

## SPECIAL BUSINESS NOTICES

**BURTON'S RANCH, NORTH OF KAYVILLE, July 24, 1878.**

We, the undersigned, having witnessed the working of the Osborne Self-Binding Harvester, pronounce it a perfect success. There is no grain wasted and the delivery is perfect, every bundle being dropped gently, with the butt end down. We can safely recommend the Osborne as a perfect Harvester and Binder.

**STEELE'S RANCH, NORTH OF KAYVILLE, July 24, 1878.**

Dear Sir:—The Osborne Self-Binding Harvester purchased of you, we started to-day, and though I had never seen a Self-Binder before, I found that an hour's practice enabled me to work it in the most satisfactory manner. It seems far less complicated than other binders and less liable to get out of order. The cutting and elevating is all that could be desired, and the binding is perfect itself. The delivery is so easy and gentle, the butt end of the sheaf going down first, that dry as the grain is I lose nothing by shattering.

WALTER STEED,  
P. O. Address, Farmington.

I have a few of these celebrated binders left, and those wanting a first class machine, should call and examine them. I would be pleased to go with customers wishing to purchase, to the harvest field, and show them the machine at work.

**LOCAL AND OTHER MATTERS.**  
**QUARTERLY CONFERENCE.**  
A quarterly conference of the Salt Lake Stake of Zion will be held, in the large Tabernacle, in this city, on Saturday and Sunday, the 6th and 7th of July, beginning at 10 a.m. on the 6th. A general attendance of the saints of this Stake is requested.

**ANGUS M. CANNON, DAVID O. CALDER, JOSEPH E. TAYLOR, Presidency of the Stake.**

**Fire.**—On Wednesday afternoon a fire broke out on the premises of Nellie Anderson, at Sandy, and consumed a couple of barns and a considerable quantity of lucern.

**The Excursion.**—The Tenth Ward Brass Band excursion to Ogden, yesterday, was well patronized. The company numbered about 500, and were conveyed in seven cars and a flat.

**Twins.**—Last night Mary C., wife of Mr. Horace K. Whitney of the 15th ward, celebrated Independence Day by presenting her husband with a couple of bouncing boys. With the exception that the father has not recovered from his surprise, all is well.

**Fatal Accident.**—We learn, this morning, by special dispatch, over the Deseret Telegraph line, that Jesse Gilbert, aged seven years, of Cedar City, accidentally fell from a load of lucern, yesterday, breaking his neck. He died instantly.

**The Emigrants.**—The company of Saints from Europe, as expected, arrived on Wednesday evening, all well, after a prosperous journey by sea and land. The trip from Liverpool to this city only occupied 15 days. The party was in charge of Elder Theo. Brandley, with Elders R. Maser and M. M. Steele as his first and second counselors, and Elder Claridge as chaplain.

**A Gay Time.**—The 19th Ward Sunday school, with superintendant Asper and the teachers, had a gay time yesterday, at the school house and adjoining grounds. The company met at 5 a.m., in the building. There were orations, songs, choir singing, music by Captain Bueley's band, etc., after which a recess was taken for three hours, to enable all to attend the grand concert at the Tabernacle.

**At 1 p.m.** the company re-assembled and partook of an excellent dinner. This enjoyable exercise was followed by dancing. Games and amusements of various kinds were also engaged in, the party dispersing at 8 o'clock, after having an exceptionally good time.

**Severe Accident.**—At one o'clock yesterday the children of Mr. and Mrs. Phail, of the 15th Ward, were playing with a small cannon, which they fired off close to a bottle of powder. The powder exploded, blowing the bottle into a thousand pieces. A little girl, about a year and a half old, was badly burned about the face, neck, arms and hands. She was also cut severely with fragments of glass from the bottle. Her injuries are not considered dangerous. Dr. Anderson was immediately sent for, and attended to the little patient. A five-year old boy was also slightly injured, being burned a little on one side of the face, and receiving a cut upon one of his hands.

**The Rival Harvesters.**—The field trial between the McCormick and Walter A. Wood Binders, on Wednesday afternoon, at Kayville, was claimed as a victory by the McCormick machine. In the opinion of many, though, it was an unfair contest, from these reasons. The McCormick had been set up and worked in the field all the day before, while the Wood machine, having been set up only that morning, made but two rounds of the field and then entered for competition before it was in fair working order. The field growth, too, was of much less than average heaviness, and hence, the capacity of either machine was not fully tested. As it was, the verdict was of necessity given to the one which did the best work. The elevating of the grain, or carrying it from the reaper to the binding table, was superior in the McCormick, though in the matter of binding the two machines were equally good. We would suggest a trial in grain of average Utah growth, when a more satisfactory result can be obtained, and a verdict rendered accordingly.

