  
hasty last week to cultivate permanent  
relations with America."During our stay in Japan we have  
been deeply impressed by the popular  
demonstration in our honor and even  
more forcibly touched by the reception  
accorded us everywhere by the children  
of Japan. We felt that it was the com-  
ing generation giving us welcome and  
we regard it as an earnest of the good  
and kindly feeling that will prevail  
among the generations to come. We say  
farewell with a feeling of regret and  
a deep sense of obligation."Rear-Admiral Sperry also issued a  
farewell to the people through the  
vernacular press, wherein he expressed  
sentiments somewhat similar. In con-  
clusion, the statement says:

## SAILORS' CONDUCT EXCELLENT.

Acting Consul-General Babbitt, who  
effectively represented the government  
of the United States at Yokohama  
during the visit of Commodore  
Perry to Japan. The United States  
government recently ordered this to  
be done at the expense of America.  
The governor of Shinoda says that the  
people of his province, desirous by this  
means to express their cordial feeling  
for the American fleet, Rear-Admiral  
Sperry accepted the offer and in his  
reply to the governor said that the  
people of America as well as the gov-  
ernment would highly appreciate this  
generous act of the citizens of  
Shinoda.Previous scenes of enthusiasm in  
Yokohama were repeated to-night. The  
weather is promising but somewhat  
cloudy.THIRTY THOUSAND

## RESPONSIBILITY NOT FIXED

Expert in Handwriting Declares Books  
Have Been Altered—Several  
Officials Under Suspicion.San Francisco, Oct. 24.—In the en-  
deavor to fix responsibility for a short-  
age of \$37,500 in the city treasury, a  
committee of investigation has made  
the unexpected discovery that funds to  
the extent of \$30,000 more are missing  
and criminal prosecution is forehad-  
owed in the detention by the officers of  
James C. Tomalty, for several years a  
bookkeeper in the office.For nearly two years it has been  
known that there was a shortage in the  
treasury of over \$37,000. Officials of  
that office all disclaimed responsibility,  
and an effort was made to connect the  
missing money with Ed Smith, a former  
tax-collector, who is serving time in  
the penitentiary for forgery. It was  
not until State Comptroller A. B. Nye,  
through the attorney-general, institut-  
ed an action to recover \$14,000 of the  
state's money, included in the missing  
funds that any legal steps were taken  
to clear up the mystery.Expert accountants were employed  
and in their report they have uncov-  
ered a total shortage of \$50,000 and de-  
claring that the money was taken dur-  
ing the term of former City Treasurer  
Charles A. Bantel. An expert in hand-  
writing declared that the books had  
been altered and Tomalty was sum-  
moned and subjected to an examina-  
tion that lasted five hours. Up to the  
last, it is said, he declared his inno-  
cence. He is now in custody.Treasurer Bantel and Deputy David  
Davis are said to have been the only  
officials who had entry to the only  
office in which the money was kept. No  
action has been taken with regard  
to either.CHICAGO'S "COUGH DROP  
MAN" FOUND DEAD.Chicago, Oct. 24.—"The cough drop  
man," as he was known to thousands  
of persons in Chicago, was found dead  
yesterday in the doorway of a Clark  
street lodging house. Heart failure was  
the cause of death.Richard Connors was the name given  
the decedent when they christened him  
50 years ago at Buffalo, N. Y. He had  
been a familiar character in Clark  
street for a quarter of a century, dur-  
ing which time he eked out an exist-  
ence by peddling cough drops.In the winter season he visited the  
large office buildings, selling his "in-  
comparable" cough drops, and he got to  
be known to the tenants as the "cough  
drop man."Among his customers were bankers,  
physicians and the most successful  
lawyers at the bar. So methodical was  
the "cough drop man" in his calls on  
the different buildings that his custom-  
ers could almost set their clock by  
his coming.Although he died penniless, Connors  
will have a "swell funeral," to quote  
Alderman Michael Kenna. He was a  
member of the First Ward Democratic  
club, and the auxiliary, which was in-  
corporated at Springfield only a week  
ago, will take charge of the funeral  
arrangements.

