# TORTURES OF ECZEMA YIELDED TO CUTICURA

"Ch'icura Remedies are all you claim ther, to be. I had eczema for over two years. I had two physicians, but 'acy only gave me relief for a short time and I cannot enumerate the ointments and lotions I used to no purpose. My ankles were one mass of sorce. The itching and burning were so intense that I could not sleep. I could not walk for nearly four months. One day my husband said I had better try the Cuti-cura Remedies. After using them three times, I had the best night's rest in months unless I took an opiate. I used one set of Cuticura Scap, Cuticura Ointment, and Cuticura Resolvent Pills, and my ankles healed in a short time. It is now a year since I used Cuti-cura, and there has been no return of the eczema.

I thought I would try Cuticura Scap and Ointment on it, and now it is gone. I am seventy-three years old and have lived on the farm I now occupy for twenty-seven years. Cuticura Reme-dies are the safest and most reliable I have ever used for all skin humors. Mrs. David Brown, Locke, Crawford Co., Ark., May 18 and July 13, 1907."