**Washington County Convention.**  
—Mr. A. R. Whitehead sends us the particulars of a Washington County People's Convention:

The People's County Convention for Territorial and County officers to be voted for at the general election, was held in the County Court House, June 25th, inst. The convention was organized with Miles P. Romney as chairman and A. R. Whitehead secretary. All the precincts of the county, excepting two, were well represented.

A committee on nomination was appointed, consisting of Hon. Erasmus Snow, Captain H. S. Lubbock, and Marius Knalga, Esq., who reported the following as the People's Ticket for county officers:

John M. Macfarlane, Probate Judge; Thomas J. Jones, Selectman; Augustus P. Hardy, Sheriff; Richard Bentley, Treasurer; Miles P. Romney, Prosecuting Attorney; Erasmus W. Snow, Assessor and Collector; Moroni Snow, Surveyor; Robert C. Lund, Coroner.

Geo. H. Crosby, Thomas J. Jones and Captain H. S. Lubbock were elected delegates from Washington County to attend the Kane County convention, July 6th, 1878, for the purpose of nominating a representative from Washington and Kane Counties.

Hon. Erasmus Snow and Hon. Joe Birch were elected delegates to the Territorial convention, with A. L. Adams, Esq., and Willard Snow, Esq., as alternates.

Vacancies in the Washington County People's central committee were filled as follows:

Leeds, J. T. Wilkinson and B. Y. McMullen; Silver Reef, Capt H. S. Lubbock and Col. John B. Vanhagen; Hebron, Thomas S. Terry; Washington, G. W. G. Everett.

**Returned Missionary.**—To day we were gratified to receive a call from Elder Reinhard Maser, who returned on Wednesday evening from a mission to Europe. He left here on the 6th of May, 1876, and proceeded to Germany, and stayed three months in that country, visiting among his relatives and learning the language. From thence he went to Switzerland, and received an appointment as Traveling Elder in the Jura conference, in which position he labored one year, at the expiration of which time he was appointed to preside over the same conference. He occupied that position until his release to return home. He labored between 25 and 30 persons, and greatly enjoyed his labors in the ministry. He is glad at having gained a valuable experience, notwithstanding that he had to meet opposition and persecution in various forms. While he and Elder Brandley were together at Simmenthal a mob of about a hundred men made an attack upon the house where they were. A desperate struggle ensued, in which several of the brethren as well as a number of those composing the attacking party were disabled. The trustees of a sectarian church led the mob. One of the leading papers of Berne severely condemned the mob-craze.

Elder Maser returns in excellent health and spirits.

**The Southern Mission.**—We have received a letter from Elder Gonzales Trejo, who is with P. C. Merrill's camp, on the San Pedro River, Arizona. He is greatly pleased with that part of the country and describes the soil and mines as being rich, timber and grass abundant, and the climate delightful. There is no snow in winter and pleasant breezes waft over the country in summer. The seashore is 100 miles distant, in a direct line. The nearest Mexican town is fifty miles south of the settlement. Elder Trejo has talked with a considerable number of the people regarding the gospel, and they appeared greatly interested. He says that after Elder Carl Wilcken arrives, and the summer is ended, the two will push into the country and labor in the ministry among the Mexicans. Scarcely one among that people can be found who is indifferent to the message of the gospel. Elder Trejo says that, from the commencement of the mission he has been of the opinion that the Mexicans will either receive or reject the gospel as a body.

**Base Ball.**—The match between the Deserets and Denver Brown Stockings, yesterday, was one of the best played games that our Territory has ever witnessed. The Deserets won by a score of 5 to 3, on what might be termed a whim of chance. The first run made was by McBeth of the Denver Club in the 8th inning, both sides up to the time scoring nothing but whiff-whiff. The Deserets did not gain a base until the 7th inning, when the first run scored was for Duke. At the close of the first half of the 9th, Duners at the bat, the scores stood: Deserets 3, Denver 0. The Deserets then went to the bat, and to the surprise of everybody, scored 5 runs, which gave them the victory. The playing was excellent on both sides. The Rid Stockings are playing the Denver Club this afternoon.

**Sudden Death.**—Yesterday, about 1 o'clock, a man named Ed. Maynard, died very suddenly, in this city. An inquest was held over the remains by Coroner Taylor and a jury, the verdict being that deceased came to his death by heart disease.

Deceased was between 40 and 45 years old. He lately arrived from Silver Reef, and intended to go to the Salmon River country. He was formerly from Manchester, N.H., where some of his relatives now live.

