After three weeks discussion between he officials of the Utah State league, it was at last decided to allow the Occidental team to enter the league. The ontract was drawn up Wednesday and vas signed by J. F. Tobin president of the State league and Frank Black manager for the Occidentals, which team is to take the place of the Fort Douglas team. It was first proposed by the nanugement of the fort team to take the colored men into the league as was realized that it would be imssible for the soldiers to get a bunch players together fast enough to by with Salt Lake, Ogden and Mur-

Railroad Concessions.

Railroad Concessions. After two days' work in trying to secure a railroad rate from this city to Ely, "Tex" Rickard has called the Gans-Nelson fight off for the reason that the railroads would not make a rate satisfactory to him. For over a week, Rickard has been holding con-ferences with officials of the various railroads, trying to get an excursion rate to Ely on Labor day. But the best rate offered was \$13.50 for the round trip. It was Rickard's idea to charter a special train and take the people to Ely for \$3 for the round trip. The railroads, however, refused to give Mr, Rickard a train on those conditions, and the conference was

He did not state what the next move would be, but that it was possible that wolld be, but that it was possible that one of the San Francisco club would bid for the fight. If they did, and of-fered the same terms as offered by Rickard, Nelson would again meet Gans on the coast. Nelson left this morning for Ogden to visit old friends for a day and then continue his way for a day and then continue his way east, stopping off in Denver, where a number of his friends have arranged

Willis Britt did not feel much dis-appointed over Rickard's failure to make the fight a go, and said he knew Rickard had done everything in his power to pull the match off. Rickard's \$1,000 forfeit money posted in San Francisco will be claimed by Britt, but the \$10,000 posted by Rickard in Ely on the condition he was able to secure reasonable railroad rates will be taken down. "Tex" will leave for Ely tonight, and is still hopeful of the fight being pulled off. Nelson declares that he is through with the prize ring, but would make enother fight if he was offered \$20,000 win, lose or draw. He has close to \$100,000 as the result of his fighting, and is now looking for a good business to invest his money in.

ANEW WORLD'S RECORD SOTHERN WILL CONTEST WIFE'S DIVORCE Wherever you find fresh, WIFE'S DIVORCE SUIT dainty pastry products and good bread these hot days Lawrence Puts Up a New Score on the Saltair Track for the Two Mile Amateur.

Another world's record was broken last evening and added one more to the long list of records that have been taken on the local tracks this season. The record broken last evening was the two-mile lap amateur, at the Saltair track, by young Lawrence the speedy little Californian, who is making the local bunch get up and go. He made the two miles in 3:53 4-5, breaking the record of 3.54 1-5, made by Parley Giles week ago. In the match race, French style, between Henry Mayer of Germany and Floyd McFarland, the German defeated his opponent two out of three beats, and again showed the peo-

ple that he knew all about the French style of racing. One of the surprises of the evening was the ride of Freddie West in the five mile lap professional, which he won by a good margin. Jackie Clarke punc-

tured a tire early in the race and was

tured a tire early in the race and was forced to quit. On the finish West made a good sprint and beat the other over the tape several lengths. Mc-Farland for some reason not known, was unable to get his legs to work-ing, but finished second. In the final of the half mile amateur, handlcap, Gal-vin got away with a good start with the rest of the bunch right after him; but were unable to catch him and he crosed the tape a winner. Hume got in the money for the first time this season by finishing second in the race. The summaries: Mile match race, best two in three heats, between Mayer and McFarland--Mayer won first and third heats; sec-ond a dead heat. Times-3:03, 3:23; 3:00 1-5.