## WHITE SLAVE TRAFFIC.

Federal Authorities Score First Victory  
In Crusade Against It.Chicago, Oct. 24.—The first signal  
victory in the crusade of the federal au-  
thorities against the white slave traf-  
fic in Chicago was won yesterday  
through the conviction of Joseph Och-  
sner, and Joseph Keller of South Chic-  
ago. They were the first to come to trial  
of nearly 30 pending cases, the prin-  
ciples in which were arrested in the  
series of raids by federal secret ser-  
vice operatives and assistants of the  
district attorney's office last spring  
and summer.Ochsner was charged with bringing  
an alien woman into the country for  
immoral purposes.Keller was found guilty of harboring  
an alien woman in a disorderly resort  
of which he was proprietor.Motions for new trials were made  
and Judge Bethwa will hear arguments  
on behalf of Ochsen next Monday, and  
for Keller a week later.AMERICAN AUTO

Motor Parkway, L. I., Oct. 24.—George  
Robertson, in a 120-horsepower locomo-  
bile, an American-made machine, won  
the fourth Vanderbilt automobile cup  
race on the Motor parkway on Long  
Island today, and at the same time  
created a new American record for long  
distance automobile contests. Herbert  
Lytle, driving an Italian Isotta, a 50-  
horsepower car, was second, less than  
two minutes behind the winner. These  
cars were the only ones officially to  
finish the race, the great crowd of no  
less than a quarter of a million crowd-  
ing on the track after the first two cars  
had dashed across the line. To avoid  
serious accidents, it became necessary  
to stop the race.At the time of the finish William K.  
Vanderbilt, Jr.'s, 110-horsepower Ger-  
man Mercedes, driven by W. C. Luff-  
gan, was running third, with a safe  
lead, so that it must be accorded third  
place.The over running of the course at the  
end of the race not only brought the  
contest to a sudden end, but it re-  
sulted in one of the spectators being  
injured by a Jaguar. Republican can-  
didate had not been warned that the race had  
been called off, and he came full tilt  
upon the crowd. The big machine hit  
David S. Schull, 18 years old, and fractured  
his leg.

## FOR CONTEMPT OF COURT

Secy. of State of Colorado Sent to Jail  
For Refusing to Put Anti-Guggen-  
heim Ticket on Ballots.Denver, Colo., Oct. 2.—Secretary of  
State Timothy O'Connor was found  
guilty of contempt of the district court  
by Judge George W. Allen to-day and  
ordered to be confined in the county  
jail until such time as he shall obey  
the order of the court in regard to the  
official ballots for the November elec-  
tion.The sentence followed Mr. O'Connor's  
refusal to place the anti-Guggenheim  
and Business Men's tickets on the of-  
ficial ballots. These tickets carry the  
names of the republican can-  
didates for presidential electors and  
state officers but different names for  
county officers and legislators. An ap-  
peal will be taken from Judge Allen's  
decision, but the supreme court which has  
heretofore failed to settle the con-  
troversy in regard to the ballot because  
the four judges sitting in the case  
divided evenly.UNLAWFUL POSSESSION  
OF MONEY MADE HIM INSANEOakland, Cal., Oct. 24.—Unexpected  
and unlawful possession of the sum of  
\$250, which through an error had been  
created by him by the bank in which  
his savings were deposited, was in-  
strumental in unbalancing the mind  
of Peter Lindbeck, who was yesterday  
committed to the state insane asylum  
at Stockton. According to the testi-  
mony, Lindbeck discovered the mistake  
in his favor and retained possession of  
the money, later expended it. He be-  
came a conscientious stricken after the  
money was gone and worry over his of-  
fense resulted in insanity.ZERO SQUAD IS  
STILL INTACTTribune and "News" Representa-  
tives Together Go Over  
The Tax Records.

## FOUND AS REPRESENTED

Few Additions Noted to Those Who  
Already Pay Taxes, Otherwise  
Cipher Column Unbroken.Notwithstanding frantic endeavors to  
pull the "Zero Squad" into the tax-  
paying column, the same old fourteen  
"ciphers" as far as the county tax  
lists are concerned is still the prominent  
feature on the "American" ticket.A representative of the "News" was  
on hand at the office of County  
Treasurer Groesbeck promptly at 10 o-  
clock this morning awaiting the ap-  
pearance of the Tribune representative,  
to go over the record for the purpose  
of checking up the list of tax and  
non-tax payers on the "American"  
ticket. At 10:15 the Tribune man ap-  
peared and the figures were carefully  
gone over. An addition of \$143.32 was  
found to be added to the entire "Ameri-  
can" list, \$96.59 of which is paid by  
Jerome Bourgond, of Bingham, \$18.52  
by W. W. Armstrong, \$18.50 by E. B.  
Critchlow, \$6.46 by C. J. Crabtree and  
\$3.70 by C. I. Douglas.Otherwise the list as previously pub-  
lished in the "News" was entirely cor-  
rect.