**Destroyed.**—According to a correspondence in the Territorial Inquirer, the shed and barn of Major S. Thompson and Mr. Thomas C. Martell's stables and outhouses, a large quantity of lucern, hay, a wagon and other property, at Spanish Fork, were consumed by fire, last Saturday. Cause—Little boys playing with fire-crackers, in the stock yard.

**William Finch.**—Ann Davies, who arrived with the last company, wishes to know the whereabouts of her brother, Wm. Finch. She is staying at present at the residence of Bishop R. V. Morris, in the 19th Ward.

**Election.**—Registered voters of Salt Lake County, see notice for the coming August election.

**At Provo.**—Dr. Walter R. Pike, late of this city, has settled down in Provo, in the practice of his profession.

**Call and Get Them.**—There are messages at the W. U. Telegraph office for R. C. Slater, and R. L. Adams.

**Notice.**—The regular quarterly meeting of the Salt Lake Fire Brigade convenes to-morrow evening, July 6th, at 7.30, sharp.

**Engine Company.**—To-night is the regular monthly meeting of the Wasatch Engine Co., No. 2. All are requested to attend.

**Quarterly Conference.**—The regular Quarterly Conference of this Stake will convene at the Tabernacle to-morrow morning, at 10 o'clock. The Saints should remember that the meetings are of a general character, and not for the Priesthood only. Everybody is invited.

**Accidentally Shot.**—Yesterday a boy named Castleton, about 12 years old, resident of the 21st ward, was celebrating the 4th with a pistol. The weapon was discharged while he held his thumb over the muzzle. About one half or up to the first joint of that member was blown off. Dr. Richards attended to the injury.

**Theatre.**—The Theatre last evening was filled in every part except the highest circle. This shows the benefit of reducing prices. We trust the lesson will be remembered. The performance was well received, all who took part acquitting themselves to the general satisfaction of the audience. Mr. Sawtelle announced the engagement of the great American dramatic genius, Joe Jefferson, who is to appear in this city shortly.

**Presentation.**—Yesterday the members of the 21st Ward presented testimonials of respect and esteem to Bishop Burt and Counselors H. J. Foulger and W. L. N. Allen. Each was tendered the portraits of the three, enclosed in a handsome frame. The presentation was made in behalf of the Ward, by Brother A. N. Macfarlane, who made appropriate remarks. Each of the recipients of the testimonials made suitable and feeling remarks in response. The affair took place at a party in the meeting house.

The carved work upon the frames, which was beautifully executed, was the handiwork of Brother Quinn, a member of the Ward.

**Tabernacle Concert.**—Notwithstanding the rival attractions of yesterday, excursions, picnics, etc., which drew so many of our citizens away from town, a good sized audience assembled at the large tabernacle, to enjoy the grand concert. There were probably upwards of 5,000 persons present.

The programme, whose excellent arrangement and pleasing variety were themes of many comments, was carried out with a style and ability which pleased everybody. The singing, as a whole, was excellent; solos, duets and choruses being greeted with the heartiest applause. The orchestral pieces, too, were rendered in fine style, and much credit is due those gentlemen who contributed so much to the success of the occasion.

Mrs. Careless, as usual, charmed everybody with her rich, melodious voice and, in response to the applause following the singing of the "Maid of Dundee," gave the "Star Spangled Banner," the whole choir joining in the chorus. Considerable disappointment was felt when it was found that the attractive feature, "I know that My Redeemer Liveth," would be withheld, but the fine efforts that preceded it and the lady's voice for the singing of this masterpiece, were very highly appreciated. Mr. B. B. Young, for his fine rendition of the "Tempest of the Heart," received a well deserved encore. The singing of Misses Olsen and Nebeker, Messrs. McAlister, Foster and others, was also very enjoyable and well merited the applause that followed. Great credit is due Professor George Careless, for his untiring labors and mastery direction, in preparing and conducting the affair, to Professor Daynes, the organist, the ladies and gentlemen of the Tabernacle Choir, and all who assisted in making the concert, what it undoubtedly was, a success.

We congratulate the building committee on the material aid received toward the "completion of the New Tabernacle."

We will also add, that the main reason for Mrs. Careless not singing "I know that My Redeemer Liveth," was she had been suffering for several weeks from a severe cold and sore throat. In consequence she was compelled to omit singing that splendid piece, being aware that her voice would not hold out sufficiently to enable her to do it the justice it deserved.

**SCHOOL TRUSTEES' NOTICE.**  
There will be a meeting of the qualified voters resident of the 10th School District of Salt Lake County, held at the 10th District School House, Salt Lake City, on Monday, July 16th, 1878, at 7 p.m., for the purpose of electing three Trustees for the ensuing term and for the transaction of such other business as may be brought before the meeting.
