A jetition was submitted from Dan'l S. Tuttle, Rector, the church wardens and vestrymen of St. Merk's Parish of this city, a king in Merk's Patiah of this city, a king in view of the time for the discontinuance of water motors connected with the city water works, viz: June, 1883, being near at hand, that the council make the case of church or an exception to the ordinance by giving permission to use the water for working the belowe of such organs, and actitioners ascribe the following reasons in advocacy of their request: Pecause only two or three church organs neding motors exist in Salt Lake City; tecause the number of such organs in the city appealed, \$7.50; not paid \$1.25. Renumber of such organs in the city is not likely to increase so much as to make the privilege prayed for an embarraseing precedent and because only a small amount of water and at quite infrequent times, is likely to be used for such purpose. Referred to the committee on municiple laws with instructions to prepare a bill for an ordinance excepting motors used in churches from the provisions of that clause of the ordinance in relation to waterworks requiring the discontinuance of all meters, etc., after Jane 30th, 1883,