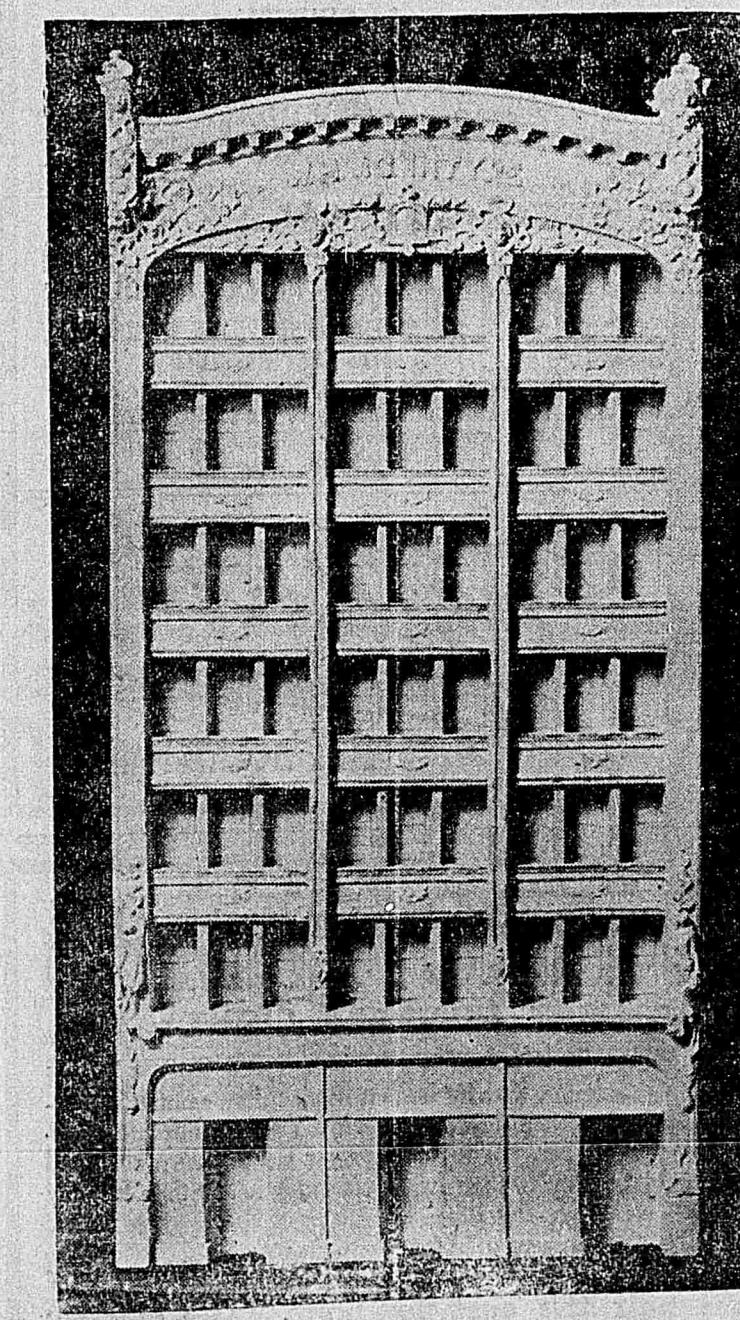

## NATIONAL CITY, ILL.

Richest City in the World is Bank-  
rupt.St. Louis, Oct. 24.—National City, Ill.,  
the richest city in the world because of  
the location within its limits of the big  
packing houses and the National Stock-  
yards, with its industries and business,  
is bankrupt.Robert Monroe, mayor, yesterday  
floated a loan for \$1,000 with which to  
pay current expenses. Anticipation  
warrants will be issued against this  
loan and the men will be repaid when  
the taxes for next year are collected.  
The village is only two years old, but  
the expenditures this year for improve-  
ments and for levee protection used up  
the funds which had been collected to  
run the city.EGG-YOLK THROWN INTO  
SEA BECAUSE IMPURENew York, Oct. 24.—By throwing into  
the sea 1,652 cases of so-called egg-yolk,  
the collector of customs has decided the  
long-standing controversy between im-  
porters and the government. A great  
quantity of this material has been im-  
ported to this country from China for  
a number of years. It is used in mak-  
ing custards, pies and other products of  
bakeries. Three years ago a large com-  
plaint was held up by the authori-  
ties under the pure food law on the  
claim that excessive quantities of  
borax were used in it as a preserva-  
tive. Since then none has been allowed  
to land. The importers fought the de-  
partment's decision but the city health  
department has now condemned the  
egg-yolk held in storage here and it  
has been fed to the fishes.

