Proposed New School House .--At the meeting of the qualified vot- Hospital. ers of the 18th Ward for the election of a frustee, held last evening, a unanimous expression was made to the effect that the board of trustees proceed, without delay, to select an eligible site for a new school house, with a view to purchase. Also that when they had proceeded as far as they could under the circumstances, they should call a meeting of the property holders of the district, for the purpose of considering the advisability of levying a school tax for the purpose of buying a parcel of ground and erecting suitable building. This action is made imperatively necessary in view of the fact that the district is without a house in which to conduct a school.
