The matter of chief interest contained in the annual report of Superintendent D. H. Calder of the state nental hospital at Provo, which has mental hospital at Provo, which has been received by the State Board of Insanity, is to be found in his re-commendations and suggestions con-cerning the care of patients who are deficient through the infirmities of age, or the effects of epilepsy. In call-ing attention to the growing tendency on the part of the newly to want to was a candidate for a board office. It is stated that should Mr. Barlow accept the appointment he will carry out the police policy of the mayor in regard to the closing of houses of ill-repute in districts other than the west

SLIGHT INCREASE SHOWN.

The report carries many interesting ligures concerning the numbers of patients treated and their final disposition:

THE PROPHET TEACHER.

By Elder B. H. Roberts.

This new work by Elder Roberts has been adopted by the General Board of the Y. M. M. A., as one of the Supplementary Reading Course for the Supplementary Reading Course for the season. It will prove helpful in the interpretation in the Senior Man-ual now being used by the associa-tions. It will also be a profitable sup-plementary reading for the students of the Seventy's Course in theology for the year. It is printed on art paper with initial letters in color and hand-somely bound, making it available as a souvenir of the anniversary of the Prophet Joseph's birthday as well as a suitable gift for the Christmas holi-days.