## WATERS ARE RECEEDING.

Kansas City, Oct. 24.—The rainstorm  
that has prevailed for almost a week  
in Western Missouri, Kansas and  
Oklahoma had almost passed this  
morning and today the streams were  
receding.

## GAMBLING IN RENO.

Question Decided Today at Very Lively  
Municipal Election.Reno, Nev., Oct. 24.—Whether or not  
gambling shall be driven from the city  
is being decided here today at the live-  
liest municipal election Reno has ever  
known. The polls opened at 8 o'clock  
this morning and by 11 o'clock over  
half of the vote, 3,856 persons entitled  
to vote had cast their ballots. The gam-  
blers, to whom defeat means extermi-  
nation, are making a strong fight  
and have secured every available au-  
tomobile and rig to carry voters to the  
polls. Monster mass meetings and plen-Seven Story Building

## W. H. MCINTYRE BLOCK.

The new W. H. McIntyre building to  
be erected between the McCormick and  
the Hook & Francis blocks on upper  
Main street, is well portrayed above.  
A plaster cast already made under the  
direction of Architect R. Kletting, on  
exhibition in his offices, gives an excel-  
lent idea of the new structure. In addi-  
tion to the photographs taken this  
morning, the building will be 50 feet  
front by 125 feet deep, seven stories  
high with a basement. It is to be all  
concrete construction reinforced with  
steel, including stairs, fire escapes and  
partitions. All of the windows are to  
be of wired glass and metal frames.  
The front will be made of Medusa ce-  
ment of steel gray color, showing themonolithic character of the work, with-  
out attempt at imitation of rock or other  
material. There will be about 150  
offices in the structure, some of which  
are already rented. The cost of the edifice  
is placed at \$180,000 approximately.  
The fact that such a pretentious edifice  
is to be erected on upper Main, is a  
pretty sure indication that the building  
is up of the lower part of the street  
is in no wise affecting the values of  
realty in the upper part, and that Up-  
per Main street is even more desir-  
able than ever for business purposes.This is the first publication of the  
completed elevation. The Herald print-  
ed a false elevation last month, show-  
ing a glass and iron front of entirely  
different design from the actual and  
accepted plan.

## PLANKS FOR "AMERICAN" PLATFORM

The so-called "American" platforms contain a great deal of falsehood, nonsense, and deception. But the following "principles" are part of the program, though not formally inserted in the platform, and should be considered by all voters:

1. The Chairman of the "American" party mass state convention in the Salt Lake theater Monday evening, Sept. 28, declared a war of extermination to be waged against the Mormon Church officials in the fall campaign. "To carry the county and judicial district for the 'American' party and thus start the machinery of the courts in motion to accomplish THE IMPRISONMENT or EXILE of the band of twenty-six, this is the program of the 'Americans' as announced at the state convention."—Salt Lake Herald, Sept. 29.

A vote for the ticket supported by the Tribune is a vote for a program that includes the imprisonment and exile of every prominent Church leader. "Crucify! Crucify!" is the key note of the Tribune campaign.

2. Another declaration of principles involves the raising of the taxes on all farm property in the county. This was intimated in the Tribune during the bond campaign, as follows:

"Queer, it is not, that since the [smelter case] decision the farm lands have decreased in value for the purpose of taxation? In other words, the lands are not so valuable as they were, and farming upon smelter smoke was more productive from the dollar and cent standpoint of the farmer than the filling of the soil. While there has been a large increase in the value of property for taxable purposes in Salt Lake City, there has been a decrease in the property outside, and the farm lands are not worth as much as they were a year ago. I SAY IT IS QUEER, but remember it is a fact."

A vote for the ticket supported by the Tribune means a vote for the increase in taxes, principally for the benefit of the politicians who are in it for "the spoils."

The following is Tribune doctrine:

"Apropos of the new and petty war recently started by the municipal government on the women of the town, the liquor dealers and the gambling fraternity, one of the 'enemy' said to us the other day: 'It may be a hard thing to say, and perhaps harder still to maintain, but I believe that billiard halls, saloons, and houses of ill-fame are more powerful reforming agencies here in Utah than churches and schools, or even the U. S. Army.'"

"Freedom is the first requisite of manhood, and if it can be won without excesses, so much the better. If it can't, never mind the excesses; win the freedom!"—Tribune, March 6, 1881.

A vote for the Tribune ticket is a vote for the establishment of the agencies of liberty mentioned in the editorial extracts reproduced.

