

cession was returning yesterday to Cleator, a town near here, when it was attacked by Nationalists. Serious fighting followed. A telegraph boy was killed, and several persons injured. Revolvers and swords were used, stones thrown and windows smashed. The police armed with swords finally dispersed the rioters.

VIENNA, 13.—As the train which left Pola this afternoon, in advance of the one on which Emperor Francis Joseph was, was passing through the gorge near Podgaritzva it was discovered that the rails had been misplaced, the discovery, however, was made in time to stop the train. The criminals had evidently mistaken his train for the one containing the Emperor.

PARIS, 13.—The sanitary state of Paris is good. There are some choleraic cases in the city, but none of an epidemic nature. The minister of commerce has written a letter to the Academy of Medicine which will hold a meeting on Tuesday, asking the academy to give an authoritative opinion in regard to the treatment of cholera cases and the best measures to prevent the extension of the disease.

PARIS, 13.—*Figaro* says: Patenotre, French Minister to China has granted the Chinese ministry of foreign affairs a delay of two days, but if it then fails to give assent to the terms submitted by France, Admiral Courbet's squadron will bombard the forts at Shanghai and Admiral Lesbes will disembark his forces at Foo Choo and seize the arsenal there. Two iron-clads left Brest to reinforce Admiral Courbet.

LONDON, 13.—The *Times* this morning says: "The platforms concocted by the republican and democratic conventions are both unworthy of respect. They are distinguished by the absence of clear constructions, by evasions and by trimming; by servile rivalry in flattering the masses and in pandering to unpopular prejudices, modern demagogues and social quacks."

TUTT'S PILLS

TORPID BOWELS and DISORDERED LIVER.

From these sources arise three-fourths of the diseases of the human race. These symptoms indicate their existence: Loss of Appetite, Bowels costive, Sick Headache, fullness after eating, aversion to exertion of body or mind, Eructation of food, Irritability of temper, Low spirits, a feeling of having neglected some duty, Dizziness, Fluttering at the Heart, Dots before the eyes, highly colored Urine. CONSTIPATION, and demand the use of a remedy that acts directly on the Liver. As a Liver medicine TUTT'S PILLS have no equal. Their action on the Kidneys and Skin is also prompt; removing all impurities through these three "scavengers of the system," producing appetite, sound digestion, regular stools, a clear skin and a vigorous body. TUTT'S PILLS cause no nausea or griping nor interfere with daily work, and are a perfect ANTIDOTE to MALARIA.