Respectable "Americans" might, for the good of the party and the city, and in the interest of peace, revolt against the organ of hatred, indecency, and brutality. It is no credit to the party.

STATE CAMPAIGN'S  
WHIRLWIND FINISHIs Due to Begin Monday With  
Senator Carey's Appear-  
ance in Theater.

## NEARLY A HUNDRED RALLIES

They Will Be Held in Utah Towns  
Between Monday and Saturday  
And Will Absorb Talent.Tonight Senator Sutherland, P. P.  
Christensen and Carl Badger Hold  
Double-Barreled Rally.With the campaign nationally and  
in Utah ready for the whirlwind finish  
of the final week, State Chairman  
Sam A. Clegg, of the Democrats and  
State Secretary George B. Squires of the  
Republicans are lining up their  
forces for the last big effort.In this work the Republicans seem  
to have secured an advantage in the  
fact that they have still a speaker of  
national prominence to sweep the  
state with his speaking in the final  
week, while the Democrats' array  
of this campaign became silent with  
the passing of Mr. Monnett on Thursday.Monday night the speedmarching  
starts off for the final round with a  
Salt Lake theater rally for the Re-  
publicans, former Senator Joseph M.  
Carey of Wyoming, to be the orator.  
Not content with this main bill for the  
night, Joseph A. Bader has announced  
a side line of attractions for Monday,  
to occur at Bingham canyon. A spec-  
tacular, a big dance, and a big rally  
are all on the program, and all man-  
aged from Bingham Canyon, the  
Bingham Republican headquarters.This theater rally is the last one  
of the season at present arranged for. The  
Democrats next week are opening their  
full batteries on their Republican op-  
ponents, but their fire is to be centered  
on the smaller towns up and  
down the state, as a grand finale in a spec-  
tacular effort in Salt Lake City itself.And in this field the Republicans  
will have their forces scattered as  
fully as will the Democrats so that no  
advantage can be claimed for either  
side at the finish.

## DEMOCRATIC SCHEDULE.

Monday, for the Democrats, Judge  
William H. King and Jesse William  
Knight will start at 11 a. m. at Mill  
Creek, and end at 8 p. m. at Bingham  
junction, holding rallies at Big Cotton-  
wood and Union at 2 and 4 p. m.  
respectively. The Provo ladies quartet  
will accompany the speakers, and the  
program of music promises to be as  
attractive as always it has been through-  
out their campaign. O. W. Powers,  
in the south, will duplicate the King  
and Knight act at Ogden, and the  
Powers will open at 11 o'clock at Mon-  
roe, move to Elsinore at 2 p. m. and  
will close at Richfield, which this  
week served as a headquarters for the  
Howell and Mattson maneuvers  
through the south.Tuesday the Democrats rally at  
Sandy in force with F. S. Fernstrom,  
C. H. Hamilton and A. Bader as  
speakers. On this same day the  
King-Knight gladiatorial arrange-  
ment swings through Draper, River-  
ton, West Jordan and Murray, reach-  
ing Murray at 8 p. m. after speeches  
at the other places at 11 a. m. and 2  
p. m. respectively.Davis county sets O. W. Powers on  
Wednesday, while Ogden sets W. W.  
Bayer, Taylorville, Jas. H. Moyle, R.  
H. Roberts, at Levan ridge, and Nephi  
will close the campaign in the south on  
Thursday at the final election.

## REPUBLICANS' TRIP.

this same week call for 49 speeches in  
49 different towns, not counting dupli-  
cates resulting from two speakers to a  
meeting. The list of speakers includes  
every one of known oratorical ability  
in the party into the field from A. L.  
Thomas to Parley P. Christensen,  
counting W. D. Livingston and  
Glen Miller.Monday William Glasman speaks to  
the people of Fillmore, while Sena-  
tor Carey entertains those in Salt Lake

Sutherland. Sutherland opens in Draper,

by Sutherland.

## WAS SOBER QUITE LONG.

Fritz Stiner, a quarryman, punctu-  
ated his reputation as a sober man  
yesterday in an inglorious spree. He  
landed in the prisoner's dock before  
Judge Diehl this morning. Stiner has  
been in the city for the last time  
he was drunk, and the first time  
in this city until yesterday, was in  
1892. Then he was haled before the  
court. He seemed to take his arrest  
yesterday as a joke and he and the  
court enjoyed a hearty laugh as he  
stood up to answer to the charge. Con-  
sidering the long drizzle in Stiner's  
life, Judge Diehl warned him not to  
come before the court again until 1924,  
when he is due to repeat his attempt  
to bankrupt the grog shops of their  
wares again.
